

# JOURNAL OF THE HOUSE

Second Regular Session, 93rd GENERAL ASSEMBLY

SEVENTY-THIRD DAY, FRIDAY, MAY 12, 2006

The House met pursuant to adjournment.

Speaker Jetton in the Chair.

Prayer by Reverend Kent Parson, Elkton Baptist Church, Flemington, Missouri.

Our Heavenly Father, thank You for the opportunity to live in so great a land and among this wonderful people. Thank You for the blessings You provide each day, which we so often take for granted.

As this body completes their work for another session, may they continue to rely upon You for their leadership. May each be blessed and feel a sense of pride in their accomplishments and a determination to press onward toward future achievements in those areas where they may feel they have fallen short. Help each of these ladies and gentlemen to be humble in their victories and gracious in their defeats.

Continue to bless the men and women of this astute body with Your holy presence and guide them as they make the decisions which are before them today. Grant that each of these leaders of the great State of Missouri may be endowed with the wisdom of a Solomon; the leadership abilities of a Moses; the heart of a David; the strength of a Sampson; the perception of a Daniel; the dedication and commitment of a Paul; and most importantly; may they demonstrate love of their fellow-man as did Jesus Christ.

We ask these blessings in the name of Thy Son, and our Savior, Jesus Christ. Amen and Amen.

The Pledge of Allegiance to the flag was recited.

The Journal of the seventy-second day was approved as corrected.

**HCS SCS SB 1175**, relating to a community center sales tax, was taken up by Representative Nance.

Representative Tilley offered **House Amendment No. 1**.

*House Amendment No. 1*

AMEND House Committee Substitute for Senate Committee Substitute for Senate Bill No. 1175, Page 1, In the Title, Lines 2 and 3, by deleting the words "a sales tax for community center development" and inserting in lieu thereof the following:

"taxation in political subdivisions"; and

Further amend said bill, Page 1, Section A, Line 2, by inserting after all of said line the following:

**"67.997. 1. The governing body of any county of the third classification without a township form of government and with more than eighteen thousand one hundred but fewer than eighteen thousand two hundred inhabitants may impose, by order or ordinance, a sales tax on all retail sales made within the county which are subject to sales tax under chapter 144, RSMo. The tax authorized in this section shall not exceed one-fourth of one percent, and shall be imposed solely for the purpose of funding senior services and youth programs provided by the county. One-half of all revenue collected under this section shall be used solely to fund any service or activity deemed necessary by the senior service tax commission established in this section, and one-half of all revenue collected under this section shall be used solely to fund all youth programs administered by an existing county community task force. The tax authorized in this section shall be in addition to all other sales taxes imposed by law, and shall be stated separately from all other charges and taxes. The order or ordinance shall not become effective unless the governing body of the county submits to the voters residing within the county at a state general, primary, or special election a proposal to authorize the governing body of the county to impose a tax under this section.**

**2. The ballot of submission for the tax authorized in this section shall be in substantially the following form:**

Shall ..... (insert the name of the county) impose a sales tax at a rate of ..... (insert rate of percent) percent, with half of the revenue from the tax to be used solely to fund senior services provided by the county and half of the revenue from the tax to be used solely to fund youth programs provided by the county?

YES

NO

If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed to the question, place an "X" in the box opposite "NO".

If a majority of the votes cast on the question by the qualified voters voting thereon are in favor of the question, then the tax shall become effective on the first day of the second calendar quarter immediately following the approval of the tax or notification to the department of revenue if such tax will be administered by the department of revenue. If a majority of the votes cast on the question by the qualified voters voting thereon are opposed to the question, then the tax shall not become effective unless and until the question is resubmitted under this section to the qualified voters and such question is approved by a majority of the qualified voters voting on the question.

3. On or after the effective date of any tax authorized under this section, the county which imposed the tax may adopt one of the two following provisions for the collection and administration of the tax:

(1) The county may adopt rules for the internal collection of such tax by the county officers usually responsible for collection and administration of county taxes; or

(2) The county may enter into an agreement with the director of the department of revenue for the purpose of collecting the tax authorized in this section. In the event the county enters into an agreement with the director of revenue for the collection of the tax, on or after the effective date of the tax the director of revenue shall be responsible for the administration, collection, enforcement, and operation of the tax, and sections 32.085 and 32.087, RSMo, shall apply. All revenue collected under this section by the director of the department of revenue on behalf of any county, except for one percent for the cost of collection which shall be deposited in the state's general revenue fund, shall be deposited in a special trust fund, which is hereby created and shall be known as the "Senior Services and Youth Programs Sales Tax Trust Fund", and shall be used solely for the designated purposes. Moneys in the fund shall not be deemed to be state funds, and shall not be commingled with any funds of the state. The director may make refunds from the amounts in the trust fund and credited to the county for erroneous payments and overpayments made, and may redeem dishonored checks and drafts deposited to the credit of such county. Any funds in the special trust fund which are not needed for current expenditures shall be invested in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the fund.

4. In order to permit sellers required to collect and report the sales tax to collect the amount required to be reported and remitted, but not to change the requirements of reporting or remitting the tax, or to serve as a levy of the tax, and in order to avoid fractions of pennies, the governing body of the county may authorize the use of a bracket system similar to that authorized in section 144.285, RSMo, and notwithstanding the provisions of that section, this new bracket system shall be used where this tax is imposed and shall apply to all taxable transactions. Beginning with the effective date of the tax, every retailer in the county shall add the sales tax to the sale price, and this tax shall be a debt of the purchaser to the retailer until paid, and shall be recoverable at law in the same manner as the purchase price. For purposes of this section, all retail sales shall be deemed to be consummated at the place of business of the retailer.

5. All applicable provisions in sections 144.010 to 144.524, RSMo, governing the state sales tax, and section 32.057, RSMo, the uniform confidentiality provision, shall apply to the collection of the tax, and all exemptions granted to agencies of government, organizations, and persons under sections 144.010 to 144.525, RSMo, are hereby made applicable to the imposition and collection of the tax. **"92.500. 1. The governing body of any city not within a county may impose, by order or ordinance, a sales tax on all retail sales made within the city which are subject to sales tax under chapter 144, RSMo. The tax authorized in this section shall not exceed one-half of one percent, and shall be imposed solely for the purpose of**

providing revenues for the operation of public safety departments, including police and fire departments, and for compensation, pension programs, and health care for employees and pensioners of the public safety departments. The tax authorized in this section shall be in addition to all other sales taxes imposed by law, and shall be stated separately from all other charges and taxes. The order or ordinance shall not become effective unless the governing body of the city submits to the voters residing within the city at a state general, primary, or special election a proposal to authorize the governing body of the city to impose a tax under this section.

2. The ballot of submission for the tax authorized in this section shall be in substantially the following form:

Shall ..... (insert the name of the city) impose a sales tax at a rate of ..... (insert rate of percent) percent, solely for the purpose of providing revenues for the operation of public safety departments of the city?

YES

NO

If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed to the question, place an "X" in the box opposite "NO".

If a majority of the votes cast on the question by the qualified voters voting thereon are in favor of the question, then the tax shall become effective on the first day of the second calendar quarter immediately following notification to the department of revenue. If a majority of the votes cast on the question by the qualified voters voting thereon are opposed to the question, then the tax shall not become effective unless and until the question is resubmitted under this section to the qualified voters and such question is approved by a majority of the qualified voters voting on the question.

3. All revenue collected under this section by the director of the department of revenue on behalf of any city, except for one percent for the cost of collection which shall be deposited in the state's general revenue fund, shall be deposited in a special trust fund, which is hereby created and shall be known as the "Public Safety Protection Sales Tax Fund", and shall be used solely for the designated purposes. Moneys in the fund shall not be deemed to be state funds, and shall not be commingled with any funds of the state. The director may make refunds from the amounts in the trust fund and credited to the city for erroneous payments and overpayments made, and may redeem dishonored checks and drafts deposited to the credit of such city. Any funds in the special trust fund which are not needed for current expenditures shall be invested in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the fund. The director shall keep accurate records of the amounts in the fund, and such records shall be open to the inspection of the officers of such city and to the public. Not later than the tenth day of each month, the director shall distribute all moneys deposited in the fund during the preceding month to the city. Such funds shall be deposited with the treasurer of the city, and all expenditures of moneys from the fund shall be by an appropriation ordinance enacted by the governing body of the city.

4. On or after the effective date of the tax, the director of revenue shall be responsible for the administration, collection, enforcement, and operation of the tax, and sections 32.085 and 32.087, RSMo, shall apply. In order to permit sellers required to collect and report the sales tax to collect the amount required to be reported and remitted, but not to change the requirements of reporting or remitting the tax, or to serve as a levy of the tax, and in order to avoid fractions of pennies, the governing body of the city may authorize the use of a bracket system similar to that authorized in section 144.285, RSMo, and notwithstanding the provisions of that section, this new bracket system shall be used where this tax is imposed and shall apply to all taxable transactions. Beginning with the effective date of the tax, every retailer in the city shall add the sales tax to the sale price, and this tax shall be a debt of the purchaser to the retailer until paid, and shall be recoverable at law in the same manner as the purchase price. For purposes of this section, all retail sales shall be deemed to be consummated at the place of business of the retailer.

5. All applicable provisions in sections 144.010 to 144.524, RSMo, governing the state sales tax, and section 32.057, RSMo, the uniform confidentiality provision, shall apply to the collection of the tax, and all exemptions granted to agencies of government, organizations, and persons under sections 144.010 to 144.525, RSMo, are hereby made applicable to the imposition and collection of the tax. The same sales tax permit, exemption certificate, and retail certificate required by sections 144.010 to 144.525, RSMo, for the administration and collection of the state sales tax shall satisfy the requirements of this section, and no additional permit or exemption certificate or retail certificate shall be required; except that, the director of revenue may prescribe a form of exemption certificate for an exemption from the tax. All discounts allowed the retailer under the state sales tax for the collection of and for payment of taxes are hereby allowed and made applicable to the tax. The penalties for violations provided in section 32.057, RSMo, and sections 144.010 to 144.525, RSMo, are hereby

made applicable to violations of this section. If any person is delinquent in the payment of the amount required to be paid under this section, or in the event a determination has been made against the person for the tax and penalties under this section, the limitation for bringing suit for the collection of the delinquent tax and penalties shall be the same as that provided in sections 144.010 to 144.525, RSMo.

6. The governing body of any city that has adopted the sales tax authorized in this section may submit the question of repeal of the tax to the voters on any date available for elections for the city. The ballot of submission shall be in substantially the following form:

Shall ..... (insert the name of the city) repeal the sales tax imposed at a rate of ..... (insert rate of percent) percent for the purpose of providing revenues for the operation of public safety departments of the city?

YES

NO

If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed to the question, place an "X" in the box opposite "NO".

If a majority of the votes cast on the question by the qualified voters voting thereon are in favor of repeal, that repeal shall become effective on December thirty-first of the calendar year in which such repeal was approved. If a majority of the votes cast on the question by the qualified voters voting thereon are opposed to the repeal, then the sales tax authorized in this section shall remain effective until the question is resubmitted under this section to the qualified voters and the repeal is approved by a majority of the qualified voters voting on the question.

7. Whenever the governing body of any city that has adopted the sales tax authorized in this section receives a petition, signed by a number of registered voters of the city equal to at least two percent of the number of registered voters of the city voting in the last gubernatorial election, calling for an election to repeal the sales tax imposed under this section, the governing body shall submit to the voters of the city a proposal to repeal the tax. If a majority of the votes cast on the question by the qualified voters voting thereon are in favor of the repeal, the repeal shall become effective on December thirty-first of the calendar year in which such repeal was approved. If a majority of the votes cast on the question by the qualified voters voting thereon are opposed to the repeal, then the sales tax authorized in this section shall remain effective until the question is resubmitted under this section to the qualified voters and the repeal is approved by a majority of the qualified voters voting on the question.

8. If the tax is repealed or terminated by any means, all funds remaining in the special trust fund shall continue to be used solely for the designated purposes, and the city shall notify the director of the department of revenue of the action at least ninety days before the effective date of the repeal and the director may order retention in the trust fund, for a period of one year, of two percent of the amount collected after receipt of such notice to cover possible refunds or overpayment of the tax and to redeem dishonored checks and drafts deposited to the credit of such accounts. After one year has elapsed after the effective date of abolition of the tax in such city, the director shall remit the balance in the account to the city and close the account of that city. The director shall notify each city of each instance of any amount refunded or any check redeemed from receipts due the city.”; and
