First Regular Session, 97th GENERAL ASSEMBLY

FORTY-SECOND DAY, WEDNESDAY, MARCH 27, 2013

The House met pursuant to adjournment.

Speaker Jones in the Chair.

Prayer by Msgr. Robert A. Kurwicki, Chaplain.

*Let us not be weary in well doing: for in due season we shall reap, if we faint not. (Ephesians 6:9)*

Almighty and everlasting God, we commend unto Your gracious care the citizens of Missouri. Especially do we pray for our wonderful people - that health and strength and wisdom may be theirs as they endeavor to live in these trying economic times.

Upon our Speaker may there rest the rich blessing of Your grace and the wise guidance of Your spirit. To all these Representatives, their staffs, and co-workers, may there come a new realization of Your presence as they bow at the altar of prayer and dedicate themselves to You and to the welfare of our people, our highest law! Increase their faith, deepen their devotion, and enlarge their vision that they may continue to labor for the greater good of our beloved state as we discuss the budget. May they never grow weary of doing well.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Gabrielle (Gigi) Mahley, Danyelle Driver, Katherine Jones, Abigail Jones, Allie Beros and Michael Beros.

(a) [seventy-five] **One hundred forty** dollars on each passenger motor vehicle, school bus as defined in section 301.010, and commercial motor vehicle with a licensed gross vehicle weight of eighteen thousand pounds or less;

(b) One hundred **eighty-five** dollars on each motor vehicle with a licensed gross weight in excess of eighteen thousand pounds but not more than thirty-six thousand pounds used for farm or farming transportation operations and registered with a license plate designated with the letter "F";

(c) [one] **Two** hundred [fifty] **eighty** dollars on each motor vehicle with a licensed gross vehicle weight in excess of eighteen thousand pounds but less than or equal to thirty-six thousand pounds, and each passenger-carrying motor vehicle subject to the registration fee provided in sections 301.059, 301.061 and 301.063;

(d) [two] **Four** hundred [fifty] **seventy** dollars on each motor vehicle with a licensed gross weight in excess of thirty-six thousand pounds used for farm or farming transportation operations and registered with a license plate designated with the letter "F"; [and]

(e) One thousand **four hundred** dollars on each motor vehicle with a licensed gross vehicle weight in excess of thirty-six thousand pounds **but less than forty-eight thousand pounds; and**

(f) **One thousand eight hundred dollars on each motor vehicle with a licensed gross vehicle weight in excess of forty-eight thousand pounds.**

(2) Notwithstanding provisions of this section to the contrary, motor vehicles licensed as historic under section 301.131 which are powered by alternative fuel shall be exempt from both the tax imposed by this chapter and the alternative fuel decal requirements of this section.

2. Except interstate fuel users and vehicles licensed under a reciprocity agreement as defined in section 142.617, the tax imposed by section 142.803 shall not apply to motor vehicles registered outside this state which are powered by alternative fuel, and for which a valid temporary alternative fuel decal has been acquired as provided in this section. The owners or operators of such motor vehicles shall, in lieu of the tax imposed by section 142.803, pay a temporary alternative fuel decal fee of [eight] **twelve** dollars on each such vehicle. Such decals shall be valid for a period of fifteen days from the date of issuance and shall be attached to the lower right-hand corner of the front windshield on the motor vehicle for which it was issued. Such **temporary** decal and fee shall not be transferable. [All proceeds from such decal fees shall be deposited as specified in section 142.345.] Alternative fuel dealers selling such decals in accordance with rules and regulations prescribed by the director shall be allowed to retain fifty cents for each decal fee timely remitted to the director.

3. The director shall annually, on or before January thirty-first of each year, collect or cause to be collected from owners or operators of the motor vehicles specified in subsection 1 of this section the annual decal fee. Applications for such decals shall be **created and** supplied by the department of revenue. In the case of a motor vehicle which is not in operation by January thirty-first of any year, a decal may be purchased for a fractional period of such year, and the amount of the decal fee shall be reduced by one-twelfth for each complete month which shall have elapsed since the beginning of such year.

4. Upon the payment of the fee required by subsection 1 of this section, the director shall issue a decal, which shall be valid for the current calendar year and shall be attached to the lower right-hand corner of the front windshield on the motor vehicle for which it was issued.

5. The decal fee paid pursuant to subsection 1 of this section for each motor vehicle shall be transferable upon a change of ownership of the motor vehicle and, if the LP gas or natural gas equipment is removed from a motor vehicle upon a change of ownership and is reinstalled in another motor vehicle, upon such reinstallation. Such transfers shall be accomplished in accordance with rules and regulations promulgated by the director.

6. It shall be unlawful for any person to operate a motor vehicle required to have an alternative fuel decal upon the highways of this state without a valid decal.

7. No person shall cause to be put, or put, LP gas or natural gas into the fuel supply receptacle of a motor vehicle required to have an alternative fuel decal unless the motor vehicle has a valid decal attached to it. Sales of fuel placed in the supply receptacle of a motor vehicle displaying such decal shall be recorded upon an invoice, which invoice shall include the decal number, the motor vehicle license number and the number of gallons placed in such supply receptacle.

8. Any person violating any provision of this section is guilty of an infraction and shall, upon conviction thereof, be fined five hundred dollars.

9. Motor vehicles displaying a valid alternative fuel decal are exempt from the licensing and reporting requirements of this chapter.

**10. All proceeds from the decal fees imposed and collected under this section shall be credited to the state highways and transportation department fund created in section 226.200.**

**11. For all new alternative fuel-powered vehicles assembled in Missouri, the first year's decal fee shall be one-half of the fees as listed in this section.";** and
