

HB 2266 -- VOLUNTEER FIRE DEPARTMENTS' WORKERS' COMPENSATION

SPONSOR: Ross

This bill allows volunteer fire protection associations to apply to the Division of Workers' Compensation for grants for the purpose of funding the workers' compensation insurance premiums for the association's volunteer firefighters.

Subject to appropriations, the division will disburse grants to each applying volunteer fire protection association according to the schedule specified in the bill. Grant money disbursed under this section must only be used for the purpose of paying for the workers' compensation insurance premiums for volunteer firefighters.

This bill is the same as SB 613 (2016).
