

HB 183 -- Tax Credit Reporting

Sponsor: Hoskins

This bill requires all state agencies and departments that are authorized to issue tax credits permitted under Title X, RSMo, to compile and deliver to the Department of Revenue an annual report of all credits issued, outstanding, or redeemed during the preceding taxable year by January 15 of the following taxable year.

The department director must aggregate the submitted reports and submit to the Speaker of the House of Representatives and the President Pro Tem of the Senate a comprehensive list of all tax credits issued, outstanding, or redeemed for the preceding taxable year by March 15 of the following taxable year.
