

# JOURNAL OF THE HOUSE

Second Regular Session, 93rd GENERAL ASSEMBLY

---

SIXTY-SIXTH DAY, WEDNESDAY, MAY 3, 2006

The House met pursuant to adjournment.

Speaker Jetton in the Chair.

Prayer by Reverend James Earl Jackson.

By wisdom, You Lord founded the Earth; by understanding You established the Heavens. By Your knowledge the deep fountains of the Earth burst forth, and the clouds poured down rain.

Because we have this knowledge of You, we don't lose sight of good planning and insight. We hang on to them, they keep us safe on our way and keep our feet from stumbling. We can lie down without fear and enjoy pleasant dreams.

We are thankful that Your hand is not shortened, that it cannot deliver; nor Your ear heavy, that it cannot hear.

As the days grow short on this year's Session, with Your help, we continue to make well thought out and prudent decisions. Pressure is our enemy, wisdom is our ally.

Now may You, the God of patience and comfort, grant us to be like-minded towards one another. May we abound in hope by Your grace.

For it's in the name of Your Son we pray. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Allyson Kate Seaton, Makayla McGruder, Ellie McGruder, Heather Allphin, Tabitha Brown, Dylan Cluver, Christopher Jones, Will Haer, Scoot Anderson, Lauren Geiger, Cassey Carlson, Amanda Yocum, Miles Freborg, Kevin Lang, Ashley Millican, Kirsten Miller, Robert Buckley, Brad Ditty, Bryanne Mae Cornine, Jacklyn Murry, Travis Weigand, Kailyn Marie Stewart, Trevor Lair, Drew Frizzell, JP Rowland, Gavon Howell, Ines Subashka, Daniela Arbex and Megan Carson.

The Journal of the sixty-fifth day was approved as corrected.

AMEND House Amendment No. 1 to House Bill No. 1930, Page 1, Line 5, by inserting after the words, “**poverty guidelines**”, the words, “**or sixty years of age or older**”; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

On motion of Representative Storch, **House Amendment No. 1 to House Amendment No. 1** was adopted.

On motion of Representative El-Amin, **House Amendment No. 1, as amended**, was adopted.

Representative El-Amin assumed the Chair.

Representative Fares offered **House Amendment No. 2**.

*House Amendment No. 2*

AMEND House Bill No. 1930, Page 2, Section 92.715, Line 26, by inserting after said line the following:

**"135.097. 1. For purposes of this section, the following terms shall mean:**

(1) **"Disabled"**, the inability to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment which can be expected to result in death or which has lasted or can be expected to last for a continuous period of not less than twelve months;

(2) **"Eligible taxpayer"**, a Missouri resident claiming a credit under this section. If the persons are eligible to file a joint federal income tax return and reside at the same address at any time during the taxable year, then the credit may only be allowed if claimed on a combined Missouri income tax return reporting their combined incomes and property taxes. A taxpayer shall not be allowed a tax credit unless the taxpayer or spouse has attained the age of sixty-five on or before the last day of the calendar year or the taxpayer or spouse is a veteran of any branch of the armed forces of the United States or this state who became one hundred percent disabled as a result of such service, or the taxpayer or spouse is disabled as defined in subdivision (1) of this subsection, and such taxpayer or spouse provides proof of such disability in such form and manner, and at such times, as the director of revenue may require, has been a resident of Missouri for twenty years, and has lived in their homestead for at least twenty years. The residency requirement shall be deemed to have been fulfilled for the purpose of determining the eligibility of a taxpayer or spouse who would have otherwise met the requirements for a tax credit but who dies before the last day of the calendar year;

(3) **"Homestead"**, the dwelling in Missouri owned for twenty or more years by the eligible taxpayer and not to exceed five acres of land surrounding it as is reasonably necessary for use of the dwelling as a home. It may consist of part of a multidwelling or multipurpose building and part of the land upon which it is built. **"Owned"** includes a vendee in possession under a land contract and one or more tenants by the entireties, joint tenants, or tenants in common and includes an eligible taxpayer actually in possession if he was the immediate former owner of record, if a lineal descendant is presently the owner of record, and if the eligible taxpayer actually pays all taxes upon the property. It may include a mobile home;

(4) **"Income"**, Missouri adjusted gross income as defined in section 143.121, RSMo, and increased, where necessary, to reflect the following:

(a) Social Security, railroad retirement, and veterans payments and benefits;

(b) The total amount of all other public and private pensions and annuities;

(c) Public relief, public assistance, and unemployment benefits received in cash, other than benefits received under this chapter;

(d) No deduction being allowed for losses not incurred in a trade or business;

(e) Interest on the obligations of the United States, any state, or any of their subdivisions and instrumentalities;

(5) **"Property taxes accrued"**, property taxes paid, exclusive of special assessments, penalties, interest, and charges for service levied on an eligible taxpayer's homestead in any calendar year. Property taxes shall qualify for the credit only if actually paid prior to the date a return is filed. The director of revenue shall require a tax receipt or other proof of property tax payment. If a homestead is owned only partially by an eligible taxpayer, then **"property taxes accrued"** is that part of property taxes levied on the homestead which was actually paid by the eligible taxpayer. For purposes of this subdivision, property taxes are **"levied"** when the tax roll is

delivered to the director of revenue for collection. If a homestead is an integral part of a larger unit such as a farm, or multipurpose or multidwelling building, property taxes accrued shall be that percentage of the total property taxes accrued as the value of the homestead is of the total value. For purposes of this subdivision "unit" refers to the parcel of property covered by a single tax statement of which the homestead is a part.

2. For all taxable years beginning on or after January 1, 2007, an eligible taxpayer who is sixty-five years of age or older, or who is disabled, and who has lived in their homestead for at least twenty years, and has paid more than ten percent of his or her total household income in real property tax on his or her homestead, shall receive a credit in an amount equal to fifty percent of his or her property taxes paid for such homestead. An eligible taxpayer shall not be allowed to claim the tax credit for the year that the homestead is sold.

3. The tax credit allowed by this section shall be claimed by such individual at the time such individual files a return and shall be applied against the income tax liability imposed by chapter 143, RSMo, excluding withholding tax imposed by sections 143.191 to 143.265, RSMo, after all other credits provided by law have been applied. If the amount of the tax credit exceeds the tax liability, the difference shall be refunded to the taxpayer.

4. An eligible taxpayer shall not be allowed to claim such credit if the taxpayer filed a valid claim under sections 135.010 to 135.030, RSMo, or section 137.106, RSMo, for the same tax year.

5. The director of the department of revenue shall promulgate rules and regulations to administer the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2006, shall be invalid and void.

6. Pursuant to section 23.253, RSMo, of the Missouri Sunset Act:

(1) The provisions of the new program authorized under this section shall automatically sunset six years after the effective date of this section unless reauthorized by an act of the general assembly; and

(2) If such program is reauthorized, the program authorized under this section shall automatically sunset twelve years after the effective date of the reauthorization of this section; and

(3) This section shall terminate on September first of the calendar year immediately following the calendar year in which the program authorized under this section is sunset.”; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

On motion of Representative Fares, **House Amendment No. 2** was adopted.

On motion of Representative Hubbard, **HB 1930, as amended**, was ordered perfected and printed by the following vote:

2. If each portion of a member's credited service is not covered by the same benefit program, then the member's total allowance for life shall be the total of the allowance for life determined under each applicable benefit program.

3. Each employer shall have the credited service of each of its members covered by benefit program L-1 provided for in this section unless such employer shall have elected another benefit program provided for in this section.

4. Except as otherwise provided in this subsection, each political subdivision, by majority vote of its governing body, may elect from time to time to cover its members, whose political subdivision employment is concurrently covered by federal Social Security, under one of the benefit programs provided for in this section. Each political subdivision, by majority vote of its governing body, may elect from time to time to cover its members, whose political subdivision employment is not concurrently covered by federal Social Security, under one of the benefit programs provided for in this section. The clerk or secretary of the political subdivision shall certify the election of the benefit program to the board within ten days after such vote. The effective date of the political subdivision's benefit program is the first day of the calendar month specified by such governing body, or the first day of the calendar month next following receipt by the board of the certification of election of benefit program, or the effective date of the political subdivision becoming an employer, whichever is the latest. Such election of benefit program may be changed from time to time by such vote, but not more often than biennially. If such changed benefit program provides larger allowances than the benefit program previously in effect, then such larger benefit program [shall] **may, if the political subdivision elects as such at the time of its majority vote electing to cover its members under one of the benefit programs provided for in this section, be applicable to the past and future employment with the employer by present and future employees, but otherwise shall be applicable only to credited service for employment rendered on or after the effective date of such change.** If such changed benefit program provides smaller allowances than the benefit program previously in effect, then such changed benefit program shall be applicable only to credited service for employment rendered from and after the effective date of such change. After August 28, 1994, political subdivisions shall not elect coverage under benefit program LT-4, benefit program LT-5, or benefit program LT-8. After August 28, 2005, political subdivisions shall not elect coverage under benefit program L-9 or benefit program LT-10(65).

5. Should an employer change its election of benefit program as provided in this section, the employer contributions shall be correspondingly changed effective the same date as the benefit program change.

6. The limitation on increases in an employer's contribution provided by subsection 6 of section 70.730 shall not apply to any contribution increase resulting from an employer electing a benefit program which provides larger allowances.

7. Subject to the provisions of subsections 9 and 10 of this section, for an allowance becoming effective on September 28, 1975, or later, and beginning with the October first which is at least twelve full months after the effective date of the allowance, the amount of the allowance shall be redetermined effective each October first and such redetermined amount shall be payable for the ensuing year. Subject to the limitations stated in the next sentence, such redetermined amount shall be the amount of the allowance otherwise payable multiplied by the following percent: one hundred percent, plus two percent for each full year (excluding any fraction of a year) in the period from the effective date of the allowance to the current October first. In no event shall such redetermined amount (1) be less than the amount of the allowance otherwise payable nor (2) be more than the amount of the allowance otherwise payable multiplied by the following fraction: the numerator shall be the Consumer Price Index for the month of June immediately preceding such October first (but in no event an amount less than the denominator below) and the denominator shall be the Consumer Price Index for the month of June immediately preceding the effective date of the allowance. As used herein, "Consumer Price Index" means the Consumer Price Index for Urban Wage Earners and Clerical Workers, as determined by the United States Department of Labor and in effect January 1, 1975; provided, should such Consumer Price Index be restructured subsequent to 1974 in a manner materially changing its character, the board shall change the application of the Consumer Price Index so that as far as is practicable the 1975 intent of the use of the Consumer Price Index shall be continued. As used herein "the amount of the allowance otherwise payable" means the amount of the allowance which would be payable without regard to these provisions redetermining allowance amounts after retirement.

8. Subject to the provisions of subsections 9 and 10 of this section, for an allowance becoming effective on September 28, 1975, or later, the maximum allowance payable under the provisions of section 70.685 shall be redetermined each October first in the same manner as an allowance is redetermined under the provisions of subsection 7 of this section.

9. (1) The system establishes reserves for the payment of future allowances to retirants and beneficiaries. Should the board determine, after consulting with the actuary, that the established reserves are more than sufficient to provide such allowances, the board may increase the annual increase rate provided for in subsections 7 and 8 of this section, as it applies to any allowance payable, but in no event shall the total of all redetermined amounts as of October first of any year be greater than one hundred four percent of the allowances which would have been payable that October first without such redeterminations; provided, as of any redetermination date the same annual increase rate shall be applied to all allowances with effective dates in the range of November first to October first of the following year. The board may extend the provisions of subsections 7 and 8 of this section to allowances which became effective before September 28, 1975; provided such an action by the board shall not increase an employer contribution rate then in effect;

(2) After August 28, 1993, the annual increase rate established by this subsection shall be a compound rate, compounded annually, and the four percent annual maximum rate shall also be a compound rate, compounded annually; provided, the use of such compounding shall not begin until October 1, 1993, and shall not affect redeterminations made prior to that date.

10. Should the board determine that the provisions of subsections 7, 8 and 9 of this section are jeopardizing the financial solvency of the system, the board shall suspend these provisions redetermining allowance amounts after retirement for such periods of time as the board deems appropriate."; and

Further amend the title and enacting clause accordingly.

AMEND Senate Substitute for Senate Committee Substitute for House Committee Substitute for House Bill No. 1306, Page 80, Section 104.620, Line 9 of said page, by inserting after all of said line the following:

"104.800. 1. [Except as otherwise provided by law] **Notwithstanding any other provision of law to the contrary, on or after August 28, 2006**, any person having earned creditable or credited service pursuant to the provisions of **section 104.010 or section 104.1003** of the state employees' retirement system or pursuant to the provisions of the state transportation department employees' and highway patrol retirement system or having service as a statewide state elective officer or having service as a member of the general assembly or having service pursuant to the provisions of sections 287.812 to 287.855, RSMo, or having service as a judge, as defined in section 476.515, RSMo, may elect prior to retirement and not after retirement, to make a one-time transfer of credit for such service or such creditable service to or from any other retirement system or type of service specified in this section or sections 56.800 to 56.840, RSMo, for which the person has accumulated service or creditable service. The amount of transferred credit shall be accumulated with the amount of such creditable service or such service earned by the person in the retirement system or type of service to which the service is transferred for purposes of determining the benefits to which the person is entitled under the retirement system or type of service to which the service is transferred. The transfer of such creditable service or service shall become effective on the first day of the second month following the month in which the person files written notification of the person's election with the retirement boards affected by such service transfer. When the election to transfer creditable service or service becomes effective, the person shall thereby forfeit any claim to any benefit under the provisions of the retirement system or type of service, as the case may be, from which the service or creditable service was transferred regardless of the amount of service or creditable service previously earned in such retirement system or type of service. Any person who has transferred service pursuant to this subsection prior to August 28, 2002, and who is an employee covered by a retirement plan described in this subsection after that date, may elect to make an additional transfer of service prior to retirement if additional service would otherwise be available to be transferred except for the forfeiture of that service after the previous transfer. In no event shall the amount of service that a person shall be entitled to transfer pursuant to the provisions of this section exceed eight years.

2. In the event of the death of a member before retirement and prior to exercising transfer rights pursuant to the provisions of this section, survivorship benefits shall be computed as if such person had in fact exercised or not exercised the person's transfer rights to produce the most advantageous benefit possible.

3.
