120 already been allocated for use in the new jobs training program. Any qualified manufacturing  
121 company or qualified supplier that is awarded benefits under this program and knowingly hires  
122 individuals who are not allowed to work legally in the United States shall immediately forfeit  
123 such benefits and shall repay the state an amount equal to any withholding taxes already retained.  
124 Subsection 5 of section 285.530 shall not apply to qualified manufacturing companies or  
125 qualified suppliers which are awarded benefits under this program.

126           8. The department may promulgate rules to implement the provisions of this section.  
127 Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the  
128 authority delegated in this section shall become effective only if it complies with and is subject  
129 to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and  
130 chapter 536 are nonseverable and if any of the powers vested with the general assembly under  
131 chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are  
132 subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed  
133 or adopted after the effective date of this section shall be invalid and void.

134           9. Within six months of completion of a notice of intent required under this section, the  
135 qualified manufacturing company shall enter into an agreement with the department that  
136 memorializes the content of the notice of intent, the requirements of this section, and the  
137 consequences for failing to meet such requirements, which shall include the following:

138           (1) If the amount of capital investment made by the qualified manufacturing company  
139 is not made within the two-year period provided for such investment, the qualified manufacturing  
140 company shall immediately cease retaining any withholding tax with respect to jobs at the facility  
141 and it shall forfeit all rights to retain withholding tax for the remainder of the withholding period.  
142 In addition, the qualified manufacturing company shall repay any amounts of withholding tax  
143 retained plus interest of five percent per annum. However, in the event that such capital  
144 investment shortfall is due to economic conditions beyond the control of the qualified  
145 manufacturing company, the director may, at the qualified manufacturing company's request,  
146 suspend rather than terminate its privilege to retain withholding tax under this section for up to  
147 three years. Any such suspension shall extend the withholding period by the same amount of  
148 time. No more than one such suspension shall be granted to a qualified manufacturing company;

149           (2) If the qualified manufacturing company discontinues the manufacturing of the new  
150 product and does not replace it with a subsequent or additional new product manufactured at the  
151 facility at any time during the withholding period, the qualified manufacturing company shall  
152 immediately cease retaining any withholding tax with respect to jobs at that facility and it shall  
153 forfeit all rights to retain withholding tax for the remainder of the withholding period.

154           10. Prior to March first each year, the department shall provide a report to the general  
155 assembly including the names of participating qualified manufacturing companies or qualified  
156 suppliers, location of such companies or suppliers, the annual amount of benefits provided, the  
157 estimated net state fiscal impact including direct and indirect new state taxes derived, and the  
158 number of new jobs created or jobs retained.

159           11. Under section 23.253 of the Missouri sunset act:

160 (1) The provisions of the new program authorized under this section shall automatically  
161 sunset **six years after** [October 12, 2016] **August 28, 2013**, unless reauthorized by an act of the  
162 general assembly; and

163 (2) If such program is reauthorized, the program authorized under this section shall  
164 automatically sunset twelve years after the effective date of the reauthorization of this section;  
165 and

166 (3) This section shall terminate on September first of the calendar year immediately  
167 following the calendar year in which the program authorized under this section is sunset.
