

HJR 9 -- CONSERVATION SALES AND USE TAX

SPONSOR: Moon

Upon voter approval, this constitutional amendment requires the conservation sales and use tax of .125% to be approved by voters in 2016, 2021, and then every six years thereafter. If a majority of the voters fail to approve the continuance of the tax, the tax will terminate at the end of the second fiscal year after the last election was held.

This bill is similar to HJR 105 (2016).
