

HB 2340 -- MISSOURI RX PROGRAM

SPONSOR: Gosen

Beginning July 1, 2016, this bill establishes the Missouri Rx Card Program as the State Pharmaceutical Assistance Program in the Department of Social Services to provide discounts to eligible participants for drugs covered through a negotiated rebate agreement through a third party administrator as provided in the bill.

Missouri residents who are Medicare eligible or families with a net income below 300% of poverty level are eligible to participate in the program.
