

# JOURNAL OF THE HOUSE

Second Regular Session, 97th GENERAL ASSEMBLY

---

SIXTY-SEVENTH DAY, TUESDAY, MAY 13, 2014

The House met pursuant to adjournment.

Speaker Jones in the Chair.

Prayer by Pastor Paul Meinsen.

O LORD our God, there is much to know, much to learn and there is much to pray for each one of us from the Proverbs of Your servant, King Solomon.

I pray, O Father, that each one of us will be humble in heart for “It is not good to eat much honey, nor is it glory to search out one’s own glory.” (Proverbs 25:27)

I pray that each will surround himself or herself with good counselors as “He who walks with wise men will be wise, but the companion of fools will suffer harm” (Proverbs 13:20) and “If a ruler listens to falsehood, all his officials will become wicked.” (Proverbs 29:12)

Lord, may each guard his or her words. May truth be spoken for “Excellent speech is not fitting for a fool, much less are lying lips to a prince.” (Proverbs 17:7) And may each of us speak with much gentleness, “A gentle answer turns away wrath, But a harsh word stirs up anger. The tongue of the wise makes knowledge acceptable, But the mouth of fools spouts folly.” (Proverbs 15:1-2)

May we all seek wisdom for You have commanded to “Acquire wisdom! Acquire understanding! Do not forsake her, and she will guard you; love her and she will watch over you.” (Proverbs 4:5a-6)

I pray that we will all pursue righteousness for “Righteousness exalts a nation...” (Proverbs 14:34a) and “It is an abomination for kings to commit wicked acts for a throne is established on righteousness.” (Proverbs 16:12)

May we fear You and You alone; for “The fear of the LORD is the beginning of knowledge; Fools despise wisdom and instruction.” (Proverbs 1:7)

O Lord, draw each one unto Yourself.

We call upon You in this prayer. Please answer and be glorified. For You are good and Your love endures forever.

To the honor of Your name, O Lord, I pray in Jesus’ name. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Bobby Dominique, Nick Bernskoetter, Kylie Bernskoetter, Evan Walter, Aidan Walter, Nathan Lewton, Cooper Lewis, John Fowler, Keaton Bartz, Ayden Nichols, Ashlyn Nichols, Shelbie Mays, Olivia Clark, Emilee Carleton, Hannah Lewis, Hannah Brattin, Garrett Gordon, Juniper Justus, and Jerico Justus.

*Senate Amendment No. 4*

AMEND Senate Committee Substitute for House Bill No. 1553, Page 15, Section 94.579, Line 158, by inserting after all of said line the following:

"99.805. As used in sections 99.800 to 99.865, unless the context clearly requires otherwise, the following terms shall mean:

(1) "Blighted area", an area which, by reason of the predominance of defective or inadequate street layout, unsanitary or unsafe conditions, deterioration of site improvements, improper subdivision or obsolete platting, or the existence of conditions which endanger life or property by fire and other causes, or any combination of such factors, retards the provision of housing accommodations or constitutes an economic or social liability or a menace to the public health, safety, morals, or welfare in its present condition and use;

(2) "Collecting officer", the officer of the municipality responsible for receiving and processing payments in lieu of taxes or economic activity taxes from taxpayers or the department of revenue;

(3) "Conservation area", any improved area within the boundaries of a redevelopment area located within the territorial limits of a municipality in which fifty percent or more of the structures in the area have an age of thirty-five years or more. Such an area is not yet a blighted area but is detrimental to the public health, safety, morals, or welfare and may become a blighted area because of any one or more of the following factors: dilapidation; obsolescence; deterioration; illegal use of individual structures; presence of structures below minimum code standards; abandonment; excessive vacancies; overcrowding of structures and community facilities; lack of ventilation, light or sanitary facilities; inadequate utilities; excessive land coverage; deleterious land use or layout; depreciation of physical maintenance; and lack of community planning. A conservation area shall meet at least three of the factors provided in this subdivision for projects approved on or after December 23, 1997;

(4) "Economic activity taxes", the total additional revenue from taxes which are imposed by a municipality and other taxing districts, and which are generated by economic activities within a redevelopment area over the amount of such taxes generated by economic activities within such redevelopment area in the calendar year prior to the adoption of the ordinance designating such a redevelopment area, while tax increment financing remains in effect, but excluding personal property taxes, taxes imposed on sales or charges for sleeping rooms paid by transient guests of hotels and motels, licenses, fees or special assessments. For redevelopment projects or redevelopment plans approved after December 23, 1997, if a retail establishment relocates within one year from one facility to another facility within the same county and the governing body of the municipality finds that the relocation is a direct beneficiary of tax increment financing, then for purposes of this definition, the economic activity taxes generated by the retail establishment shall equal the total additional revenues from economic activity taxes which are imposed by a municipality or other taxing district over the amount of economic activity taxes generated by the retail establishment in the calendar year prior to its relocation to the redevelopment area;

(5) "Economic development area", any area or portion of an area located within the territorial limits of a municipality, which does not meet the requirements of subdivisions (1) and (3) of this section, and in which the governing body of the municipality finds that redevelopment will not be solely used for development of commercial businesses which unfairly compete in the local economy and is in the public interest because it will:

(a) Discourage commerce, industry or manufacturing from moving their operations to another state; or

(b) Result in increased employment in the municipality; or  
(c) Result in preservation or enhancement of the tax base of the municipality;  
(6) "Gambling establishment", an excursion gambling boat as defined in section 313.800 and any related business facility including any real property improvements which are directly and solely related to such business facility, whose sole purpose is to provide goods or services to an excursion gambling boat and whose majority ownership interest is held by a person licensed to conduct gambling games on an excursion gambling boat or licensed to operate an excursion gambling boat as provided in sections 313.800 to 313.850. This subdivision shall be applicable only to a redevelopment area designated by ordinance adopted after December 23, 1997;

(7) "Greenfield area", any vacant, unimproved, or agricultural property that is located wholly outside the incorporated limits of a city, town, or village, or that is substantially surrounded by contiguous properties with agricultural zoning classifications or uses unless said property was annexed into the incorporated limits of a city, town, or village ten years prior to the adoption of the ordinance approving the redevelopment plan for such greenfield area;

(8) "Municipality", a city, village, or incorporated town or any county of this state. For redevelopment areas or projects approved on or after December 23, 1997, "municipality" applies only to cities, villages, incorporated towns or counties established for at least one year prior to such date;

(9) "Obligations", bonds, loans, debentures, notes, special certificates, or other evidences of indebtedness issued by a municipality to carry out a redevelopment project or to refund outstanding obligations;

(10) "Ordinance", an ordinance enacted by the governing body of a city, town, or village or a county or an order of the governing body of a county whose governing body is not authorized to enact ordinances;

(11) "Payment in lieu of taxes", those estimated revenues from real property in the area selected for a redevelopment project, which revenues according to the redevelopment project or plan are to be used for a private use, which taxing districts would have received had a municipality not adopted tax increment allocation financing, and which would result from levies made after the time of the adoption of tax increment allocation financing during the time the current equalized value of real property in the area selected for the redevelopment project exceeds the total initial equalized value of real property in such area until the designation is terminated pursuant to subsection 2 of section 99.850;

(12) "Redevelopment area", an area designated by a municipality, in respect to which the municipality has made a finding that there exist conditions which cause the area to be classified as a blighted area, a conservation area, an economic development area, an enterprise zone pursuant to sections 135.200 to 135.256, or a combination thereof, which area includes only those parcels of real property directly and substantially benefitted by the proposed redevelopment project;

(13) "Redevelopment plan", the comprehensive program of a municipality for redevelopment intended by the payment of redevelopment costs to reduce or eliminate those conditions, the existence of which qualified the redevelopment area as a blighted area, conservation area, economic development area, or combination thereof, and to thereby enhance the tax bases of the taxing districts which extend into the redevelopment area. Each redevelopment plan shall conform to the requirements of section 99.810;

(14) "Redevelopment project", any development project within a redevelopment area in furtherance of the objectives of the redevelopment plan; any such redevelopment project shall include a legal description of the area selected for the redevelopment project;

(15) "Redevelopment project costs" include the sum total of all reasonable or necessary costs incurred or estimated to be incurred, and any such costs incidental to a redevelopment plan or redevelopment project, as applicable. Such costs include, but are not limited to, the following:

(a) Costs of studies, surveys, plans, and specifications;

(b) Professional service costs, including, but not limited to, architectural, engineering, legal, marketing, financial, planning or special services. Except the reasonable costs incurred by the commission established in section 99.820 for the administration of sections 99.800 to 99.865, such costs shall be allowed only as an initial expense which, to be recoverable, shall be included in the costs of a redevelopment plan or project;

(c) Property assembly costs, including, but not limited to [,]:

**a.** Acquisition of land and other property, real or personal, or rights or interests therein [,]; **and**

**b.** Demolition of buildings, and the clearing and grading of land;

(g) Financing costs, including, but not limited to, all necessary and incidental expenses related to the issuance of obligations, and which may include payment of interest on any obligations issued pursuant to sections 99.800 to 99.865 accruing during the estimated period of construction of any redevelopment project for which such obligations are issued and for not more than eighteen months thereafter, and including reasonable reserves related thereto;

(h) All or a portion of a taxing district's capital costs resulting from the redevelopment project necessarily incurred or to be incurred in furtherance of the objectives of the redevelopment plan and project, to the extent the municipality by written agreement accepts and approves such costs;

(I) Relocation costs to the extent that a municipality determines that relocation costs shall be paid or are required to be paid by federal or state law;

(j) Payments in lieu of taxes;

(16) "Special allocation fund", the fund of a municipality or its commission which contains at least two separate segregated accounts for each redevelopment plan, maintained by the treasurer of the municipality or the treasurer of the commission into which payments in lieu of taxes are deposited in one account, and economic activity taxes and other revenues are deposited in the other account;

(17) "Taxing districts", any political subdivision of this state having the power to levy taxes;

(18) "Taxing districts' capital costs", those costs of taxing districts for capital improvements that are found by the municipal governing bodies to be necessary and to directly result from the redevelopment project; and

(19) "Vacant land", any parcel or combination of parcels of real property not used for industrial, commercial, or residential buildings.

99.825. 1. Prior to the adoption of an ordinance proposing the designation of a redevelopment area, or approving a redevelopment plan or redevelopment project, the commission shall fix a time and place for a public hearing as required in subsection 4 of section 99.820 and notify each taxing district located wholly or partially within the boundaries of the proposed redevelopment area, plan or project. At the public hearing any interested person or affected taxing district may file with the commission written objections to, or comments on, and may be heard orally in respect to, any issues embodied in the notice. The commission shall hear and consider all protests, objections, comments and other evidence presented at the hearing. The hearing may be continued to another date without further notice other than a motion to be entered upon the minutes fixing the time and place of the subsequent hearing; provided, if the commission is created under subsection 3 of section 99.820, the hearing shall not be continued for more than thirty days beyond the date on which it is originally opened unless such longer period is requested by the chief elected official of the municipality creating the commission and approved by a majority of the commission. Prior to the conclusion of the hearing, changes may be made in the redevelopment plan, redevelopment project, or redevelopment area, provided that each affected taxing district is given written notice of such changes at least seven days prior to the conclusion of the hearing. After the public hearing but prior to the adoption of an ordinance approving a redevelopment plan or redevelopment project, or designating a redevelopment area, changes may be made to the redevelopment plan, redevelopment projects or redevelopment areas without a further hearing, if such changes do not enlarge the exterior boundaries of the redevelopment area or areas, and do not substantially affect the general land uses established in the redevelopment plan or substantially change the nature of the redevelopment projects, provided that notice of such changes shall be given by mail to each affected taxing district and by publication in a newspaper of general circulation in the area of the proposed redevelopment not less than ten days prior to the adoption of the changes by ordinance. After the adoption of an ordinance approving a redevelopment plan or redevelopment project, or designating a redevelopment area, no ordinance shall be adopted altering the exterior boundaries, affecting the general land uses established pursuant to the redevelopment plan or changing the nature of the redevelopment project without complying with the procedures provided in this section pertaining to the initial approval of a redevelopment plan or redevelopment project and designation of a redevelopment area. Hearings with regard to a redevelopment project, redevelopment area, or redevelopment plan may be held simultaneously.

2. [Effective January 1, 2008,] If, after concluding the hearing required under this section, the commission makes a recommendation under section 99.820 in opposition to a proposed redevelopment plan, redevelopment project, or designation of a redevelopment area, or any amendments thereto, a municipality desiring to approve such project, plan, designation, or amendments shall do so only upon a two-thirds majority vote of the governing body of such municipality. **For plans, projects, designations, or amendments approved by a municipality over the recommendation in opposition by the commission formed under subsection 3 of section 99.820 or a commission located in any county of the first classification with more than one hundred fifty thousand but fewer than two hundred thousand inhabitants, the economic activity taxes and payments in lieu of taxes generated by such plan, project, designation, or amendment shall not exceed the costs associated with those contained in subparagraph b of paragraph (c) of subdivision (15) of section 99.805 per redevelopment project.**

3. Tax incremental financing projects within an economic development area shall apply to and fund only the following infrastructure projects: highways, roads, streets, bridges, sewers, traffic control systems and devices, water

distribution and supply systems, curbing, sidewalks and any other similar public improvements, but in no case shall it include buildings."; and
