

JOURNAL OF THE HOUSE

First Regular Session, 98th GENERAL ASSEMBLY

FORTY-EIGHTH DAY, WEDNESDAY, APRIL 8, 2015

The House met pursuant to adjournment.

Speaker Diehl in the Chair.

Prayer by Msgr. Robert A. Kurwicky, Chaplain.

Let Thy work appear unto Thy servants and Thy glory unto their children. (Psalm 90:16)

O Eternal God of us all, from the stress around us and the demands of a busy day we would seek the quiet of Your presence, not to evade our responsibilities, not to escape our duties but to turn to the tasks of this time with strong spirits, wise minds and gentle hearts.

Dwelling in the secret place of the Most High and under the shadow of Your spirit may we be given wisdom to make correct decisions, strength to carry heavy burdens, insight to see clearly, and courage to walk in Your way as the Representatives of our wonderful State.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the forty-seventh day was approved as printed.

On motion of Representative Fitzpatrick, **HB 148** was ordered perfected and printed.

HCS HB 268, relating to limitations on income tax credits or refunds, was taken up by Representative Miller.

Representative King offered **House Amendment No. 1.**

House Amendment No. 1

AMEND House Committee Substitute for House Bill No. 268, Page 1, Section A, Line 2, by inserting immediately after said line the following:

"94.902. 1. The governing [body] **bodies of the following cities may impose a tax as provided in this section:**

- (1) Any city of the third classification with more than twenty-six thousand three hundred but less than twenty-six thousand seven hundred inhabitants[, or] ;
- (2) Any city of the fourth classification with more than thirty thousand three hundred but fewer than thirty thousand seven hundred inhabitants[, or] ;
- (3) Any city of the fourth classification with more than twenty-four thousand eight hundred but fewer than twenty-five thousand inhabitants[.] ;
- (4) Any special charter city with more than twenty-nine thousand but fewer than thirty-two thousand inhabitants; or**
- (5) Any city of the third classification with more than four thousand but fewer than four thousand five hundred inhabitants and located in any county of the first classification with more than two hundred thousand but fewer than two hundred sixty thousand inhabitants.**

2. **The governing body of any city listed in subsection 1 of this section** may impose, by order or ordinance, a sales tax on all retail sales made in the city which are subject to taxation under chapter 144. The tax authorized in this section may be imposed in an amount of up to one-half of one percent, and shall be imposed solely for the purpose of improving the public safety for such city, including but not limited to expenditures on equipment, city employee salaries and benefits, and facilities for police, fire and emergency medical providers. The tax authorized in this section shall be in addition to all other sales taxes imposed by law, and shall be stated separately from all other charges and taxes. The order or ordinance imposing a sales tax under this section shall not become effective unless the governing body of the city submits to the voters residing within the city, at a county or state general, primary, or special election, a proposal to authorize the governing body of the city to impose a tax under this section.

[2.] 3. The ballot of submission for the tax authorized in this section shall be in substantially the following form:

Shall the city of (city's name) impose a citywide sales tax at a rate of (insert rate of percent) percent for the purpose of improving the public safety of the city?

YES NO

If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed to the question, place an "X" in the box opposite "NO".

If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor of the proposal, then the ordinance or order and any amendments to the order or ordinance shall become effective on the first day of the second calendar quarter after the director of revenue receives notice of the adoption of the sales tax. If a majority of the votes cast on the proposal by the qualified voters voting thereon are opposed to the proposal, then the tax shall not become effective unless the proposal is resubmitted under this section to the qualified voters and such proposal is approved by a majority of the qualified voters voting on the proposal. However, in no event shall a proposal under this section be submitted to the voters sooner than twelve months from the date of the last proposal under this section.

[3.] 4. Any sales tax imposed under this section shall be administered, collected, enforced, and operated as required in section 32.087. All sales taxes collected by the director of the department of revenue under this section on behalf of any city, less one percent for cost of collection which shall be deposited in the state's general revenue fund after payment of premiums for surety bonds as provided in section 32.087, shall be deposited in a special trust fund, which is hereby created in the state treasury, to be known as the "City Public Safety Sales Tax Trust Fund". The moneys in the trust fund shall not be deemed to be state funds and shall not be commingled with any funds of the state. The provisions of section 33.080 to the contrary notwithstanding, money in this fund shall not be transferred and placed to the credit of the general revenue fund. The director shall keep accurate records of the amount of money in the trust fund and which was collected in each city imposing a sales tax under this section, and the records shall be open to the inspection of officers of the city and the public. Not later than the tenth day of each month the director shall distribute all moneys deposited in the trust fund during the preceding month to the city which levied the tax. Such funds shall be deposited with the city treasurer of each such city, and all expenditures of funds arising from the trust fund shall be by an appropriation act to be enacted by the governing body of each such city. Expenditures may be made from the fund

for any functions authorized in the ordinance or order adopted by the governing body submitting the tax to the voters. If the tax is repealed, all funds remaining in the special trust fund shall continue to be used solely for the designated purposes. Any funds in the special trust fund which are not needed for current expenditures shall be invested in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the fund.

[4.] 5. The director of the department of revenue may authorize the state treasurer to make refunds from the amounts in the trust fund and credited to any city for erroneous payments and overpayments made, and may redeem dishonored checks and drafts deposited to the credit of such cities. If any city abolishes the tax, the city shall notify the director of the action at least ninety days before the effective date of the repeal, and the director may order retention in the trust fund, for a period of one year, of two percent of the amount collected after receipt of such notice to cover possible refunds or overpayment of the tax and to redeem dishonored checks and drafts deposited to the credit of such accounts. After one year has elapsed after the effective date of abolition of the tax in such city, the director shall remit the balance in the account to the city and close the account of that city. The director shall notify each city of each instance of any amount refunded or any check redeemed from receipts due the city.

[5.] 6. The governing body of any city that has adopted the sales tax authorized in this section may submit the question of repeal of the tax to the voters on any date available for elections for the city. The ballot of submission shall be in substantially the following form:

Shall (insert the name of the city) repeal the sales tax imposed at a rate of (insert rate of percent) percent for the purpose of improving the public safety of the city?

YES NO

If a majority of the votes cast on the proposal are in favor of repeal, that repeal shall become effective on December thirty-first of the calendar year in which such repeal was approved. If a majority of the votes cast on the question by the qualified voters voting thereon are opposed to the repeal, then the sales tax authorized in this section shall remain effective until the question is resubmitted under this section to the qualified voters, and the repeal is approved by a majority of the qualified voters voting on the question.

[6.] 7. Whenever the governing body of any city that has adopted the sales tax authorized in this section receives a petition, signed by ten percent of the registered voters of the city voting in the last gubernatorial election, calling for an election to repeal the sales tax imposed under this section, the governing body shall submit to the voters of the city a proposal to repeal the tax. If a majority of the votes cast on the question by the qualified voters voting thereon are in favor of the repeal, that repeal shall become effective on December thirty-first of the calendar year in which such repeal was approved. If a majority of the votes cast on the question by the qualified voters voting thereon are opposed to the repeal, then the tax shall remain effective until the question is resubmitted under this section to the qualified voters and the repeal is approved by a majority of the qualified voters voting on the question.

[7.] 8. Except as modified in this section, all provisions of sections 32.085 and 32.087 shall apply to the tax imposed under this section."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

On motion of Representative King, **House Amendment No. 1** was adopted.

On motion of Representative Miller, **HCS HB 268, as amended**, was adopted.

On motion of Representative Miller, **HCS HB 268, as amended**, as ordered perfected and printed.

4. In a presidential primary election, challengers may collect information about the party ballot selected by the voter and may disclose party affiliation information after the polls close.

5. All persons selected as challengers shall have the same qualifications required by section 115.085 for election judges, except that such challenger shall be a registered voter in the jurisdiction of the election authority for which the challenger is designated as a challenger.

6. Any challenge by a challenger to a voter's identification for validity shall be made only to the election judges or other election authority. If the poll challenger is not satisfied with the decision of the election judges, then he or she may report his or her belief that the election laws of this state have been or will be violated to the election authority as allowed under this section.

115.107. 1. At every election, the chairman of the county committee of each political party named on the ballot shall have the right to designate a watcher for each place votes are counted.

2. Watchers are to observe the counting of the votes and present any complaint of irregularity or law violation to the election judges, or to the election authority if not satisfied with the decision of the election judges. No watcher may be substituted for another on election day.

3. No watcher shall report to anyone the name of any person who has or has not voted.

4. **A watcher may remain present until all closing certification forms are completed, all equipment is closed and taken down, the transportation case for the ballots is sealed, election materials are returned to the election authority or to the designated collection place for a polling place, and any other duties or procedures required under sections 115.447 to 115.491 are completed. A watcher may also remain present at each location at which absentee ballots are counted and may remain present while such ballots are being prepared for counting and counted.**

5. All persons selected as watchers shall have the same qualifications required by section 115.085 for election judges, except that such watcher shall be a registered voter in the jurisdiction of the election authority for which the watcher is designated as a watcher."; and

Further amend said bill, Page 5, Section 70.631, Line 22, by inserting after all of said line the following:

"86.207. 1. **Except as provided herein**, all persons who become policemen and all policemen who enter or reenter the service of [the] any city **not within a county** after the first day of October, 1957, become members as a condition of their employment and shall receive no pensions or retirement allowance from any other pension or retirement system supported wholly or in part by the city **not within a county** or the state of Missouri, nor shall they be required to make contributions under any other pension or retirement system of the city **not within a county** or the state of Missouri **for the same period of service**, anything to the contrary notwithstanding. **Any employee of a city not within a county who is earning creditable service in a retirement plan established by said city under section 95.540 and subsequently becomes a policeman may elect to remain a member of said retirement plan and shall not be required to become a member of a police retirement system established under section 86.200. However, an employee of a city not within a county who is earning creditable service in a retirement plan established by said city under section 95.540 and who subsequently becomes a policeman may elect to transfer membership and creditable service to the police retirement system created under section 86.200. Such transfers are subject to the conditions and requirements contained in section 105.691 and are also subject to any existing agreements between the said retirement plans, provided however, transfers completed prior to January 1, 2016 shall occur without regard to the vesting requirements of the receiving plan, contained in section 105.691. As part of the transfer process described herein, the respective retirement plans may require the employee to acknowledge and agree as a condition of transfer that any election made under this section is irrevocable, constitutes a waiver of any right to receive retirement and disability benefits except as provided by the police retirement system, and that plan terms may be modified in the future.**

2. If any member ceases to be in service for more than one year unless the member has attained the age of fifty-five or has twenty years or more of creditable service, or if the member withdraws the member's accumulated contributions or if the member receives benefits under the retirement system or dies, the member thereupon ceases to be a member; except in the case of a member who has served in the Armed Forces of the United States and has subsequently been reinstated as a policeman. A member who has terminated employment as a police officer, has actually retired and is receiving retirement benefits under the system shall be considered a retired member.

3. A reserve officer shall not be considered a member of the system for the purpose of determining creditable service, nor shall any contributions be due. A reserve officer shall not be entitled to any benefits from the system other than those awarded when the reserve officer originally retired under section 86.250, nor shall service as a reserve officer prohibit distribution of those benefits."; and

Representative Miller offered **House Amendment No. 1**.

House Amendment No. 1

AMEND House Committee Substitute for House Bill No. 811, Page 2, Section 136.110, Line 11, by inserting after said line the following:

"143.801. 1. A claim for credit or refund of an overpayment of any tax imposed by sections 143.011 to 143.996 shall be filed by the taxpayer within three years from the time the return was filed or two years from the time the tax was paid, whichever of such periods expires the later; or if no return was filed by the taxpayer, within two years from the time the tax was paid. No credit or refund shall be allowed or made after the expiration of the period of limitation prescribed in this subsection for the filing of a claim for credit or refund, unless a claim for credit or refund is filed by the taxpayer within such period.

2. If the claim is filed by the taxpayer during the three-year period prescribed in subsection 1 of this section, the amount of the credit or refund shall not exceed the portion of the tax paid within the three years immediately preceding the filing of the claim plus the period of any extension of time for filing the return. If the claim is not filed within such three-year period, but is filed within the two-year period, the amount of the credit or refund shall not exceed the portion of the tax paid during the two years immediately preceding the filing of the claim. If no claim is filed, the credit or refund shall not exceed the amount which would be allowable under either of the preceding sentences, as the case may be, if a claim was filed on the date the credit or refund is allowed.

3. If pursuant to subsection 6 of section 143.711 an agreement for an extension of the period for assessment of income taxes is made within the period prescribed in subsection 1 of this section for the filing of a claim for credit or refund, the period for filing a claim for credit or for making a credit or refund if no claim is filed, shall not expire prior to six months after the expiration of the period within which an assessment may be made pursuant to the agreement or any extension thereof. The amount of such credit or refund shall not exceed the portion of the tax paid after the execution of the agreement and before the filing of the claim or the making of the credit or refund, as the case may be, plus the portion of the tax paid within the period which would be applicable under subsection 1 of this section if a claim had been filed on the date the agreement was executed.

4. If a taxpayer is required by section 143.601 to report a change or correction in federal taxable income reported on his federal income tax return, or to report a change or correction which is treated in the same manner as if it were an overpayment for federal income tax purposes, an amended return or a claim for credit or refund of any resulting overpayment of tax shall be filed by the taxpayer within one year from the time the notice of such change or correction or such amended return was required to be filed with the director of revenue. If the report or amended return required by section 143.601 is not filed within the ninety-day period therein specified, interest on any resulting refund or credit shall cease to accrue after such ninetieth day. The amount of such credit or refund shall not exceed the amount of the reduction in tax attributable to:

(1) The issues on which such federal change or correction or the items amended on the taxpayer's amended federal income tax return are based[.]; and

(2) Any change in the amount of [his] the taxpayer's federal income tax deduction under the provisions of subsection 1 of section 143.171. No effect shall be given in the preceding sentence to any federal change or correction or to any item on an amended return unless it is timely under the applicable federal period of limitations. The time and amount provisions of this subsection shall be in lieu of any other provisions of this section. This subsection shall not affect the time within which or the amount for which a claim for credit or refund may be filed apart from this subsection.

5. If the claim for credit or refund relates to an overpayment of tax on account of the deductibility by the taxpayer of a debt as a debt which became worthless or a loss from worthlessness of a security or the effect that the deductibility of a debt or of a loss has on the application to the taxpayer of a carryover, the claim may be made, under regulations prescribed by the director of revenue within seven years from the date prescribed by law for filing the return for the year with respect to which the claim is made.

6. If the claim for credit or refund relates to an overpayment attributable to a net operating loss carryback or a capital loss carryback, in lieu of the three-year period of limitations prescribed in subsection 1 of this section, the period shall be that period which ends with the expiration of the fifteenth day of the fortieth month (or the thirty-ninth month, in the case of a corporation) following the end of the taxable year of the net operating loss or net capital loss which results in such carryback, or the period prescribed in subsection 3 of this section in respect of such taxable year,

whichever expires later. In the case of such a claim, the amount of the credit or refund may exceed the portion of the taxpaid within the period provided in subsections 2, 3 and 4 of this section, whichever is applicable, to the extent of the amount of the overpayment attributable to such carryback.

7. (1) No period of limitations provided in subsections 1 to 6 of this section shall apply if a taxpayer amends, or the federal Internal Revenue Service or its successor agency changes the taxpayer's federal income tax return for the same tax period and:

(a) Such amendment or change occurs after any period of limitations provided in subsections 1 to 6 of this section has expired;

(b) Such amendment or change reveals that the taxpayer is eligible to claim a credit or refund of an overpayment of any tax imposed under this chapter; and

(c) A period of limitations provided in subsections 1 to 6 of this section prohibits the taxpayer from claiming such credit or refund.

(2) If the taxpayer files a claim for such credit or refund, the claim shall be filed in the manner provided in this chapter and shall be filed within one year from the time the taxpayer amends or the federal Internal Revenue Service changes the taxpayer's federal income tax return."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

"205.205. 1. The governing body of any hospital district established under sections 205.160 to 205.379 in any county of the third classification without a township form of government and with more than ten thousand six hundred but fewer than ten thousand seven hundred inhabitants, [or] any county of the third classification without a township form of government and with more than eleven thousand seven hundred fifty but fewer than eleven thousand eight hundred fifty inhabitants, **or any county of the third classification with a township form of government and with more than twelve thousand but fewer than fourteen thousand inhabitants and with a city of the fourth classification with more than four thousand five hundred but fewer than five thousand inhabitants as the county seat** may, by resolution, abolish the property tax authorized in such district under this chapter and impose a sales tax on all retail sales made within the district which are subject to sales tax under chapter 144 and all sales of metered water services, electricity, electrical current and natural, artificial or propane gas, wood, coal, or home heating oil for domestic use only as provided under section 144.032. The tax authorized in this section shall be not more than one percent, and shall be imposed solely for the purpose of funding the hospital district. The tax authorized in this section shall be in addition to all other sales taxes imposed by law, and shall be stated separately from all other charges and taxes.

2. No such resolution adopted under this section shall become effective unless the governing body of the hospital district submits to the voters residing within the district at a state general, primary, or special election a proposal to authorize the governing body of the district to impose a tax under this section. If a majority of the votes cast on the question by the qualified voters voting thereon are in favor of the question, then the tax shall become effective on the first day of the second calendar quarter after the director of revenue receives notification of adoption of the local sales tax. If a majority of the votes cast on the question by the qualified voters voting thereon are opposed to the question, then the tax shall not become effective unless and until the question is resubmitted under this section to the qualified voters and such question is approved by a majority of the qualified voters voting on the question.

3. All revenue collected under this section by the director of the department of revenue on behalf of the hospital district, except for one percent for the cost of collection which shall be deposited in the state's general revenue fund, shall be deposited in a special trust fund, which is hereby created and shall be known as the "Hospital District Sales Tax Fund", and shall be used solely for the designated purposes. Moneys in the fund shall not be deemed to be state funds, and shall not be commingled with any funds of the state. The director may make refunds from the amounts in the fund and credited to the district for erroneous payments and overpayments made, and may redeem dishonored checks and drafts deposited to the credit of such district. Any funds in the special fund which are not needed for current expenditures shall be invested in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the fund.

4. The governing body of any hospital district that has adopted the sales tax authorized in this section may submit the question of repeal of the tax to the voters on any date available for elections for the district. If a majority of the votes cast on the question by the qualified voters voting thereon are in favor of the repeal, that repeal shall become effective on December thirty-first of the calendar year in which such repeal was approved. If a majority of the votes cast on the question by the qualified voters voting thereon are opposed to the repeal, then the sales tax authorized in this section shall remain effective until the question is resubmitted under this section to the qualified voters and the repeal is approved by a majority of the qualified voters voting on the question.

5.
