

HB 438 -- Out of State College Specialty License Plates

Sponsor: Rowland

Currently, only a community college or a four-year public or private institution of higher education or a foundation or organization representing the college or institution, located in Missouri may authorize or may by the Director of the Department of Revenue be authorized to use the school's official emblem to be affixed on a multiyear personal license plate. This bill allows any institution located outside of the state that has authorized the use of its official emblem on a multiyear personal license plate prior to August 28, 2012, to continue to authorize the use of its official emblem on the plates.
