AN ACT

To amend chapter 37, RSMo, by adding thereto one new section relating to fines assessed by state agencies.

Be it enacted by the General Assembly of the state of Missouri, as follows:

Section A. Chapter 37, RSMo, is amended by adding thereto one new section, to be known as section 37.050, to read as follows:

- 37.050. 1. Any agency that assesses or imposes an administrative penalty must implement procedures that provide information to the general public detailing the relevant administrative appeal process so that any individual wishing to dispute or appeal an administrative penalty will have that information readily available to him or her.**
- 2. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2013, shall be invalid and void.**
