

JOURNAL OF THE HOUSE

Second Regular Session, 98th GENERAL ASSEMBLY

FORTY-THIRD DAY, TUESDAY, MARCH 29, 2016

The House met pursuant to adjournment.

Speaker Richardson in the Chair.

Prayer by Representative Ken Wilson.

Father, we stand to join our hearts in prayer in our acknowledgement of our great need of Your guidance in our lives. May Your grace be upon our Speaker, our leaders, and with the visitors with us today. As we begin our new work week, as we express our ideas and as we listen to the ideas of those who differ with us, may we be humble enough to think about what is Your way, Your idea and be guided by Your Holy Spirit to embrace it and by doing so we discover the secret of harmony.

As we begin this new week, we give You thanks for good weather and the promises of spring. We thank You for one another, and we pray for one another. We pray for those among us that are dealing with an illness, we ask for healing. For those that are rejoicing we thank You for their joy. Some are discouraged, we offer our friendship; some are in turmoil, we pray for Your calm in their lives; some are grieving, grant them Your loving comfort.

We pray that Your Spirit will direct our minds and our thinking, that our thoughts and actions may merit Your blessing.

Hear our prayer, Father, and grant to us Your guidance, we pray.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Georgia Atkins and Juni Ross.

The Journal of the forty-first day was approved as printed.

The Journal of the forty-second day was approved as printed.

MESSAGES FROM THE SENATE

Mr. Speaker: I am instructed by the Senate to inform the House of Representatives that the Senate has taken up and adopted the Conference Committee Report on **SS SCS HB 1983** and has taken up and passed **CCS SS SCS HB 1983**.

MESSAGE FROM THE GOVERNOR

March 18, 2016

TO THE CHIEF CLERK OF THE
HOUSE OF REPRESENTATIVES
98th GENERAL ASSEMBLY
SECOND REGULAR SESSION
STATE OF MISSOURI

Herewith I return to you **Senate Substitute for House Committee Substitute for House Bill No. 1891** (House Bill No. 1891) entitled:

AN ACT

To amend chapter 105, RSMo, by adding thereto one new section relating to labor organizations.

I disapprove of House Bill No. 1891. My reasons for disapproval are as follows:

Like a similar bill that I vetoed in 2013, House Bill No. 1891 would require public employees to reauthorize every year the deduction for “public labor organization”¹ dues or fees from their paychecks. In addition to placing this unnecessary burden on public employees, the legislation would also impose additional bureaucratic paperwork on public employers that will serve only to waste taxpayer money and inject needless inefficiencies in the operations of those employers. While the legislation purports to protect public employees, House Bill No. 1891 actually does just the opposite by burdening both employees and employers for the clear purpose of undermining “public labor organizations.”

A state employee is authorized under existing law to have amounts deducted from their paycheck for a variety of purposes including donations to charitable organizations, contributions to a qualified state tuition program, and payments to deferred compensation plans. Section 33.103, RSMo. That same provision allows for the deduction of “the amount necessary for each employee’s...collective bargaining dues....” In addition, section 168.300, RSMo, contains a similar provision applicable to employees of school districts, such as teachers. Under any of these circumstances, the deduction occurs only if the employee agrees to such deduction, and the deduction may be terminated at any time by the employee.

Notwithstanding the safeguards already found in the law, House Bill No. 1891 would erect new impediments directed solely at “public labor organizations” by requiring both employees and employers to take steps every year to continue those deductions. Adding these unnecessary burdens serves no purpose other than to curb the efforts of “public labor organizations.” The animus towards those organizations underlying this legislation is clear. Indeed, House Bill No. 1891 is singularly directed at “public labor organizations” and makes no effort to require any additional conditions or reauthorizations relating to any other payroll deductions.

And while the proponents contend that these unnecessary burdens are needed for the “protection” of public employees, the legislation inexplicably exempts first responder public employees from the yearly authorization requirements. That the legislation picks and chooses who to “protect” based on political calculations rather than a rational basis demonstrates that its purported “protections” are merely pretext for interfering with “public labor organizations.”

The General Assembly’s intrusion into the efforts of these labor organizations is not limited to the filing of superfluous paperwork. House Bill No. 1891 would require these groups to retain internal records for at least five years and would authorize lawsuits against these groups, exposing them to awards of damages, attorney’s fees, and court costs. This misguided approach creates new litigation opportunities directed at any “public labor organization” meeting the broad definition contained in the legislation. And, unlike the other provisions in the bill, first responder employee organizations would not be exempt and thus would be subject to these lawsuits.

House Bill No. 1891 would create an unnecessary bureaucratic process that would burden both public employees and their public entity employers and create new causes of actions against employee associations. This effort was wrong in 2013, is wrong today, and will not receive my approval.

In accordance with the above stated reasons for disapproval, I am returning **Senate Substitute for House Committee Substitute for House Bill No. 1891** without my approval.

¹ The term “public labor organization” is broadly defined in House Bill No. 1891 and would include not only unions but would also encompass other employee associations including the Missouri State Teachers Association, Missouri National Education Association, and Missouri Corrections Officers Association.

Respectfully submitted,

/s/ Jeremiah W. (Jay) Nixon
Governor
