

HB 2173 -- EARNINGS TAX ON STADIUM

SPONSOR: Curtis

This bill prohibits the collection of an earnings tax on any activity related directly or indirectly to any convention center or sports complex in the City of St. Louis if a new sports complex receives public funds without a public vote. The Department of Revenue will commission a feasibility study on revenue sources alternative to the earnings tax for the city and deliver the results of the commission to the General Assembly within one year or within five days of the completion of the study.
