

HB 169 -- Special License Plates

Sponsor: Brown (30)

This bill allows for special license plates for persons awarded the Air Force Cross, Army Distinguished Service Cross, or Navy Cross.

To obtain these plates, individuals must furnish proof as a recipient of the medal to the Director of the Department of Revenue. There will be an additional fee charged for each set of license plates issued equal to the fee charged for personalized license plates, but the additional fee will only be paid once by the qualified applicant at the time of initial application. There will be no limit on the number of plates any qualified person may obtain.
