

# JOURNAL OF THE HOUSE

Second Regular Session, 93rd GENERAL ASSEMBLY

---

SIXTY-FIRST DAY, TUESDAY, APRIL 25, 2006

The House met pursuant to adjournment.

Speaker Pro Tem Bearden in the Chair.

Prayer by Father James M. Smith.

Almighty God,

You have shown us that You are Love itself in the very act of creating us; You did not have to create anything.

You have shown us that You are Love itself in the gifts You have given us and by which You have sustained us.

You have made us to be like You, to be people of love.

Make us people of true love, love that is chosen and committed. In love, help us to choose kindness, when we want to be unkind. In love, help us to choose patience, when we feel impatient. Help us to be humble, when we want to be pompous and inflated. Help us to be generous, when we want to seek only our own interests. Help us to be gentle, when we want to be quick-tempered. Help us to be forgiving, when we want to brood over injury. Help us to find joy in truth rather than pleasure in wrong-doing.

Lord, give us strength to bear our burdens when we want to lay them down and quit. Give us belief and knowledge in the truth when others attempt to misguide us by deceit. And Lord, give us hope for a brighter future when all around us seems dark.

Lord, help us to endure the sufferings of this present life so that we may finally attain eternal life with You, who is God, forever and ever. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Elizabeth Chau, Molly Garrison, Alex Hebert, Teresa Martino, Amelia Belle Bird, Adam Michael Dempsher, Sophie Louise Broz, Philip Benoist Chrisler, Douglas David Austin, Samantha Jean Brown, Matt Coatney, Nancy Bowers, Madeline Cook, Ashton Abbadessa, Lauren Mullikin, Mart Stepanovich, Nick Westphil, Macie Rae Roorda, Shania Francka, Olivia McGhee and Gracyn Walter.

### THIRD READING OF SENATE BILL

**HCS SCS SBs 1001, 896 & 761**, relating to drivers' licenses, was taken up by Representative St. Onge.

Representative St. Onge offered **House Amendment No. 1**.

#### *House Amendment No. 1*

AMEND House Committee Substitute for Senate Committee Substitute for Senate Bill Nos. 1001, 896 & 761, Page 12, Section 302.178, Line 101, by inserting after all of said line the following:

"302.720. 1. Except when operating under an instruction permit as described in this section, no person may drive a commercial motor vehicle unless the person has been issued a commercial driver's license with applicable endorsements valid for the type of vehicle being operated as specified in sections 302.700 to 302.780. A commercial driver's instruction permit shall allow the holder of a valid license to operate a commercial motor vehicle when accompanied by the holder of a commercial driver's license valid for the vehicle being operated and who occupies a seat beside the individual, or reasonably near the individual in the case of buses, for the purpose of giving instruction in driving the commercial motor vehicle. A commercial driver's instruction permit shall be valid for the vehicle being operated for a period of not more than six months, and shall not be issued until the permit holder has met all other requirements of sections 302.700 to 302.780, except for the driving test. A permit holder, unless otherwise disqualified, may be granted one six-month renewal within a one-year period. The fee for such permit or renewal shall be five dollars. In the alternative, a commercial driver's instruction permit shall be issued for a thirty-day period to allow the holder of a valid driver's license to operate a commercial motor vehicle if the applicant has completed all other requirements except the driving test. The permit may be renewed for one additional thirty-day period and the fee for the permit and for renewal shall be five dollars.

2. No person may be issued a commercial driver's license until he has passed written and driving tests for the operation of a commercial motor vehicle which complies with the minimum federal standards established by the Secretary and has satisfied all other requirements of the Commercial Motor Vehicle Safety Act of 1986 (Title XII of Pub. Law 99-570), as well as any other requirements imposed by state law. Applicants for a hazardous materials endorsement must also meet the requirements of the U.S. Patriot Act of 2001 (Title X of Public Law 107-56) as specified and required by regulations promulgated by the Secretary. Nothing contained in this subsection shall be construed as prohibiting the director from establishing alternate testing formats for those who are functionally illiterate; provided, however, that any such alternate test must comply with the minimum requirements of the Commercial Motor Vehicle Safety Act of 1986 (Title XII of Pub. Law 99-570) as established by the Secretary.

(1) The written and driving tests shall be held at such times and in such places as the superintendent may designate. A twenty-five dollar examination fee shall be paid by the applicant upon completion of any written or driving test. The director shall delegate the power to conduct the examinations required under sections 302.700 to 302.780 to any member of the highway patrol or any person employed by the highway patrol qualified to give driving examinations.

(2) The director shall adopt and promulgate rules and regulations governing the certification of third-party testers by the department of revenue. Such rules and regulations shall substantially comply with the requirements of 49

CFR Part 383, Section 383.75. A certification to conduct third-party testing shall be valid for one year, and the department shall charge a fee of one hundred dollars to issue or renew the certification of any third-party tester.

**(3) Beginning August 28, 2006, the director shall only issue third-party tester certification to private companies who operate on the campus of a junior college or community college established under chapter 178, RSMo, or to private companies who own and maintain their own fleet and administer in-house testing to employees. Except as specified in this subsection, no third-party tester certification shall be issued to any private company predominately operated for commercial driver's license testing purposes and no third-party tester certification shall be renewed for such company.** Any third-party tester who violates any of the rules and regulations adopted and promulgated pursuant to this section shall be subject to having his certification revoked by the department. The department shall provide written notice and an opportunity for the third-party tester to be heard in substantially the same manner as provided in chapter 536, RSMo. If any applicant submits evidence that he has successfully completed a test administered by a third-party tester, the actual driving test for a commercial driver's license may then be waived.

[~~(3)~~] **(4)** Every applicant for renewal of a commercial driver's license shall provide such certifications and information as required by the secretary and if such person transports a hazardous material must also meet the requirements of the U.S. Patriot Act of 2001 (Title X of Public Law 107-56) as specified and required by regulations promulgated by the secretary[.]. Such person shall be required to take the written test for such endorsement. A twenty-five dollar examination fee shall be paid upon completion of such tests.

3. A commercial driver's license may not be issued to a person while the person is disqualified from driving a commercial motor vehicle, when a disqualification is pending in any state or while the person's driver's license is suspended, revoked, or canceled in any state; nor may a commercial driver's license be issued unless the person first surrenders in a manner prescribed by the director any commercial driver's license issued by another state, which license shall be returned to the issuing state for cancellation.

4. Beginning July 1, 2005, the director shall not issue an instruction permit under this section unless the director verifies that the applicant is lawfully present in the United States before accepting the application. The director may, by rule or regulation, establish procedures to verify the lawful presence of the applicant under this section. No rule or portion of a rule promulgated pursuant to the authority of this section shall become effective unless it has been promulgated pursuant to chapter 536, RSMo."; and

HOUSE RESOLUTION NO. 1475

WHEREAS, Amendment I of the United States Constitution, which provides in part that "Congress shall make no law respecting an establishment of religion...", is a specific and unequivocal instruction to only the United States Congress; and

WHEREAS, the United States Constitution makes no restriction on the ability of states to acknowledge God, the Supreme Ruler of the Universe; and

WHEREAS, Amendment X of the United States Constitution, which provides that "The powers not delegated to the United States by the Constitution, nor prohibited by it to the States, are reserved to the States respectively, or to the people", reserved the right of the acknowledgment of God to the states and the people; and

WHEREAS, the Preamble to the Missouri Constitution, which provides that "We the people of Missouri, with profound reverence for the Supreme Ruler of the Universe, and grateful for His goodness, do establish this constitution for the better government of the state", is within the boundaries of rights reserved to the states by the United States Constitution; and

WHEREAS, the federal judiciary has overstepped its constitutional boundaries and ruled against the acknowledgment of God as the sovereign source of law, liberty, and government by local and state officers and other state institutions, including state schools; and

WHEREAS, the federal judiciary has created confusion between Amendment I and Amendment X of the United States Constitution, and has consistently misapplied Amendment XIV, usurping the rights of the states and the people; and

WHEREAS, Article VI of the United States Constitution requires that each member of the United States Congress and each member of the several state legislatures be bound by oath or affirmation to "support this constitution"; and

WHEREAS, among the seminal principles of our constitutional republic is the premise that each branch of government will be a "check" upon the others; and

WHEREAS, the United States Congress is charged with the solemn responsibility to cause the federal judiciary to refrain from interfering with the acknowledgment of God by any local, state, or federal official by any constitutional means at its' disposal, including limiting the jurisdiction of the federal courts in such matters; and

WHEREAS, Article III, Section 2 of the United States Constitution provides in part that "the...court shall have appellate jurisdiction, both as to law and fact, with such exceptions, and under such regulations as the Congress shall make"; and

### MESSAGE FROM THE SENATE

Mr. Speaker: I am instructed by the Senate to inform the House of Representatives that the Senate has taken up and passed **SCS HCS HBs 1270 & 1027**, entitled:

An act to amend chapter 414, RSMo, by adding thereto one new section relating to ethanol blend fuel.

With Senate Amendment No. 2, Senate Amendment No. 5 and Senate Amendment No. 6.

#### *Senate Amendment No. 2*

AMEND Senate Committee Substitute for House Committee Substitute for House Bill Nos. 1270 & 1027, Page 1, Section Title, Lines 1-2, by striking the words “ethanol blend” and inserting in lieu thereof the following:

“renewable”; and

Further amend said bill, Page 1, Section A, Line 2, by inserting after all of said line the following:

“142.031. 1. As used in this section the following terms shall mean:

(1) “Biodiesel”, fuel as defined in ASTM Standard D-6751 or its subsequent standard specifications for biodiesel fuel (B100) blend stock for distillate fuels;

(2) “**Missouri** qualified biodiesel producer”, a facility that produces biodiesel, is registered with the United States Environmental Protection Agency according to the requirements of 40 CFR 79, and **is:**

(a) At least fifty-one percent is owned by agricultural producers **who are residents of this state and who are** actively engaged in agricultural production for commercial purposes; **or**

(b) **At least eighty percent of the feedstock used by the facility originates in the state of Missouri. For purposes of this section, the term “feedstock” shall mean a Missouri agriculture product as defined in section 348.400, RSMo.**

2. The “Missouri Qualified Biodiesel Producer Incentive Fund” is hereby created and subject to appropriations shall be used to provide economic subsidies to Missouri qualified biodiesel producers pursuant to this section. The director of the department of agriculture shall administer the fund pursuant to this section.

3. A Missouri qualified biodiesel producer shall be eligible for a monthly grant from the fund provided that fifty-one percent of the feedstock originates in the state of Missouri and that] one hundred percent of the feedstock originates in the United States. **However, the director may waive the feedstock requirements on a month-to-month basis if the facility provides verification that adequate feedstock is not available.** A Missouri qualified biodiesel producer shall only be eligible for the grant for a total of sixty months unless such producers during the sixty months fail, due to a lack of appropriations, to receive the full amount from the fund for which the producers were eligible, in which case such producers shall continue to be eligible for up to twenty-four additional months or until they have received the maximum amount of funding for which such producers were eligible during the original sixty-month time period. The amount of the grant is determined by calculating the estimated gallons of qualified biodiesel produced during the preceding month from Missouri agricultural products, as certified by the department of agriculture, and applying such figure to the per-gallon incentive credit established in this subsection. Each Missouri qualified biodiesel producer shall be eligible for a total grant in any fiscal year equal to thirty cents per gallon for the first fifteen million gallons of qualified biodiesel produced from Missouri agricultural products in the fiscal year plus ten cents per gallon for the next fifteen million gallons of qualified biodiesel produced from Missouri agricultural products in the fiscal year. All such qualified biodiesel produced by a Missouri qualified biodiesel producer in excess of thirty million gallons shall not be applied to the computation of a grant pursuant to this subsection. The department of agriculture shall pay all grants for a particular month by the fifteenth day after receipt and approval of the application described in subsection 4 of this section.

4. In order for a Missouri qualified biodiesel producer to obtain a grant from the fund, an application for such funds shall be received no later than fifteen days following the last day of the month for which the grant is sought. The application shall include:

- (1) The location of the Missouri qualified biodiesel producer;
- (2) The average number of citizens of Missouri employed by the Missouri qualified biodiesel producer in the preceding month, if applicable;
- (3) The number of bushel equivalents of Missouri agricultural commodities used by the Missouri qualified biodiesel producer in the production of biodiesel in the preceding month;
- (4) The number of gallons of qualified biodiesel the producer manufactures during the month for which the grant is applied;
- (5) A copy of the qualified biodiesel producer license required pursuant to subsection 5 of this section, name and address of surety company, and amount of bond to be posted pursuant to subsection 5 of this section; and
- (6) Any other information deemed necessary by the department of agriculture to adequately ensure that such grants shall be made only to Missouri qualified biodiesel producers.

5. The director of the department of agriculture, in consultation with the department of revenue, shall promulgate rules and regulations necessary for the administration of the provisions of this section.

6. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2002, shall be invalid and void.

**7. The provisions of this section shall expire on December 31, 2009. However, Missouri qualified biodiesel producers receiving any grants awarded prior to the expiration date of this section shall continue to be eligible for the remainder of the original sixty-month time period under the same terms and conditions of this section unless such producer during those sixty months failed, due to a lack of appropriations, to receive the full amount from the fund for which he or she was eligible. In that case, such producers shall continue to be eligible for up to twenty-four additional months or until they have received the maximum amount of funding for which they were eligible during the original sixty-month time period.”; and**

Further amend the title and enacting clause accordingly.

*Senate Amendment No. 5*

AMEND Senate Committee Substitute for House Committee Substitute for House Bill Nos. 1270 & 1027, Page 4, Section 414.255, Line 119, by inserting immediately after all of said line the following:

**"Section 1. No Missouri qualified fuel ethanol producer, as defined in section 142.028, RSMo, eligible for a grant under section 142.208, RSMo, shall employ an undocumented worker, as defined by the federal Immigration Reform and Control Act of 1986. In the event that any such producer employs an undocumented worker, all grant monies received under section 142.028, RSMo, shall terminate and the producer in question shall not be eligible for future grants for a period of three years from the state under section 142.028, RSMo.";** and

Further amend the title and enacting clause accordingly.

*Senate Amendment No. 6*

AMEND Senate Committee Substitute for House Committee Substitute for House Bill Nos. 1270 & 1027, Page 4, Section 414.255, Line 119, by inserting immediately after all of said line the following:

**"Section 1. The provisions of chapter 290, RSMo, shall apply to any Missouri qualified fuel ethanol producer, as defined in section 142.028, RSMo, who receives a grant from the state under section 142.028, RSMo.";** and

Further amend the title and enacting clause accordingly.

In which the concurrence of the House is respectfully requested.
