

HB 54 -- Recount of Votes

Sponsor: Dugger

In a case where a candidate filed or a ballot question was originally filed with the Secretary of State, this bill changes when the candidate or the person whose position on a ballot question was defeated must be allowed a recount of the votes from a standard requiring the candidate's or the ballot question's defeat by less than 1% of the votes cast to a defeat by less than one-half of 1% of the votes cast.
