Be it enacted by the General Assembly of the state of Missouri, as follows:

Section A. Section 86.207, RSMo, is repealed and one new section enacted in lieu thereof, to be known as section 86.207, to read as follows:

86.207. 1. Except as provided herein, all persons who become policemen and all policemen who enter or reenter the service of any city not within a county after the first day of October, 1957, become members as a condition of their employment and shall receive no pensions or retirement allowance from any other pension or retirement system supported wholly or in part by the city not within a county or the state of Missouri, nor shall they be required to make contributions under any other pension or retirement system of the city not within a county or the state of Missouri for the same period of service, anything to the contrary notwithstanding. Any employee of a city not within a county who is earning creditable service in a retirement plan established by said city under section 95.540 and subsequently becomes a policeman may elect to remain a member of said retirement plan and shall not be required to become a member of a police retirement system established under [section] **sections 86.200 to 86.366**. However, an employee of a city not within a county who is earning creditable service in a retirement plan established by said city under section 95.540 and who subsequently becomes a policeman may elect to transfer membership and creditable service to the police retirement system created under [section] **sections 86.200 to 86.366**. Such transfers are subject to the conditions and requirements contained in section 105.691 and are also subject to any existing agreements between the said retirement plans; provided however, transfers completed prior to January 1,

18 [2016] **2017**, shall occur without regard to the vesting requirements of the receiving plan
19 contained in section 105.691. As part of the transfer process described herein, the respective
20 retirement plans may require the employee to acknowledge and agree as a condition of transfer
21 that any election made under this section is irrevocable, constitutes a waiver of any right to
22 receive retirement and disability benefits except as provided by the police retirement system, and
23 that plan terms may be modified in the future.

24 2. If any member ceases to be in service for more than one year unless the member has
25 attained the age of fifty-five or has twenty years or more of creditable service, or if the member
26 withdraws the member's accumulated contributions or if the member receives benefits under the
27 retirement system or dies, the member thereupon ceases to be a member; except in the case of
28 a member who has served in the Armed Forces of the United States and has subsequently been
29 reinstated as a policeman. A member who has terminated employment as a police officer, has
30 actually retired and is receiving retirement benefits under the system shall be considered a retired
31 member.

32 3. A reserve officer shall not be considered a member of the system for the purpose of
33 determining creditable service, nor shall any contributions be due. A reserve officer shall not
34 be entitled to any benefits from the system other than those awarded when the reserve officer
35 originally retired under section 86.250, nor shall service as a reserve officer prohibit distribution
36 of those benefits.
