

HB 2528 -- MISSOURI MANUAL

SPONSOR: Fraker

This bill changes the laws regarding the publication of the Missouri Manual, commonly known as the Blue Book. The bill requires the Secretary of State to publish 5,000 copies of the manual in addition to the required electronic version that must be accessible on the Secretary of State's official website. The manuals must be distributed to the members of the General Assembly; the state, judicial, and county officers; and every high school library within the state. Each member of the General Assembly must receive 10 volumes and the surplus volumes must be distributed throughout the state upon proper requests.

This bill is the same as HB 696 (2015).
