32 **(2) When conducting a concurrent application review, the state licensing authority**
33 **may advise the local licensing authority of any items that it finds that may result in the**

25 submitted with the application.

26 **5. After approval of an application for local licensure, the local licensing authority**

7 **the thirty license statewide limit for medical cannabis centers.**

8 **(2) Licenses shall be geographically disbursed by the division, in consultation with**
9 **the department of health and senior services, based on the demographics of the state and**

23 **made by the division or a court of competent jurisdiction.**

24 **(c) All bonds required under this subdivision shall be renewed at such time as the**
25 **bondholder's license is renewed. The renewal may be accomplished through a**

40 **to 195.985, each licensing authority shall consider the effect on competition of granting or**
41 **denying the additional licenses to such licensee and shall not approve an application for a**

43 **8. (1) Each license issued under sections 195.900 to 195.985 is separate and distinct.**

53 **The licensee shall conspicuously display the license at all times on the licensed premises.**

54 **(2) A local licensing authority shall not transfer location of or renew a license to sell**
55 **medical cannabis until the applicant for the license produces a license issued and granted**
56 **by the state licensing authority covering the whole period for which a license or license**
57 **renewal is sought.**

58 **10. In computing any period of time prescribed by sections 195.900 to 195.985, the**
59 **day of the act, event, or default from which the designated period of time begins to run**
60 **shall not be included. Saturdays, Sundays, and legal holidays shall be counted as any other**
61 **day.**

62 **11. A licensee shall report each transfer or change of financial interest in the license**
63 **to the division and the local licensing authority thirty days prior to any transfer or change**

69 **manager to the division and local licensing authority thirty days prior to such change.**

70 **13. (1) A licensee may move his or her permanent location to any other place in the**
71 **same municipality for which the license was originally granted, or in the same county if the**
72 **license was granted for a place outside the corporate limits of a municipality, but it shall**
73 **be unlawful to cultivate, manufacture, distribute, or sell medical cannabis at any such place**
74 **until permission to do so is granted by the division and the local licensing authority**
75 **provided for in sections 195.900 to 195.985.**

76 **(2) In permitting a change of location, the division and the local licensing authority**
77 **shall consider all reasonable restrictions that are or may be placed upon the new location**
78 **by the governing body or local licensing authority of the municipality or county; any such**
79 **change in location shall be in accordance with all requirements of sections 195.900 to**

12 authority, in its discretion, subject to the requirements of this section and based upon
13 reasonable grounds, may waive the forty-five-day or thirty-day time requirements set forth
14 in this subsection. The local licensing authority may hold a hearing on the application for
15 renewal only if the licensee has had complaints filed against it, has a history of violations,
16 or there are allegations against the licensee that constitute good cause.

17 (2) The local licensing authority shall not hold a renewal hearing provided for by
18 this subsection for a medical cannabis center until it has posted a notice of hearing on the
19 licensed medical cannabis center premises in the manner described in section 195.912 for
20 a period of ten days and provided notice to the applicant at least ten days prior to the
21 hearing. The local licensing authority may refuse to renew any license for good cause,
22 subject to judicial review.

23 2. (1) Notwithstanding the provisions of subsection 1 of this section, a licensee
24 whose license has been expired for not more than ninety days may file a late renewal
25 application upon the payment of a nonrefundable late application fee of five hundred
26 dollars to the local licensing authority. A licensee who files a late renewal application and

28 authorities have taken final action to approve or deny the licensee's late renewal
29 application.

30 (2) The state and local licensing authorities shall not accept a late renewal
31 application more than ninety days after the expiration of a licensee's permanent annual
32 license. A licensee whose permanent annual license has been expired for more than ninety
33 days shall not cultivate, manufacture, distribute, or sell any medical cannabis until all
34 required licenses have been obtained.

49 cannabis concentrate produced using butane, propane, ethanol, isopropanol, acetone, or
50 heptane shall still be submitted for a residual solvent contaminant test.

2 195.985 or rules promulgated under sections 195.900 to 195.985, the division or a local
3 licensing authority has the power, on its own motion or on complaint, after investigation
4 and opportunity for a public hearing at which the licensee shall be afforded an opportunity
5 to be heard, to suspend or revoke a license issued by the respective authority for a violation
6 by the licensee or by any of the agents or employees of the licensee of the provisions of
7 sections 195.900 to 195.985, or any of the rules promulgated under sections 195.900 to
8 195.985, or of any of the terms, conditions, or provisions of the license issued by the
9 division or local licensing authority. The division or a local licensing authority has the
10 power to administer oaths and issue subpoenas to require the presence of persons and the
11 production of papers, books, and records necessary to the determination of a hearing that
12 the division or local licensing authority is authorized to conduct.

13 2. The division or local licensing authority shall provide notice of suspension,
14 revocation, fine, or other sanction, as well as the required notice of the hearing under
15 subsection 1 of this section by mailing the same in writing to the licensee at the address
16 contained in the license. Except in the case of a summary suspension under section
17 195.984, a suspension shall not be for a longer period than six months. If a license is
18 suspended or revoked, a part of the fees paid therefore shall not be returned to the licensee.

19 Any license or permit may be summarily suspended by the issuing licensing authority
20 without notice, pending any prosecution, investigation, or public hearing under the terms
21 of section 195.984. Nothing in this section shall prevent the summary suspension of a
22 license under section 195.984. Each patient registered with a medical cannabis center that
23 has had its license summarily suspended may immediately transfer his or her primary
24 center to another licensed medical cannabis center.

25 3. (1) Whenever a decision of the division or a local licensing authority suspending
26 a license for fourteen days or less becomes final, the licensee may, before the operative date
27 of the suspension, petition for permission to pay a fine in lieu of having the license
28 suspended for all or part of the suspension period. Upon the receipt of the petition, the
29 division or local licensing authority may, in its sole discretion, stay the proposed suspension
30 and cause any investigation to be made which it deems desirable and may, in its sole
31 discretion, grant the petition if the division or local licensing authority is satisfied that:

32 (a) The public welfare and morals shall not be impaired by permitting the licensee
33 to operate during the period set for suspension and that the payment of the fine shall
34 achieve the desired disciplinary purposes;

35 (b) The books and records of the licensee are kept in such a manner that the loss
36 of sales that the licensee would have suffered had the suspension gone into effect may be
37 determined with reasonable accuracy; and

38 (c) The licensee has not had his or her license suspended or revoked, nor had any
39 suspension stayed by payment of a fine, during the two years immediately preceding the
40 date of the motion or complaint that resulted in a final decision to suspend the license or
41 permit.

42 (2) The fine accepted shall be not less than five hundred dollars nor more than one
43 hundred thousand dollars.

44 (3) Payment of a fine under the provisions of this subsection shall be in the form
45 of cash or in the form of a certified check or cashier's check made payable to the division
46 or local licensing authority, whichever is appropriate.

47 4. Upon payment of the fine under subsection 3 of this section, the division or local
48 licensing authority shall enter its further order permanently staying the imposition of the
49 suspension. If the fine is paid to a local licensing authority, the governing body of the
50 authority shall cause the moneys to be paid into the general fund of the local licensing
51 authority. Fines paid to the division under subsection 3 of this section shall be transmitted
52 to the state treasurer who shall credit the same to the medical cannabis license cash fund
53 created in section 195.963.

54 **5. In connection with a petition under subsection 3 of this section, the authority of**
55 **the division or local licensing authority is limited to the granting of such stays as are**
56 **necessary for the authority to complete its investigation and make its findings and, if the**
57 **authority makes such findings, to the granting of an order permanently staying the**
58 **imposition of the entire suspension or that portion of the suspension not otherwise**
59 **conditionally stayed.**

60 **6. If the division or local licensing authority does not make the findings required**
61 **in subdivision (1) of subsection 3 of this section and does not order the suspension**
62 **permanently stayed, the suspension shall go into effect on the operative date finally set by**
63 **the division or local licensing authority.**

64 **7. Each local licensing authority shall report all actions taken to impose fines,**
65 **suspensions, and revocations to the division in a manner required by the division. No later**
66 **than January fifteenth of each year, the division shall compile a report of the preceding**
67 **year's actions in which fines, suspensions, or revocations were imposed by local licensing**
68 **authorities and by the division. The division shall file one copy of the report with the chief**
69 **clerk of the house of representatives, one copy with the secretary of the senate, and six**
70 **copies in the legislative library.**

195.975. 1. Each licensee shall keep a complete set of all records necessary to show
2 **fully the business transactions of the licensee, all of which shall be open at all times during**
3 **business hours for the inspection and examination of the division or its duly authorized**
4 **representatives. The division may require any licensee to furnish such information as it**
5 **considers necessary for the proper administration of this section and may require an audit**
6 **to be made of the books of account and records on such occasions as it may consider**
7 **necessary by an auditor to be selected by the division who shall likewise have access to all**
8 **books and records of the licensee, and the expense thereof shall be paid by the licensee.**

9 **2. The licensed premises, including any places of storage where medical cannabis**
10 **is grown, stored, cultivated, sold, or dispensed, shall be subject to inspection by the division**
11 **or local licensing authorities and their investigators, during all business hours and other**
12 **times of apparent activity, for the purpose of inspection or investigation. For examination**
13 **of any inventory or books and records required to be kept by the licensees, access shall be**
14 **required during business hours. Where any part of the licensed premises consists of a**
15 **locked area, upon demand to the licensee, such area shall be made available for inspection**
16 **without delay, and, upon request by authorized representatives of the division or local**
17 **licensing authority, the licensee shall open the area for inspection.**

18 **3. Each licensee shall retain all books and records necessary to show fully the**
19 **business transactions of the licensee for a period of the current tax year and the three**
20 **immediately prior tax years.**

21 **195.985 or to a person not able to produce a valid patient registry identification card.**
22 **Notwithstanding any provision in this paragraph to the contrary, a person under**
23 **twenty-one years of age shall not be employed to sell or dispense medical cannabis at a**
24 **medical cannabis center or grow or cultivate medical cannabis at a medical cannabis**
25 **cultivation and production facility.**

26 **(b) If a licensee or a licensee's employee has reasonable cause to believe that a**
27 **person is exhibiting a fraudulent patient registry identification card in an attempt to obtain**
28 **medical cannabis, the licensee or employee shall be authorized to confiscate the fraudulent**
29 **patient registry identification card, if possible, and shall, within seventy-two hours after**
30 **the confiscation, turn it over to the department of health and senior services or local law**
31 **enforcement agency. The failure to confiscate the fraudulent patient registry identification**
32 **card or to turn it over to the department or a state or local law enforcement agency within**
33 **seventy-two hours after the confiscation shall not constitute a criminal offense;**

34 **(4) To offer for sale or solicit an order for medical cannabis in person except within**
