

HB 2763 -- EXEMPTION OF PROPERTY IN BANKRUPTCY

SPONSOR: Walton Gray

Currently, in a Chapter 11 bankruptcy proceeding only property that is exempt from attachment and execution under statutory law of the state or under federal law is exempt from claims. This bill includes property that is exempt from attachment and execution under common law to the property that is exempt from claims.

This bill is the same as HB 1188 (2015).
