

HB 364 -- Fire Protection and Ambulance District Board Member
Qualifications

Sponsor: Roorda

Currently, an employee of a fire protection district or ambulance district is not allowed to serve as a board member of any fire protection or ambulance district while employed by any fire protection or ambulance district unless serving on a voluntary board. This bill allows an employee of a fire protection or ambulance district to serve as a board member of a fire protection or ambulance district if the district is not in the same county where he or she is employed.
