

JOURNAL OF THE HOUSE

First Regular Session, 97th GENERAL ASSEMBLY

SIXTY-SECOND DAY, THURSDAY, MAY 2, 2013

The House met pursuant to adjournment.

Speaker Jones in the Chair.

Prayer by Msgr. Robert A. Kurwicki, Chaplain.

Trust in Him at all times ye people; pour out your heart before Him; God is a refuge for us. (Psalm 62:8)

Eternal God, without Whose blessing all our labor is in vain, we pray that our lives may be built not upon the sands which shift with the tide but upon the rock of eternal truth and love on this National Day of Prayer. As we worship You, reveal to us Your presence; give us wisdom. Awaken within us a greater desire for goodness, truth and love. To You, we bring our reactions to be purified, our ambitions to be refined, our minds to be cleansed, and our hearts to be responsive to Your spirit.

We ask Your blessing upon our Speaker and the members of this body. May the fires of Your spirit burn brightly within them. May they ever be friendly in spirit, clear in purpose, strong in integrity - men and women of high principles, great faith, and never failing good will. Protect them from all evil and may public office be to them a public trust which will issue in a public service unexcelled in the history of our beloved Missouri.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Kyle Osia, Lucien Bequette, Jake Page, Wasana Janwong, Sheyla Astete, Lucy Waruru Mahianyu, Yi Mei Pan, Michaela Schweiger and Lay Upadhyay.

The Journal of the sixty-first day was approved as printed.

AMEND Senate Substitute for Senate Committee Substitute for House Bill No. 307, Page 28, Section 106.273, Line 26, by inserting after all of said line the following:

"174.700. The board of regents or board of governors of any state college or university may appoint and employ as many college or university police officers as it may deem necessary to **enforce regulations established under section 174.709 and general motor vehicle laws of this state in accordance with section 174.712**, protect persons, property, and to preserve peace and good order only in the public buildings, properties, grounds, and other facilities and locations over which it has charge or control and to respond to emergencies or natural disasters outside of the boundaries of university property and provide services if requested by the law enforcement agency with jurisdiction.

174.703. **1.** The college or university police officers, before they enter upon their duties, shall take and subscribe an oath of office before some officer authorized to administer oaths, to faithfully and impartially discharge the duties thereof, which oath shall be filed in the office of the board, and the secretary of the board shall give each college police officer so appointed and qualified a certificate of appointment, under the seal of the board, which certificate shall empower him or her with the same authority to maintain order, preserve peace and make arrests as is now held by peace officers.

2. The college or university police officers shall have the authority to enforce the regulations established in section 174.709 and general motor vehicle laws in accordance with section 174.712 on the campus as prescribed in chapter 304. The college or university police officer may in addition expel from the public buildings, campuses, and grounds, persons violating the rules and regulations that may be prescribed by the board or others under the authority of the board.

3. Such officer or employee of the state college or university as may be designated by the board shall have immediate charge, control and supervision of police officers appointed by authority of this section. Such college or university police officers shall have satisfactorily completed before appointment a training course for police officers as prescribed by chapter 590 for state peace officers or, by virtue of previous experience or training, have met the requirements of chapter 590, **and have been certified under that chapter.**

174.706. Nothing in sections 174.700 to 174.706 shall be construed as denying the board the right to appoint guards or watchmen who shall not be given the authority and powers authorized by sections 174.700 to [174.706] **174.712.**

174.709. 1. For the purpose of promoting public safety, health, and general welfare and to protect life and property, the board of regents or board of governors of any state college or university may establish regulations to control vehicular traffic, including speed regulations, on any thoroughfare owned or maintained by the state college or university and located within any of its campuses. Such regulations shall be consistent with the provisions of the general motor vehicle laws of this state. Upon adoption of such regulations, the state college or university shall have the authority to place official traffic control signals, as defined in section 300.010, on campus property.

2. The regulations established by the board of regents or board of governors of any state college or university under subsection 1 of this section shall be codified, printed, and distributed for public use. Adequate signs displaying the speed limit shall be posted along such thoroughfares.

3. Violations of any regulation established under this section shall have the same effect as a violation of municipal ordinances adopted under section 304.120, with penalty provisions as provided in section 304.570.

Violations shall have the same effect as though such had occurred on public roads, streets, or highways of this state."; and

Further amend said bill, Page 44, Section 321.322, Line 21, by inserting after all of said line the following:

"544.157. 1. Any law enforcement officer certified pursuant to chapter 590 of any political subdivision of this state, any authorized agent of the department of conservation, any commissioned member of the Missouri capitol police, **any college or university police officer**, and any commissioned member of the Missouri state park rangers in fresh pursuit of a person who is reasonably believed by such officer to have committed a felony in this state or who has committed, or attempted to commit, in the presence of such officer or agent, any criminal offense or violation of a municipal or county ordinance, or for whom such officer holds a warrant of arrest for a criminal offense, shall have the authority to arrest and hold in custody such person anywhere in this state. Fresh pursuit may only be initiated from within the pursuing peace officer's, conservation agent's, capitol police officer's, **college or university police officer's**, or state park ranger's jurisdiction and shall be terminated once the pursuing peace officer is outside of such officer's jurisdiction and has lost contact with the person being pursued. If the offense is a traffic violation, the uniform traffic ticket shall be used as if the violator had been apprehended in the municipality or county in which the offense occurred.

2. If such an arrest is made in obedience to a warrant, the disposition of the prisoner shall be made as in other cases of arrest under a warrant; if the violator is served with a uniform traffic ticket, the violator shall be directed to appear before a court having jurisdiction to try the offense; if the arrest is without a warrant, the prisoner shall be taken forthwith before a judge of a court with original criminal jurisdiction in the county wherein such arrest was made or before a municipal judge thereof having original jurisdiction to try such offense, who may release the person as provided in section 544.455, conditioned upon such person's appearance before the court having jurisdiction to try the offense. The person so arrested need not be taken before a judge as herein set out if given a summons by the arresting officer.

3. The term "fresh pursuit", as used in this section, shall include hot or fresh pursuit as defined by the common law and also the pursuit of a person who has committed a felony or is reasonably suspected of having committed a felony in this state, or who has committed or attempted to commit in this state a criminal offense or violation of municipal or county ordinance in the presence of the arresting officer referred to in subsection 1 of this section or for whom such officer holds a warrant of arrest for a criminal offense. It shall include also the pursuit of a person suspected of having committed a supposed felony in this state, though no felony has actually been committed, if there is reasonable ground for so believing. "Fresh pursuit" as used herein shall imply instant pursuit.

4. A public agency electing to institute vehicular pursuits shall adopt a policy for the safe conduct of vehicular pursuits by peace officers. Such policy shall meet the following minimum standards:

- (1) There shall be supervisory control of the pursuit;
 - (2) There shall be procedures for designating the primary pursuit vehicle and for determining the total number of vehicles to be permitted to participate at one time in the pursuit;
 - (3) There shall be procedures for coordinating operation with other jurisdictions; and
 - (4) There shall be guidelines for determining when the interests of public safety and effective law enforcement justify a vehicular pursuit and when a vehicular pursuit should not be initiated or should be terminated.";
- and
