

SB 236 -- STATE HIGHWAY PATROL FUNDS

Currently, the Highway Patrol's Motor Vehicle, Aircraft, and Watercraft Revolving Fund, which is administered by the Superintendent of the State Highway Patrol, includes funds received and used for the purchase of patrol vehicles, watercraft, and aircraft. This bill requires the fund to include money received and used for the purchase and maintenance of vehicles, watercraft, and aircraft.

The bill requires the patrol to receive a specific appropriation from the General Assembly before obligating any moneys in the fund for the purchase of an individual unit that costs more than \$100,000.
