I Support this Bill and its Intent. IF a Driver is so Foolish to Drink Beyond Comprehension and Kills A Parent, then They NEED to Be Held Accountable and Responsible for the Growth and Development of that Minor Child and their Education. This is the Right and Moral Action to Take!

On April 13,2021 my son Cordell Williams, 25 year old daughter in law to be Lacey Newton and 4month old grandson Cordell Williams 11,we killed in a Fiery crash caused by a drunk driver. It was not long after when I came up with Bentley's law. This Law is a deterrent to prevent driving under the influence, it will help the children who are left without their parent/parents due to someone driving under the influence. I'm grateful to get the opportunity to speak on behalf of HB1954 known as Bentley's Law.
