

HB 1036 -- Workers Compensation Contractor Classification Premium
Adjustment Program

Sponsor: Schatz

This bill specifies that, for the purpose of calculating the premium credit under the Missouri contracting classification premium adjustment program administered by the Department of Insurance, Financial Institutions and Professional Registration, an employer within the construction group of code classifications may submit to the advisory organization the required payroll record information for the first, second, third, or fourth calendar quarter of the year prior to the workers' compensation policy beginning or renewal date if the employer clearly indicates for which quarter the payroll information is being submitted.
