

HB 2362 -- UNARMED SECURITY GUARDS ON GAMBLING BOATS

SPONSOR: Burlison

This bill provides that holders of an occupational license issued by the Missouri Gaming Commission to perform the duties of an unarmed security guard on an excursion gambling boat are exempt from the police commissioner of Kansas City's regulation powers over private security personnel, and any other political subdivision's licensing requirements for unarmed security guards.

This bill is similar to HCS HB 1154 (2015).
