

HB 2057 -- FIREARMS

SPONSOR: Bernskoetter

Under current law, an applicant for a concealed carry permit may be charged a fee that does not exceed \$100. This bill specifies that no additional fee may be charged, including any fee for fingerprinting or criminal background checks.

If a concealed carry permit expires while the permit holder is on active duty in the Armed Forces, active state duty, full-time national guard duty, or active duty with the National Guard, or the permit holder is incapacitated due to an injury incurred while in military service, then the permit may be renewed within two months of the permit holder's return to Missouri after discharge from duty or recovery from the incapacitation. Once the two-month period has expired, the provisions governing late renewals apply except the penalties begin to accrue upon the expiration of the two-month period rather than on the permit's expiration date. This renewal provision has an emergency clause.
