

# JOURNAL OF THE HOUSE

First Regular Session, 99th GENERAL ASSEMBLY

FORTY-FIRST DAY, TUESDAY, MARCH 14, 2017

The House met pursuant to adjournment.

Speaker Pro Tem Haahr in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

*O magnify the Lord with me and let us exalt His name together. (Psalm 34:3)*

Almighty God, who is the source of all our blessings and the fountain of hope, help us to realize that You are always with us, seeking our good, forgiving our sins, and endeavoring to lead us in the ways of peace. Bless us in our work, guide us through our difficulties, and reward us with joy.

We invoke Your blessing upon us as we work for the benefit of our people and for our State in these cold winter days. Let not our fears triumph over us during this long day of debates and votes.

Sustain with Your power those whom our people have placed in positions of authority and all who are entrusted with our safety and with the guardianship of our rights and our freedom. May peace and gladness live in the hearts of our citizens and may our faith pay tribute to our State in righteousness.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Jack Gilkey, Ellen Plume and Grace Quigley.

The Journal of the fortieth day was approved as printed.

### *House Amendment No. 1*

AMEND House Committee Substitute for House Bill No. 452, Pages 1 through 2, Section 538.205, Lines 17 through 22, by deleting all of said lines and inserting in lieu thereof the following:

"(3) **"Employee", any individual who is directly compensated by a health care provider for health care services rendered by such individual.**"; and

Further amend said bill and section, Page 3, Line 56, by inserting after all of said section and line the following:

"538.210. 1. A statutory cause of action for damages against a health care provider for personal injury or death arising out of the rendering of or failure to render health care services is hereby created, replacing any such common law cause of action. The elements of such cause of action are that the health care provider failed to use that degree of skill and learning ordinarily used under the same or similar circumstances by members of the defendant's profession and that such failure directly caused or contributed to cause the plaintiff's injury or death.

2. (1) In any action against a health care provider for damages for personal injury arising out of the rendering of or the failure to render health care services, no plaintiff shall recover more than four hundred thousand dollars for noneconomic damages irrespective of the number of defendants.

(2) Notwithstanding the provisions of subdivision (1) of this subsection, in any action against a health care provider for damages for a catastrophic personal injury arising out of the rendering or failure to render health care services, no plaintiff shall recover more than seven hundred thousand dollars for noneconomic damages irrespective of the number of defendants.

(3) In any action against a health care provider for damages for death arising out of the rendering of or the failure to render health care services, no plaintiff shall recover more than seven hundred thousand dollars for noneconomic damages irrespective of the number of defendants.

3. (1) ~~Such limitation]~~ **This section** shall also apply to any individual or entity, or their employees or agents, that provide, refer, coordinate, consult upon, or arrange for the delivery of health care services to the plaintiff; and

(2) Who is a defendant in a lawsuit brought against a health care provider under this chapter, or who is a defendant in any lawsuit that arises out of the rendering of or the failure to render health care services.

~~[(3) No individual or entity whose liability is limited by the provisions of this chapter shall be liable to any plaintiff based on the actions or omissions of any other entity or person who is not an employee of such individual or entity whose liability is limited by the provisions of this chapter.~~

~~Such limitation shall apply to all claims for contribution.]~~

**4. No health care provider whose liability is limited by the provisions of this chapter shall be liable to any plaintiff based on the actions or omissions of any other entity or person who is not an employee of such health care provider.**

**5. This section shall apply to all claims for contribution.**

**6.** In any action against a health care provider for damages for personal injury or death arising out of the rendering of or the failure to render health care services, where the trier of fact is a jury, such jury shall not be instructed by the court with respect to the limitation on an award of noneconomic damages, nor shall counsel for any party or any person providing testimony during such proceeding in any way inform the jury or potential jurors of such limitation.

~~[5-]7.~~ For purposes of sections 538.205 to 538.230, any spouse claiming damages for loss of consortium of their spouse shall be considered to be the same plaintiff as their spouse.

~~[6-]~~**8.** Any provision of law or court rule to the contrary notwithstanding, an award of punitive damages against a health care provider governed by the provisions of sections 538.205 to 538.230 shall be made only upon a showing by a plaintiff that the health care provider demonstrated willful, wanton or malicious misconduct with respect to his actions which are found to have injured or caused or contributed to cause the damages claimed in the petition.

~~[7-]~~**9.** For purposes of sections 538.205 to 538.230, all individuals and entities asserting a claim for a wrongful death under section 537.080 shall be considered to be one plaintiff.

~~[8-]~~**10.** The limitations on awards for noneconomic damages provided for in this section shall be increased by one and seven-tenths percent on an annual basis effective January first of each year. The current value of the limitation shall be calculated by the director of the department of insurance, financial institutions and professional registration, who shall furnish that value to the secretary of state, who shall publish such value in the Missouri Register on the first business day following January first, but the value shall otherwise be exempt from the provisions of section 536.021.

~~[9-]~~**11.** In any claim for damages under this chapter, and upon post-trial motion following a jury verdict with noneconomic damages exceeding four hundred thousand dollars, the trial court shall determine whether the limitation in subsection 2 of this section shall apply based on the severity of the most severe injuries.

~~[10-]~~**12.** If a court of competent jurisdiction enters a final judgment on the merits that is not subject to appeal and that declares any provision or part of either section 1.010 or this section to be unconstitutional or unenforceable, then section 1.010 and this section, as amended by this act and in their entirety, are invalid and shall have no legal effect as of the date of such judgment, and this act, including its repealing clause, shall likewise be invalid and of no legal effect. In addition to these paragraphs, the notice shall set forth a list of the types of providers who are generally not employees of the health care provider, including but not limited to physicians. In the event a patient is not communicative and a representative for them is unavailable, the health care provider may satisfy this requirement for such patients by the posting of this notice in a prominent place within the public areas of the health care provider's facility.

Section 2. In addition to other requirements, no health care provider may assert the immunities provided in section 538.210 in the absence of an enforceable contract between the health care provider asserting the immunity and person who is not an employee of such health care provider that includes a provision whereby the health care provider affirmatively disclaims any legal responsibility under the common law doctrine of respondeat superior or any other legal theory for any personal injury or death claim arising out of the person's failure to use that degree of skill and learning ordinarily used under the same or similar circumstances by members of the person's profession."; and
