

HB 2110 -- PERSONAL FINANCE COURSE REQUIRED FOR HIGH SCHOOL  
GRADUATION

SPONSOR: Bernskoetter

This bill requires students of any public high school, including any charter high school, to complete a course on personal finance in order to receive a certificate of graduation. The course must solely cover topics on personal finance. A student cannot demonstrate proficiency in personal finance by passing a test or other means in lieu of completing the required course. This requirement does not apply to students who have completed the high school graduation requirements relating to personal finance under the rules that existed before the effective date of this bill.
