

JOURNAL OF THE HOUSE

Second Regular Session, 98th GENERAL ASSEMBLY

TWENTY-FIRST DAY, THURSDAY, FEBRUARY 11, 2016

The House met pursuant to adjournment.

Speaker Richardson in the Chair.

Prayer by Msgr. Robert A. Kurwicki, Chaplain.

Our sufficiency is from God. (II Corinthians 3:5)

Eternal Lord of our hearts, whose grace makes us sufficient for every task and whose strength holds us steady as we live through troubled moments, speak Your words to us this day and make Your will known that we may now and always walk along the paths of righteousness, justice and love in the People's House.

Powerfully unite us that we may continue to seek the release of the captives of distrust, give light to those who sit in darkness of hatred, bridge the gulf, which separates our people, and support every endeavor, which creates and maintains understanding and good will in the life of our beloved Missouri on this St. Valentine's weekend.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Anne Prince, Camryn Scheets, Chandra Hubbs, Renae Clark, Sydney Kidwell, Jonathan Shiflett, and Carissa Gooch.

The Journal of the twentieth day was approved as printed.

House Committee Amendment No. 1

AMEND House Bill No. 1912, Page 2, Section 49.440, Line 5, by inserting the following after all of said line:

"50.660. 1. All contracts shall be executed in the name of the county, or in the name of a township in a county with a township form of government, by the head of the department or officer concerned, except contracts for the purchase of supplies, materials, equipment or services other than personal made by the officer in charge of purchasing in any county or township having the officer. No contract or order **in excess of ten thousand dollars** imposing any financial obligation on the county or township is binding on the county or township unless it is in writing and unless there is a balance otherwise unencumbered to the credit of the appropriation to which it is to be charged and a cash balance otherwise unencumbered in the treasury to the credit of the fund from which payment is to be made, each sufficient to meet the obligation incurred and unless the contract or order **in excess of ten thousand dollars** bears the certification of the accounting officer so stating; except that in case of any contract for public works or buildings to be paid for from bond funds or from taxes levied for the purpose it is sufficient for the accounting officer to certify that the bonds or taxes have been authorized by vote of the people and that there is a sufficient unencumbered amount of the bonds yet to be sold or of the taxes levied and yet to be collected to meet the obligation in case there is not a sufficient unencumbered cash balance in the treasury. All contracts and purchases shall be let to the lowest and best bidder after due opportunity for competition, including advertising the proposed letting in a newspaper in the county or township with a circulation of at least five hundred copies per issue, if there is one, except that the advertising is not required in case of contracts or purchases involving an expenditure of less than [six] **ten** thousand dollars. It is not necessary to obtain bids on any purchase in the amount of [four] **ten** thousand [five hundred] dollars or less made from any one person, firm or corporation during any [period of ninety days] **fiscal year** or, if the county is any county of the first classification with more than one hundred fifty thousand but fewer than two hundred thousand inhabitants or any county of the first classification with more than two hundred sixty thousand but fewer than three hundred thousand inhabitants, it is not necessary to obtain bids on such purchases in the amount of six thousand dollars or less. All bids for any contract or purchase may be rejected and new bids advertised for. Contracts which provide that the person contracting with the county or township shall, during the term of the contract, furnish to the county or township at the price therein specified the supplies, materials, equipment or services other than personal therein described, in the quantities required, and from time to time as ordered by the officer in charge of purchasing during the term of the contract, need not bear the certification of the accounting officer, as herein provided; but all orders for supplies, materials, equipment or services other than personal shall bear the certification. In case of such contract, no financial obligation accrues against the county or township until the supplies, materials, equipment or services other than personal are so ordered and the certificate furnished.

2. Notwithstanding the provisions of subsection 1 of this section to the contrary, advertising shall not be required in any county in the case of contracts or purchases involving an expenditure of less than [six] **ten** thousand dollars.

50.783. 1. The county commission may waive the requirement of competitive bids or proposals for supplies when the commission has determined in writing and entered into the commission minutes that there is only a single feasible source for the supplies. Immediately upon discovering that other feasible sources exist, the

commission shall rescind the waiver and proceed to procure the supplies through the competitive processes as described in this chapter. A single feasible source exists when:

(1) Supplies are proprietary and only available from the manufacturer or a single distributor; or
(2) Based on past procurement experience, it is determined that only one distributor services the region in which the supplies are needed; or

(3) Supplies are available at a discount from a single distributor for a limited period of time.

2. On any single feasible source purchase where the estimated expenditure is [three] **more than five thousand dollars but less than ten** thousand dollars [or over], the commission shall post notice of the proposed purchase. Where the estimated expenditure is [five] **ten** thousand dollars or over, the commission shall also advertise the commission's intent to make such purchase in at least one daily and one weekly newspaper of general circulation in such places as are most likely to reach prospective bidders or offerors and may provide such information through an electronic medium available to the general public at least ten days before the contract is to be let.

3. Notwithstanding subsection 2 of this section to the contrary, on any single feasible service purchase by any county of the first classification with more than one hundred fifty thousand but fewer than two hundred thousand inhabitants or any county of the first classification with more than two hundred sixty thousand but fewer than three hundred thousand inhabitants where the estimated expenditure is six thousand dollars or over, the commission shall post notice of the proposed purchase and advertise the commission's intent to make such purchase in at least one daily and one weekly newspaper of general circulation in such places as are most likely to reach prospective bidders or offerors and may provide such information through an electronic medium available to the general public at least ten days before the contract is to be let.

50.790. It shall hereafter be unlawful for the commissioners of the county commission of any county of this state to which sections 50.760 to 50.790 apply to draw, or authorize the drawing of, any check or county warrant, or other order for the payment of money for any supplies for any county officer for which an order or requisition has not first been obtained as in sections 50.760 to 50.790 required. Whosoever shall violate the provisions of this law shall be deemed guilty of [a misdemeanor] **an infraction** and upon conviction thereof shall be punished by a fine of not [less than fifty dollars nor more than one thousand] **more than one hundred** dollars, or by imprisonment in the county jail for a term of not less than thirty days nor more than one year, or by both such fine and imprisonment; provided, that if any such commissioner shall be absent at the time, or shall cause his protest against such action to be entered in the minutes of the commission, when any violation of this law is ordered by the other commissioners of such commission, he shall not be deemed to have violated the provisions of this law.

55.161. In addition to all other duties imposed upon the county auditor in counties of the first class not having a charter form of government and in counties of the second class, [he] **the auditor** shall have the following duties:

(1) **He or she** shall audit, examine and adjust all accounts of county officials and courts operating in such counties where there is an accumulation of moneys, taxes, fees, fines and miscellaneous public funds received from any and all sources by county officials and courts operating in such counties, and which are accumulated and intended for public purposes other than the general administrative functions of the county, provided that such extra duty of accounting is to be performed in the same manner as is now by statute prescribed for the general county administrative business. **He or she** shall also audit moneys and funds belonging to any levee district organized and operating in such county, moneys to be disbursed to school districts organized and operating in such county, and moneys to be disbursed in the county for library, hospital, recreation, public health and civil defense purposes;

(2) **He or she** shall prepare a statement of the estimated revenues of the county, classified as to funds and sources, and shall furnish the budget officer of the county with an itemized list of county expenditures for as many previous fiscal years as may be deemed proper for enabling the budget officer to arrive at a reasonable estimate of the anticipated revenues and the necessary expenses of the county in the preparation of the county budget;

(3) [He shall countersign, on behalf of the county, all licenses issued for the sale of intoxicating liquor and shall keep in a readily accessible form a record of all such county licenses issued; and

(4) In counties of the second [class] **classification** only, **he or she** shall serve as a member of the county board of equalization.

64.875. The regulations imposed and the districts created under authority of sections 64.845 to 64.880 may be amended from time to time by the county commission by order after the order establishing the same has gone into effect but no amendments shall be made by the county commission except after recommendation of the county planning commission, or if there be no county planning commission, of the county zoning commission, after hearings thereon by the **county** commission. Public notice of the hearings shall be given in the same manner as provided for the hearing in section 64.815. In case of written protest against any proposed change or amendment, signed and acknowledged by the owners of thirty percent of the frontage within one thousand feet to the right or left of the frontage proposed to be changed, or by the owners of thirty percent of the frontage directly opposite, or directly in the rear of the frontage proposed to be altered, or in cases where the land affected lies within one and one-half miles of the corporate limits of a municipality having in effect ordinances zoning property within the corporate limits of a municipality, made by resolution of the city council or board of trustees thereof, and filed with the county clerk, the amendment may not be passed except by the favorable vote of two-thirds of all the members of the county commission.

139.031. 1. Any taxpayer may protest all or any part of any current taxes assessed against the taxpayer, except taxes collected by the director of revenue of Missouri. Any such taxpayer desiring to pay any current taxes under protest or while paying taxes based upon a disputed assessment shall, at the time of paying such taxes, make full payment of the current tax bill before the delinquency date and file with the collector a written statement setting forth the grounds on which the protest is based. The statement shall include the true value in money claimed by the taxpayer if disputed. An appeal before the state tax commission shall not be dismissed on the grounds that a taxpayer failed to file a written statement when paying taxes based upon a disputed assessment.

2. Upon receiving payment of current taxes under protest pursuant to subsection 1 of this section or upon receiving from the state tax commission or the circuit court notice of an appeal from the state tax commission or the circuit court pursuant to section 138.430, along with full payment of the current tax bill before the delinquency date, the collector shall disburse to the proper official all portions of taxes not protested or not disputed by the taxpayer and shall impound in a separate fund all portions of such taxes which are protested or in dispute. Every taxpayer protesting the payment of current taxes under subsection 1 of this section shall, within ninety days after filing his protest, commence an action against the collector by filing a petition for the recovery of the amount protested in the circuit court of the county in which the collector maintains his office. If any taxpayer so protesting his taxes under subsection 1 of this section shall fail to commence an action in the circuit court for the recovery of the taxes protested within the time prescribed in this subsection, such protest shall become null and void and of no effect, and the collector shall then disburse to the proper official the taxes impounded, and any interest earned thereon, as provided above in this subsection.

3. No action against the collector shall be commenced by any taxpayer who has, effective for the current tax year, filed with the state tax commission or the circuit court a timely and proper appeal of the assessment of the taxpayer's property. The portion of taxes in dispute from an appeal of an assessment shall be impounded in a separate fund and the commission in its decision and order issued pursuant to chapter 138 or the circuit court in its judgment may order all or any part of such taxes refunded to the taxpayer, or may authorize the collector to release and disburse all or any part of such taxes.

4. Trial of the action for recovery of taxes protested under subsection 1 of this section in the circuit court shall be in the manner prescribed for nonjury civil proceedings, and, after determination of the issues, the court shall make such orders as may be just and equitable to refund to the taxpayer all or any part of the current taxes paid under protest, together with any interest earned thereon, or to authorize the collector to release and disburse all or any part of the impounded taxes, and any interest earned thereon, to the appropriate officials of the taxing authorities. Either party to the proceedings may appeal the determination of the circuit court.

5. All the county collectors of taxes, and the collector of taxes in any city not within a county, shall, upon written application of a taxpayer, refund or credit against the taxpayer's tax liability in the following taxable year and subsequent consecutive taxable years until the taxpayer has received credit in full for any real or personal property tax mistakenly or erroneously levied against the taxpayer and collected in whole or in part by the collector. Such application shall be filed within three years after the tax is mistakenly or erroneously paid. The governing body, or other appropriate body or official of the county or city not within a county, shall make available to the collector funds necessary to make refunds under this subsection by issuing warrants upon the fund to which the mistaken or erroneous payment has been credited, or otherwise. **No refund or credit shall be issued by any county collector or any collector of taxes in any city not within a county unless a determination has first been made by the applicable county commission, board of equalization, or court of competent jurisdiction that the taxes in question were erroneously or mistakenly paid.**

6. No taxpayer shall receive any interest on any money paid in by the taxpayer erroneously.

7. All protested taxes impounded under protest under subsection 1 of this section and all disputed taxes impounded under notice as required by section 138.430 shall be invested by the collector in the same manner as assets specified in section 30.260 for investment of state moneys. A taxpayer who is entitled to a refund of protested or disputed taxes shall also receive the interest earned on the investment thereof. If the collector is ordered to release and disburse all or part of the taxes paid under protest or dispute to the proper official, such taxes shall be disbursed along with the proportional amount of interest earned on the investment of the taxes due the particular taxing authority.

8. Any taxing authority may request to be notified by the county collector of current taxes paid under protest. Such request shall be in writing and submitted on or before February first next following the delinquent date of current taxes paid under protest or disputed, and the county collector shall provide such information on or before March first of the same year to the requesting taxing authority of the taxes paid under protest and disputed taxes which would be received by such taxing authority if the funds were not the subject of a protest or dispute. Any taxing authority may apply to the circuit court of the county or city not within a county in which a collector has impounded protested or disputed taxes under this section and, upon a satisfactory showing that such taxing authority would receive such impounded tax funds if they were not the subject of a protest or dispute and that such taxing authority has the financial ability and legal capacity to repay such impounded tax funds in the event a decision ordering a refund to the taxpayer is subsequently made, the circuit court shall order, *pendente lite*, the disbursement of all or any part of such impounded tax funds to such taxing authority. The circuit court issuing an order under this subsection shall retain jurisdiction of such matter for further proceedings, if any, to compel restitution of such tax funds to the taxpayer. In the event that any protested or disputed tax funds refunded to a taxpayer were disbursed to a taxing authority under this subsection instead of being held and invested by the collector under subsection 7 of this section, such taxing authority shall pay the taxpayer entitled to the refund of such protested or disputed taxes the same amount of interest, as determined by the circuit court having jurisdiction in the matter, such protested or disputed taxes would have earned if they had been held and invested by the collector.

9. No appeal filed from the circuit court's or state tax commission's determination pertaining to the amount of refund shall stay any order of refund, but the decision filed by any court of last review modifying that determination shall be binding on the parties, and the decision rendered shall be complied with by the party affected by any modification within ninety days of the date of such decision. No taxpayer shall receive any interest on any additional award of refund, and the collector shall not receive any interest on any ordered return of refund in whole or in part."; and
