Offered By \_\_\_\_\_

1 AMEND House Committee Substitute for Senate Bill No. 302, Page 3, Section 68.075, Line 53, by  
2 inserting immediately after all of said section and line the following:

3  
4 "99.585. 1. In addition to the powers granted under section 99.580, the state of Missouri,  
5 acting through the department of economic development and the office of administration, and any  
6 other public body, may, upon such terms and with reasonable consideration as it may determine,  
7 appropriate funds for the purpose of aiding and cooperating in the planning, undertaking, or  
8 carrying out of a land clearance project or projects within the area in which the public body is  
9 authorized to act to develop, construct, reconstruct, rehabilitate, repair, or improve any tourism  
10 infrastructure facilities within such land clearance project area or areas. Any annual appropriation  
11 by a public body for such land clearance projects related to tourism infrastructure facilities shall be  
12 limited to a portion of tax revenues derived directly or indirectly from any such land clearance  
13 project or projects supported by such annual appropriations within such designated land clearance  
14 project area or areas, as stated in an agreement entered into between the authority and the public  
15 body under subdivision (10) of section 99.580; provided, however, that the annual amount of the  
16 state appropriation contemplated by this section shall not exceed six million dollars per year for any  
17 one such agreement and shall be determined to produce a positive net fiscal impact for the state over  
18 the term of such agreement, with such public or private assurances as the director of the department  
19 of economic development may reasonably require.

20 2. As used in this section, "tourism infrastructure facilities" means structures, fixtures,  
21 systems, and facilities including, but not limited to, convention centers, multipurpose sports and  
22 entertainment venues, exhibition and trade facilities, transportation facilities, cultural facilities, field  
23 houses, indoor and outdoor convention and recreational facilities and centers, playing fields, or  
24 parking facilities owned by any public body and which the authority determines are a contributing  
25 factor in the attraction of convention, sports, recreational, transportation, cultural, or meeting  
26 activities, either professional or amateur, commercial or private. Such structures, fixtures, systems,  
27 and facilities may include, but are not limited to, foundations, roofs, interior and exterior walls or  
28 windows, floors, steps, stairs, concourses, hallways, restrooms, event or meeting spaces or other  
29 hospitality-related areas, concession or food preparation areas, and services systems such as  
30 mechanical, gas utility, electrical, lighting, communication, sound, sanitary, HVAC, elevator,  
31 escalator, plumbing, sprinkler, cabling and wiring, life-safety, or other building systems."; and  
32

33 Further amend said bill by amending the title, enacting clause, and intersectional references  
34 accordingly.
