

JOURNAL OF THE HOUSE

First Regular Session, 98th GENERAL ASSEMBLY

THIRTY-SIXTH DAY, WEDNESDAY, MARCH 11, 2015

The House met pursuant to adjournment.

Speaker Diehl in the Chair.

Prayer by Msgr. Robert A. Kurwicky, Chaplain.

Watch ye, stand fast in the faith, quit ye like men, be strong. (I Corinthians 16:13)

O God whose light follows us all our ways, amid the troubles of these stressful times we bow a moment at the altar of faith and freedom to listen to Your still, small voice which speaks forever to our human hearts.

Give us a real consciousness of Your presence as we live through these hours that in doing Your will, in serving our state, and in ministering to our people we may have abounding courage, abundant wisdom, and abiding faith.

Upon all members of this House who carry heavy burdens through these decisive and joyful days grant a double measure of Your strengthening spirit. As we determine our decisions and as we make up our minds may we keep our minds clear and our hearts clean. By the power of Your spirit may we meet great needs with great deeds, and match lofty professions with lively practices. Thus may we march forward to a better government and a better Missouri.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the thirty-fifth day was approved as printed by the following vote:

"542.288. 1. (1) If a peace officer determines it is necessary to search a vehicle or person inside a vehicle regarding an alleged violation of law or ordinance, the peace officer may conduct the search only after complying with the provisions of subdivision (2) of this subsection.

(2) Prior to conducting a search under subdivision (1) of this subsection, a peace officer shall read the following statement either to the person with the authority to provide permission to search the vehicle or to the person who would be subject to the search, whichever applies: "I AM ASKING FOR YOUR CONSENT TO CONDUCT A SEARCH OF THE VEHICLE OR YOUR PERSON. YOU HAVE THE RIGHT TO REFUSE TO CONSENT TO THE SEARCH OR YOU MAY KNOWINGLY, FREELY, AND VOLUNTARILY CONSENT TO THE SEARCH. DO YOU UNDERSTAND THESE RIGHTS AS THEY HAVE BEEN READ TO YOU? DO YOU CHOOSE TO WAIVE YOUR RIGHT TO REFUSE MY REQUESTED SEARCH?"

(3) After reading the statement in subdivision (2) of this subsection, a peace officer may conduct the requested search only if the person subject to the search consents, knowingly, freely, and voluntarily, in writing, to the search.

2. A peace officer reading the statement required under subdivision (2) of subsection 1 of this section is not required to read the statement verbatim. Substantial compliance with the content of the statement is sufficient to comply with the requirement in subdivision (2) of subsection 1 of this section.

3. If the person subject to the search consents knowingly, freely, and voluntarily, such person shall sign a form, which shall include the following information:

(1) The date and location of the stop;

(2) The name and identification number of the peace officer making the request for consent to search;

(3) The names and identification numbers of any additional peace officers who actively participate in the discussion with the driver or passenger or passengers concerning the request for consent to search;

(4) A statement informing the driver or other person authorized to give consent of the right to refuse to grant consent to search, and that if the driver or other person authorized to give consent grants consent,

the driver or other person authorized to give consent at any time for any reason may withdraw consent to search;

(5) A statement informing the driver or other person authorized to give consent of the right to be present during the search at a location consistent with the safety of both the peace officer and the motor vehicle occupant or occupants which may be knowingly waived;

(6) Check-off boxes to indicate whether consent has been granted, and if consent is granted, the driver or other person authorized to give consent shall check the appropriate box and sign and date the form; and

(7) If the driver or other person authorized to give consent refuses consent, the peace officer or the driver or other person authorized to give consent shall so note on the form and the driver or other person authorized to give consent shall not be required to sign the form.

4. A peace officer who requests permission to conduct a search shall document in a written report the following information regardless of whether the request for permission to conduct a search was granted or denied:

(1) The name of the driver or other person authorized to give consent to whom the request for consent is directed, and that person's gender, race or ethnicity, and, if known, date of birth;

(2) The names and identification numbers of all peace officers who actively participate in the search;

(2) The names and identification numbers of all peace officers who actively participated in the incident;

(3) The driver's name, gender, race or ethnicity, and, if known, date of birth;

(5) A description of the type and quantity of any contraband or other property seized; and

(6) Whether the incident was recorded using mobile video or audio equipment.

542.289. 1. The reporting peace officer's supervisor shall review each report prepared under section 542.288 within fourteen days of the precipitating incident and, as appropriate, in conjunction with that review, may view any associated mobile video or audio tape.

2. The department of public safety shall adopt a protocol requiring that peace officer supervisors review mobile video or audio tapes of motor vehicle stops on a random basis. The protocol shall establish the schedule for conducting random reviews and shall specify whether and in what manner the personnel conducting the review shall prepare a written report on each randomized review of a mobile video or audio tape.

3. After conducting a review under subsections 1 and 2 of this section, the personnel conducting the review shall refer for investigation to the appropriate persons any incident that reasonably indicates a possible violation of section 542.288 concerning search and seizure procedures, nondiscrimination requirements, and mobile video or audio equipment use requirements. Subsequent investigation shall be conducted by the attorney general. Appropriate personnel shall evaluate all incidents reviewed to determine the need to implement any intervention for the involved peace officer. If concerns arise, supervisors may require that the peace officer be counseled, receive additional training, or that some other nondisciplinary action be taken.

- (9) If an arrest was made, the crime charged; and
- (10) **Whether any property was seized, with a description of that property;**
- (11) **Whether the peace officer making the stop encountered any physical resistance from the driver or passenger or passengers;**
- (12) **Whether the peace officer making the stop engaged in the use of force against the driver, passenger, or passengers for any reason;**

 - (b) The number and percentage of stopped motor vehicles that were driven by members of each particular minority group;
 - (c) A comparison of the percentage of stopped motor vehicles driven by each minority group and the percentage of the state's population that each minority group comprises; and
 - (d) A compilation of the information reported by law enforcement agencies pursuant to subsection 2 of this section.

5. Each law enforcement agency shall adopt a policy on race-based traffic stops that:

- (1) Prohibits the practice of routinely stopping members of minority groups for violations of vehicle laws as a pretext for investigating other violations of criminal law;
- (2) Provides for periodic reviews by the law enforcement agency of the annual report of the attorney general required by subsection 4 of this section that:

(a) Determine whether any peace officers of the law enforcement agency have a pattern of stopping members of minority groups for violations of vehicle laws in a number disproportionate to the population of minority groups residing or traveling within the jurisdiction of the law enforcement agency; and

(b) If the review reveals a pattern, require an investigation to determine whether any peace officers of the law enforcement agency routinely stop members of minority groups for violations of vehicle laws as a pretext for investigating other violations of criminal law; and

(3) Provides for appropriate counseling and training of any peace officer found to have engaged in race-based traffic stops within ninety days of the review. The course or courses of instruction and the guidelines shall stress understanding and respect for racial and cultural differences, and development of effective, noncombative methods of carrying out law enforcement duties in a racially and culturally diverse environment.

9. Each peace officer making a stop covered by subdivision (6) of subsection 2 of this section shall be assigned an anonymous identification number by the peace officer's employing agency. The anonymous identifying number shall be public record and shall be reported to the criminal justice information services division within the Missouri state highway patrol to be correlated along with the data collected under subsection 2 of this section. The correlation between the identification numbers and the names of the peace officers shall not be a public record and shall not be disclosed by the law enforcement agency except when required by order of a court of competent jurisdiction to resolve a claim or defense properly before the court.

590.651. 1. The department of public safety shall create a management awareness program which will develop and implement computerized systems for maintaining and retrieving information necessary for the supervision and management of peace officers to promote professionalism and civil rights integrity, to identify and modify potentially problematic behavior, and to promote best practices.

2. The management awareness program shall consist of the following information:

(1) All items of information in connection with all motor vehicle stops that are to be recorded in a written report, form, or log, under section 590.650, except duplicate information need not be entered, and information as to whether the incident was recorded with any mobile video or audio equipment unless a patrol vehicle was equipped with mobile video or audio equipment that was not functioning;

3. All information in the management awareness program on substantiated misconduct investigations, civilian compliments, and other indicia of positive performance which can be attributed to a specific peace officer shall be made available to that peace officer on an annual basis upon written request. Nothing in this subsection shall be construed as granting such peace officer access to confidential documents other than those identified in this subsection, or to any information which cannot be attributed to the peace officer requesting the information.

4. If information about a single incident is included within the management awareness program from more than one document, a common control number or other means to link the information from different sources shall be used so that the user can cross-reference the information and perform analyses.

5. The department of public safety shall ensure that information included within the management awareness program in an accurate and timely fashion and is maintained in a secure manner."; and
