

HB 1289 -- UNIQUE DRIVER IDENTIFICATION NUMBERS ON DEPARTMENT OF
REVENUE APPLICATIONS

SPONSOR: English

This bill allows the Director of the Department of Revenue to require applications for the regulation and licensing of motor vehicles, watercraft, and mobile homes to include the applicant's unique identification number which is the applicant's driver's license number, non-driver's license number, or Social Security number. The number must be treated as personal, non-public information by the department.
