Offered By

1 AMEND Senate Substitute for Senate Committee Substitute for Senate Bill No. 767, Page 1, in the  
2 Title, Lines 2 through 4, by deleting the phrase "the creation of a voluntary registry of persons with  
3 health-related ailments to assist individuals in case of a disaster or emergency" and inserting in lieu  
4 thereof the words "public health"; and

5  
6 Further amend said bill and page, Section 44.035, Line 7, by inserting after all of said section and  
7 line the following:

8  
9 "174.335. 1. Beginning with the 2004-2005 school year and for each school year thereafter,  
10 every public institution of higher education in this state shall require all students who reside in  
11 on-campus housing to [sign a written waiver stating that the institution of higher education has  
12 provided the student, or if the student is a minor, the student's parents or guardian, with detailed  
13 written information on the risks associated with meningococcal disease and the availability and  
14 effectiveness of] have received the meningococcal vaccine unless a signed statement of medical or  
15 religious exemption is on file with the institution's administration. A student shall be exempted from  
16 the immunization requirement of this section upon signed certification by a physician licensed under  
17 chapter 334, indicating that either the immunization would seriously endanger the student's health or  
18 life or the student has documentation of the disease or laboratory evidence of immunity to the  
19 disease. A student shall be exempted from the immunization requirement of this section if he or she  
20 objects in writing to the institution's administration that immunization violates his or her religious  
21 beliefs.

22 2. [Any student who elects to receive the meningococcal vaccine shall not be required to sign  
23 a waiver referenced in subsection 1 of this section and shall present a record of said vaccination to  
24 the institution of higher education.

25 3.] Each public university or college in this state shall maintain records on the  
26 meningococcal vaccination status of every student residing in on-campus housing at the university or  
27 college[, including any written waivers executed pursuant to subsection 1 of this section].

28 [4.] 3. Nothing in this section shall be construed as requiring any institution of higher  
29 education to provide or pay for vaccinations against meningococcal disease.

30 191.761. 1. Beginning July 1, 2015, the department of health and senior services shall  
31 provide a courier service to transport collected, donated umbilical cord blood samples to a nonprofit  
32 umbilical cord blood bank located in a city not within a county in existence as of the effective date of  
33 this section. The collection sites shall only be those facilities designated and trained by the blood  
34 bank in the collection and handling of umbilical cord blood specimens.

35 2. The department may promulgate rules to implement the provisions of this section. Any  
36 rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority

Action Taken \_\_\_\_\_ Date \_\_\_\_\_

1 delegated in this section shall become effective only if it complies with and is subject to all of the  
2 provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are  
3 nonseverable, and if any of the powers vested with the general assembly under chapter 536 to  
4 review, to delay the effective date, or to disapprove and annul a rule are subsequently held  
5 unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after  
6 August 28, 2014, shall be invalid and void.

7 197.168. Each year between October first and March first and in accordance with the latest  
8 recommendations of the Advisory Committee on Immunization Practices of the Centers for Disease  
9 Control and Prevention, each hospital licensed under this chapter shall offer, prior to discharge and  
10 with the approval of the attending physician or other practitioner authorized to order vaccinations or  
11 as authorized by physician-approved hospital policies or protocols for influenza vaccinations  
12 pursuant to state hospital regulations, immunizations against influenza virus to all inpatients  
13 sixty-five years of age and older unless contraindicated for such patient and contingent upon the  
14 availability of the vaccine."; and

15  
16 Further amend said bill by amending the title, enacting clause, and intersectional references  
17 accordingly.
