1 minor or next friend in preparing the petition and notices required pursuant to this section. The minor or the  
 2 next friend of the minor shall thereafter file a petition setting forth the initials of the minor; the age of the  
 3 minor; the names and addresses of each parent, guardian, or, if the minor's parents are deceased and no  
 4 guardian has been appointed, any other person standing in loco parentis of the minor; that the minor has been  
 5 fully informed of the risks and consequences of the abortion; that the minor is of sound mind and has  
 6 sufficient intellectual capacity to consent to the abortion; that, if the court does not grant the minor majority  
 7 rights for the purpose of consent to the abortion, the court should find that the abortion is in the best interest  
 8 of the minor and give judicial consent to the abortion; that the court should appoint a guardian ad litem of the  
 9 child; and if the minor does not have private counsel, that the court should appoint counsel. The petition  
 10 shall be signed by the minor or the next friend;

11 (2) A hearing on the merits of the petition, to be held on the record, shall be held as soon as possible  
 12 within five days of the filing of the petition. If any party is unable to afford counsel, the court shall appoint  
 13 counsel at least twenty-four hours before the time of the hearing. At the hearing, the court shall hear  
 14 evidence relating to the emotional development, maturity, intellect and understanding of the minor; the  
 15 nature, possible consequences, and alternatives to the abortion; and any other evidence that the court may  
 16 find useful in determining whether the minor should be granted majority rights for the purpose of consenting  
 17 to the abortion or whether the abortion is in the best interests of the minor;

18 (3) In the decree, the court shall for good cause:

19 (a) Grant the petition for majority rights for the purpose of consenting to the abortion; or

20 (b) Find the abortion to be in the best interests of the minor and give judicial consent to the abortion,  
 21 setting forth the grounds for so finding; or

22 (c) Deny the petition, setting forth the grounds on which the petition is denied;

23 (4) If the petition is allowed, the informed consent of the minor, pursuant to a court grant of  
 24 majority rights, or the judicial consent, shall bar an action by the parents or guardian of the minor on the  
 25 grounds of battery of the minor by those performing or inducing the abortion. The immunity granted shall  
 26 only extend to the performance or inducement of the abortion in accordance herewith and any necessary  
 27 accompanying services which are performed in a competent manner. The costs of the action shall be borne  
 28 by the parties;

29 (5) An appeal from an order issued under the provisions of this section may be taken to the court of  
 30 appeals of this state by the minor or by a parent or guardian of the minor. The notice of intent to appeal shall  
 31 be given within twenty-four hours from the date of issuance of the order. The record on appeal shall be  
 32 completed and the appeal shall be perfected within five days from the filing of notice to appeal. Because  
 33 time may be of the essence regarding the performance or inducement of the abortion, the supreme court of  
 34 this state shall, by court rule, provide for expedited appellate review of cases appealed under this section.

35 3. If a minor desires an abortion, then she shall be orally informed of and, if possible, sign the  
 36 written consent required [~~by section 188.039~~] under this chapter in the same manner as an adult person. No  
 37 abortion shall be performed or induced on any minor against her will, except that an abortion may be  
 38 performed or induced against the will of a minor pursuant to a court order described in subdivision (4) of  
 39 subsection 1 of this section that the abortion is necessary to preserve the life of the minor."; and
