

HB 730 -- Notification Requirements for Lost or Unclaimed Property

Sponsor: Rowden

Currently, the State Treasurer must publish a notification in a newspaper of general circulation of the property presumed abandoned and reported under Section 447.593, RSMo, in the county in which the last known address of the person named is located. This bill allows the State Treasurer to use any other method he or she deems appropriate and consistent with the intent to notify the owners of the property.
