

HB 2360 -- EVICTION MORATORIUMS

SPONSOR: Murphy

This bill prohibits any city, town, or village from imposing or enforcing a moratorium on eviction proceedings unless specifically authorized by state law.

The bill also prohibits a court from imposing or enforcing a moratorium on eviction proceedings unless specifically authorized by state law.

The general administrative authority of the presiding judge of the circuit must not include authority to impose or enforce a moratorium on eviction proceedings.

This bill is similar to SB 1044 (2022); HB 1682 (2022).
