

HB 2582 -- STATE ENFORCEMENT OF FEDERAL REGULATIONS

SPONSOR: Moon

The purpose of this bill is to ensure that the powers reserved to this state under Amendment X of the Constitution of the United States are protected and to ensure that the federal government does not encroach on Missouri's status as an independent sovereign. No department or agency of this state shall enforce any rule or regulation promulgated by any federal agency within the borders of this state unless the enforcement of such regulation is approved by the General Assembly. Any new rule or regulation by a department or agency of this state in conjunction with the enforcement of any regulation promulgated by any federal agency will not be enforceable without approval by the General Assembly. Any existing rule or regulation will be subject to review by the committee on administrative rules and referred to the General Assembly for approval. No rule or regulation shall be enforceable unless and until it is approved by the General Assembly. Any citizen of this state may request the review of a specific rule or regulation.

This bill is similar to HB 215 (2015).
