

HB 310 -- HELMET REQUIREMENTS FOR MOTORCYCLISTS AND PASSENGERS

SPONSOR: Roden

Currently any individual operating or riding as a passenger on a motorcycle or motortricycle must wear a helmet. This bill modifies the current law to allow a licensed motorcyclist and passenger who is 18 years of age or older to ride a motorcycle or motortricycle without a helmet unless the individual operating the motorcycle or motortricycle only has an instruction permit.
