

HB 221 -- CAMPAIGN CONTRIBUTION DISCLOSURES

SPONSOR: Rowden

This bill requires individuals, committees, and statewide elected officials or legislators who are required to file financial disclosure reports with the Missouri Ethics Commission to electronically file an additional report with the commission similar in content to the report required under Section 130.041, RSMo, within 48 hours of receiving a donation by any single contributor over specified amounts.

An individual or committee must file the report upon receiving a contribution that exceeds \$5,000, and a statewide elected official or legislator or a candidate for those offices must file the report upon receiving a contribution that exceeds \$500.
