

HB 589 -- MISSOURI MEDICAID AUDIT AND COMPLIANCE

SPONSOR: Hough

This bill specifies that if Missouri Medicaid audit and compliance changes any interpretation or application of the requirements for reimbursement for MO HealthNet services from the interpretation or application that has been applied previously by the state in any audit of a MO HealthNet provider, Missouri Medicaid audit and compliance must notify all affected MO HealthNet providers before the change takes affect. Failure of the Missouri Medicaid audit and compliance to notify a provider of the change entitles the provider to continue to receive and retain reimbursement until notification is provided and waives any liability of the provider for recoupment or other loss of any payments previously made prior to the date of the notice. The notification required must be delivered by the United States Postal Service or electronic mail to each facility.
