

JOURNAL OF THE HOUSE

First Regular Session, 95th GENERAL ASSEMBLY

SIXTY-THIRD DAY, TUESDAY, APRIL 28, 2009

The House met pursuant to adjournment.

Speaker Richard in the Chair.

Prayer by Msgr. Donald W. Lammers.

On a day after rainfall, let us pray, using the poetry of the Hebrew Scriptures.

Thus says the Lord:
For just as from the heavens
The rain and snow come down
And do not return there
Till they have watered the earth,
Making it fertile and fruitful,
Giving seed to him who sows
And bread to him who eats.

So shall my word be
That goes forth from my mouth;
It shall not return to me void,
But shall do my will,
Achieving the end for which I sent it.
(Isaiah 55:10-11)

Almighty God, may our words and actions today be in harmony with Your word, so that our work may achieve the end for which we were sent here.

We pray to You our God forever and ever. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Devin Kennedy, Evan McFarland, Alyssa Reyes, Erykah White, Jackie Evans, Lawrence Fang, Kirsten Hoy, Andrew Reese, Christian Pollock, Tim Hefley, Taylor Webb, Samantha Webb, Samantha Meyer and Rachel Oswald.

The Journal of the sixty-second day was approved as printed.

- (6) The state income tax in chapter 143, RSMo; and
- (7) The annual tax on gross receipts of express companies in chapter 153, RSMo.

2. For proposals approved pursuant to section 32.110:

(1) The amount of the tax credit shall not exceed fifty percent of the total amount contributed during the taxable year by the business firm or, in the case of a financial institution, where applicable, during the relevant income period in programs approved pursuant to section 32.110;

(2) Except as provided in subsection 2 or 5 of this section, a tax credit of up to seventy percent may be allowed for contributions to programs where activities fall within the scope of special program priorities as defined with the approval of the governor in regulations promulgated by the director of the department of economic development;

(3) Except as provided in subsection 2 or 5 of this section, the tax credit allowed for contributions to programs located in any community shall be equal to seventy percent of the total amount contributed where such community is a city, town or village which has fifteen thousand or less inhabitants as of the last decennial census and is located in a county which is either located in:

- (a) An area that is not part of a standard metropolitan statistical area;
- (b) A standard metropolitan statistical area but such county has only one city, town or village which has more than fifteen thousand inhabitants; or
- (c) A standard metropolitan statistical area and a substantial number of persons in such county derive their income from agriculture.

Such community may also be in an unincorporated area in such county as provided in subdivision (1), (2) or (3) of this subsection. Except in no case shall the total economic benefit of the combined federal and state tax savings to the taxpayer exceed the amount contributed by the taxpayer during the tax year;

(4) Such tax credit allocation, equal to seventy percent of the total amount contributed, shall not exceed four million dollars in fiscal year 1999 and six million dollars in fiscal year 2000 and any subsequent fiscal year. When the maximum dollar limit on the seventy percent tax credit allocation is committed, the tax credit allocation for such programs shall then be equal to fifty percent credit of the total amount contributed. Regulations establishing special program priorities are to be promulgated during the first month of each fiscal year and at such times during the year as the public interest dictates. Such credit shall not exceed two hundred and fifty thousand dollars annually except as provided in subdivision (5) of this subsection. No tax credit shall be approved for any bank, bank and trust company, insurance company, trust company, national bank, savings association, or building and loan association for activities that are a part of its normal course of business. Any tax credit not used in the period the contribution was made may be carried over the next five succeeding calendar or fiscal years until the full credit has been claimed. Except as otherwise provided for proposals approved pursuant to section 32.111, 32.112 or 32.117, in no event shall the total amount of all other tax credits allowed pursuant to sections 32.100 to 32.125 exceed thirty-two million dollars in any one fiscal year, of which six million shall be credits allowed pursuant to section 135.460, RSMo. If six million dollars in credits are not approved, then the remaining credits may be used for programs approved pursuant to sections 32.100 to 32.125. **To the extent that as of the last day of April in any year, less than thirty million dollars in tax credits have been issued under the provisions of this section, such remaining unissued tax credits shall be made available for allocation pursuant to the provisions of section 135.704, RSMo;**

(5) The credit may exceed two hundred fifty thousand dollars annually and shall not be limited if community services, crime prevention, education, job training, physical revitalization or economic development, as defined by section 32.105, is rendered in an area defined by federal or state law as an impoverished, economically distressed, or blighted area or as a neighborhood experiencing problems endangering its existence as a viable and stable neighborhood, or if the community services, crime prevention, education, job training, physical revitalization or economic development is limited to impoverished persons.

3. For proposals approved pursuant to section 32.111:

(1) The amount of the tax credit shall not exceed fifty-five percent of the total amount invested in affordable housing assistance activities or market rate housing in distressed communities as defined in section 135.530, RSMo, by a business firm. Whenever such investment is made in the form of an equity investment or a loan, as opposed to a donation alone, tax credits may be claimed only where the loan or equity investment is accompanied by a donation which is eligible for federal income tax charitable deduction, and where the total value of the tax credits herein plus the value of the federal income tax charitable deduction is less than or equal to the value of the donation. Any tax credit not used in the period for which the credit was approved may be carried over the next ten succeeding calendar or fiscal years until the full credit has been allowed. If the affordable housing units or market rate housing units in distressed communities for which a tax is claimed are within a larger structure, parts of which are not the subject of a tax credit claim, then expenditures applicable to the entire structure shall be reduced on a prorated basis in proportion to the ratio of the number of square feet devoted to the affordable housing units or market rate housing units in distressed communities, for purposes of determining the amount of the tax credit. The total amount of tax credit granted for programs approved pursuant to section 32.111 for the fiscal year beginning July 1, 1991, shall not exceed two million dollars, to be increased by no more than two million dollars each succeeding fiscal year, until the total tax credits that may be approved reaches ten million dollars in any fiscal year;

(2) For any year during the compliance period indicated in the land use restriction agreement, the owner of the affordable housing rental units for which a credit is being claimed shall certify to the commission that all tenants renting claimed units are income eligible for affordable housing units and that the rentals for each claimed unit are in compliance with the provisions of sections 32.100 to 32.125. The commission is authorized, in its discretion, to audit the records and accounts of the owner to verify such certification;

(3) In the case of owner-occupied affordable housing units, the qualifying owner occupant shall, before the end of the first year in which credits are claimed, certify to the commission that the occupant is income eligible during the preceding two years, and at the time of the initial purchase contract, but not thereafter. The qualifying owner occupant shall further certify to the commission, before the end of the first year in which credits are claimed, that during the compliance period indicated in the land use restriction agreement, the cost of the affordable housing unit to the occupant for the claimed unit can reasonably be projected to be in compliance with the provisions of sections 32.100 to 32.125. Any succeeding owner occupant acquiring the affordable housing unit during the compliance period indicated in the land use restriction agreement shall make the same certification;

(4) If at any time during the compliance period the commission determines a project for which a proposal has been approved is not in compliance with the applicable provisions of sections 32.100 to 32.125 or rules promulgated therefor, the commission may within one hundred fifty days of notice to the owner either seek injunctive enforcement action against the owner, or seek legal damages against the owner representing the value of the tax credits, or foreclose on the lien in the land use restriction agreement, selling the project at a public sale, and paying to the owner the proceeds of the sale, less the costs of the sale and less the value of all tax credits allowed herein. The commission shall remit to the director of revenue the portion of the legal damages collected or the sale proceeds representing the value of the tax credits. However, except in the event of intentional fraud by the taxpayer, the proposal's certificate of eligibility for tax credits shall not be revoked.

4. For proposals approved pursuant to section 32.112, the amount of the tax credit shall not exceed fifty-five percent of the total amount contributed to a neighborhood organization by business firms. Any tax credit not used in the period for which the credit was approved may be carried over the next ten succeeding calendar or fiscal years until the full credit has been allowed. The total amount of tax credit granted for programs approved pursuant to section 32.112 shall not exceed one million dollars for each fiscal year.

5. The total amount of tax credits used for market rate housing in distressed communities pursuant to sections 32.100 to 32.125 shall not exceed thirty percent of the total amount of all tax credits authorized pursuant to sections 32.111 and 32.112.

135.484. 1. Beginning January 1, 2000, tax credits shall be allowed pursuant to section 135.481 in an amount not to exceed sixteen million dollars per year. Of this total amount of tax credits in any given year, eight million dollars shall be set aside for projects in areas described in subdivision (6) of section 135.478 and eight million dollars for projects in areas described in subdivision (10) of section 135.478. The maximum tax credit for a project consisting of multiple-unit qualifying residences in a distressed community shall not exceed three million dollars. **To the extent that as of the first day of December in any year, less than sixteen million dollars in tax credits have been issued under the provisions of this section, such remaining unissued tax credits shall be made available for allocation under the provisions of section 135.704.**

2. Any amount of credit which exceeds the tax liability of a taxpayer for the tax year in which the credit is first claimed may be carried back to any of the taxpayer's three prior tax years and carried forward to any of the taxpayer's five subsequent tax years. A certificate of tax credit issued to a taxpayer by the department may be assigned, transferred, sold or otherwise conveyed. Whenever a certificate of tax credit is assigned, transferred, sold or otherwise conveyed, a notarized endorsement shall be filed with the department specifying the name and address of the new owner of the tax credit and the value of the credit.

3. The tax credits allowed pursuant to sections 135.475 to 135.487 may not be claimed in addition to any other state tax credits, with the exception of the historic structures rehabilitation tax credit authorized pursuant to sections 253.545 to 253.559, RSMo, which insofar as sections 135.475 to 135.487 are concerned may be claimed only in conjunction with the tax credit allowed pursuant to subsection 4 of section 135.481. In order for a taxpayer eligible for the historic structures rehabilitation tax credit to claim the tax credit allowed pursuant to subsection 4 of section 135.481, the taxpayer must comply with the requirements of sections 253.545 to 253.559, RSMo, and in such cases, the amount of the tax credit pursuant to subsection 4 of section 135.481 shall be limited to the lesser of twenty percent of the taxpayer's eligible costs or forty thousand dollars.

135.535. 1. A corporation, limited liability corporation, partnership or sole proprietorship, which moves its operations from outside Missouri or outside a distressed community into a distressed community, or which commences

The maximum amount of credits per taxpayer set forth in this subsection shall not exceed one hundred twenty-five thousand dollars for each of the three years for which the credit is claimed. The department of economic development, by means of rule or regulation promulgated pursuant to the provisions of chapter 536, RSMo, shall assign appropriate North American Industry Classification System numbers to the companies which are eligible for the tax credits provided for in this section. Such three-year credits shall be awarded only one time to any company which moves its operations from outside of Missouri or outside of a distressed community into a distressed community or to a company which commences operations within a distressed community. A taxpayer shall file an application for certification of the tax credits for the first year in which credits are claimed and for each of the two succeeding taxable years for which credits are claimed.

2. Employees of such facilities physically working and earning wages for that work within a distressed community whose employers have been approved for tax credits pursuant to subsection 1 of this section by the department of economic development for whom payroll taxes are paid shall also be eligible to receive a tax credit against individual income tax, imposed pursuant to chapter 143, RSMo, equal to one and one-half percent of their gross salary paid at such facility earned for each of the three years that the facility receives the tax credit provided by this section, so long as they were qualified employees of such entity. The employer shall calculate the amount of such credit and shall report the amount to the employee and the department of revenue.

3. A tax credit against income taxes owed pursuant to chapter 143, 147 or 148, RSMo, other than the taxes withheld pursuant to sections 143.191 to 143.265, RSMo, in lieu of the credit against income taxes as provided in subsection 1 of this section, may be taken by such an entity in a distressed community in an amount of forty percent of the amount of funds expended for computer equipment and its maintenance, medical laboratories and equipment, research laboratory equipment, manufacturing equipment, fiber optic equipment, high speed telecommunications, wiring or software development expense up to a maximum of seventy-five thousand dollars in tax credits for such equipment or expense per year per entity and for each of three years after commencement in or moving operations into a distressed community.

4. A corporation, partnership or sole partnership, which has no more than one hundred employees for whom payroll taxes are paid, which is already located in a distressed community and which expends funds for such equipment pursuant to subsection 3 of this section in an amount exceeding its average of the prior two years for such equipment, shall be eligible to receive a tax credit against income taxes owed pursuant to chapters 143, 147 and 148, RSMo, in an amount equal to the lesser of seventy-five thousand dollars or twenty-five percent of the funds expended for such additional equipment per such entity. Tax credits allowed pursuant to this subsection or subsection 1 of this section may be carried back to any of the three prior tax years and carried forward to any of the **next** five tax years.

5. An existing corporation, partnership or sole proprietorship that is located within a distressed community and that relocates employees from another facility outside of the distressed community to its facility within the distressed community, and an existing business located within a distressed community that hires new employees for that facility may both be eligible for the tax credits allowed by subsections 1 and 3 of this section. To be eligible for such tax credits, such a business, during one of its tax years, shall employ within a distressed community at least twice as many employees as were employed at the beginning of that tax year. A business hiring employees shall have no more than one hundred employees before the addition of the new employees. This subsection shall only apply to a business which is a manufacturing, biomedical, medical devices, scientific research, animal research, computer software design or development, computer programming or telecommunications business, or a professional firm.

6. Tax credits shall be approved for applicants meeting the requirements of this section in the order that such applications are received. Certificates of tax credits issued in accordance with this section may be transferred, sold or assigned by notarized endorsement which names the transferee.

7. The tax credits allowed pursuant to subsections 1, 2, 3, 4 and 5 of this section shall be for an amount of no more than ten million dollars for each year beginning in 1999. To the extent there are available tax credits remaining under the ten million dollar cap provided in this section, [up to one hundred thousand dollars in the] **such** remaining credits shall first be used for tax credits authorized under section 135.562. **To the extent that as of the first day of December in any year, less than ten million dollars in tax credits have been issued under the provisions of this**

section, such remaining unissued tax credits shall be made available for allocation under the provisions of section 135.704. The total maximum credit for all entities already located in distressed communities and claiming credits pursuant to subsection 4 of this section shall be seven hundred and fifty thousand dollars. The department of economic development in approving taxpayers for the credit as provided for in subsection 6 of this section shall use information provided by the department of revenue regarding taxes paid in the previous year, or projected taxes for those entities newly established in the state, as the method of determining when this maximum will be reached and shall maintain a record of the order of approval. Any tax credit not used in the period for which the credit was approved may be carried over until the full credit has been allowed.

8. A Missouri employer relocating into a distressed community and having employees covered by a collective bargaining agreement at the facility from which it is relocating shall not be eligible for the credits in subsection 1, 3, 4 or 5 of this section, and its employees shall not be eligible for the credit in subsection 2 of this section if the relocation violates or terminates a collective bargaining agreement covering employees at the facility, unless the affected collective bargaining unit concurs with the move.

9. Notwithstanding any provision of law to the contrary, no taxpayer shall earn the tax credits allowed in this section and the tax credits otherwise allowed in section 135.110, or the tax credits, exemptions, and refund otherwise allowed in sections 135.200, 135.220, 135.225 and 135.245, respectively, for the same business for the same tax period.

- (a) Is acquired after September 4, 2007, at its original issuance solely in exchange for cash;
- (b) Has at least eighty-five percent of its cash purchase price used by the issuer to make qualified low-income community investments; and
- (c) Is designated by the issuer as a qualified equity investment under this subdivision and is certified by the department of economic development as not exceeding the limitation contained in subsection 2 of this section.

This term shall include any qualified equity investment that does not meet the provisions of paragraph (a) of this subdivision if such investment was a qualified equity investment in the hands of a prior holder;

(8) "Qualified low-income community investment", any capital or equity investment in, or loan to, any qualified active low-income community business. With respect to any one qualified active low-income community business, the maximum amount of qualified low-income community investments made in such business, on a collective basis with all of its affiliates, that may be used from the calculation of any numerator described in subparagraph a. of paragraph (b) of subdivision (1) of this subsection shall be ten million dollars whether issued to one or several qualified community development entities;

(9) "Tax credit", a credit against the tax otherwise due under chapter 143, RSMo, excluding withholding tax imposed in sections 143.191 to 143.265, RSMo, or otherwise due under section 375.916, RSMo, or chapter 147, 148, or 153, RSMo;

(10) "Taxpayer", any individual or entity subject to the tax imposed in chapter 143, RSMo, excluding withholding tax imposed in sections 143.191 to 143.265, RSMo, or the tax imposed in section 375.916, RSMo, or chapter 147, 148, or 153, RSMo.

2. A taxpayer that makes a qualified equity investment earns a vested right to tax credits under this section. On each credit allowance date of such qualified equity investment the taxpayer, or subsequent holder of the qualified equity investment, shall be entitled to a tax credit during the taxable year including such credit allowance date. The tax credit amount shall be equal to the applicable percentage of the adjusted purchase price paid to the issuer of such qualified equity investment. The amount of the tax credit claimed shall not exceed the amount of the taxpayer's state tax liability for the tax year for which the tax credit is claimed. No tax credit claimed under this section shall be refundable or transferable. Tax credits earned by a partnership, limited liability company, S-corporation, or other pass-through entity may be allocated to the partners, members, or shareholders of such entity for their direct use in accordance with the provisions of any agreement among such partners, members, or shareholders. Any amount of tax credit that the taxpayer is prohibited by this section from claiming in a taxable year may be carried forward to any of the taxpayer's five subsequent taxable years. The department of economic development shall limit the monetary amount of qualified equity investments permitted under this section to a level necessary to limit tax credit utilization at no more than fifteen million dollars of tax credits in any fiscal year. **To the extent that as of the last day of April in any year, less than fifteen million dollars in tax credits have been issued under the provisions of this section, such remaining unissued tax credits shall be made available for allocation under the provisions of section 135.704.** Such limitation on qualified equity investments shall be based on the anticipated utilization of credits without regard to the potential for taxpayers to carry forward tax credits to later tax years.

3. The issuer of the qualified equity investment shall certify to the department of economic development the anticipated dollar amount of such investments to be made in this state during the first twelve-month period following the initial credit allowance date. If on the second credit allowance date, the actual dollar amount of such investments is different than the amount estimated, the department of economic development shall adjust the credits arising on the second allowance date to account for such difference.

4. The department of economic development shall recapture the tax credit allowed under this section with respect to such qualified equity investment under this section if:

- (1) Any amount of the federal tax credit available with respect to a qualified equity investment that is eligible for a tax credit under this section is recaptured under Section 45D of the Internal Revenue Code of 1986, as amended; or
- (2) The issuer redeems or makes principal repayment with respect to a qualified equity investment prior to the seventh anniversary of the issuance of such qualified equity investment.

Any tax credit that is subject to recapture shall be recaptured from the taxpayer that claimed the tax credit on a return.

5. The department of economic development shall promulgate rules to implement the provisions of this section, including recapture provisions on a scaled proportional basis, and to administer the allocation of tax credits issued for qualified equity investments, which shall be conducted on a first-come, first-serve basis. Any rule or portion of a rule,

as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after September 4, 2007, shall be invalid and void.

6. For fiscal years following fiscal year 2010, qualified equity investments shall not be made under this section unless reauthorization is made pursuant to this subsection. For all fiscal years following fiscal year 2010, unless the general assembly adopts a concurrent resolution granting authority to the department of economic development to approve qualified equity investments for the Missouri new markets development program and clearly describing the amount of tax credits available for the next fiscal year, or otherwise complies with the provisions of this subsection, no qualified equity investments may be permitted to be made under this section. The amount of available tax credits contained in such a resolution shall not exceed the limitation provided under subsection 2 of this section. In any year in which the provisions of this section shall sunset pursuant to subsection 7 of this section, reauthorization shall be made by general law and not by concurrent resolution. Nothing in this subsection shall preclude a taxpayer who makes a qualified equity investment prior to the expiration of authority to make qualified equity investments from claiming tax credits relating to such qualified equity investment for each applicable credit allowance date.

7. Under section 23.253, RSMo, of the Missouri sunset act:

- (1) The provisions of the new program authorized under this section shall automatically sunset six years after September 4, 2007, unless reauthorized by an act of the general assembly; and
- (2) If such program is reauthorized, the program authorized under this section shall automatically sunset twelve years after the effective date of the reauthorization of this section; and
- (3) This section shall terminate on September first of the calendar year immediately following the calendar year in which the program authorized under this section is sunset.

However, nothing in this subsection shall preclude a taxpayer who makes a qualified equity investment prior to sunset of this section under the provisions of section 23.253, RSMo, from claiming tax credits relating to such qualified equity investment for each credit allowance date.

135.704. 1. As used in this section, the following terms mean:

- (1) "Authority", the Missouri agricultural and small business development authority established in chapter 348, RSMo;
- (2) "Milk producer", any person with a valid Missouri milk producer identification number who operates a dairy farm and provides, sells, or offers milk for sale to a milk plant, receiving station, or transfer station;
- (3) "Noncontrollable input cost", feed, fertilizer, and fuel costs;
- (4) "Livestock", any swine or beef cattle;
- (5) "Livestock production costs", the market value of feed commodities used in the production of livestock, including but not limited to corn and soybeans, of the type and in the quantity determined by the authority needed to bring livestock to market based on the sale weight of such livestock;
- (6) "Market value", the market price of any feed commodity or livestock on the date of sale;
- (7) "Qualifying loss", an aggregate loss from the sale of milk or livestock including any federal and state payments during a twelve-month period based on the total of all sales of milk and livestock during such twelve-month period;
- (8) "Taxpayer", any individual, partnership, or corporation as described in sections 143.441 and 143.471, RSMo, that is subject to the tax imposed in chapter 143, RSMo, excluding withholding tax imposed by sections 143.191 to 143.265, RSMo, or the tax imposed in chapter 147, RSMo.

2. For all taxable years beginning on or after January 1, 2010, any resident taxpayer who is actively engaged in business as a milk, swine, or cattle producer shall be granted a tax credit based upon the amount of milk, swine, or cattle produced and sold. The tax credit authorized under this section shall be allowed based upon production for any month in which the average amount of revenue received from products drops below the announced production price determined by the authority on the basis of noncontrollable input cost. The tax credit authorized under this section may be claimed against a taxpayer's state tax liability or quarterly estimated tax in the year of issuance. If the amount of the tax credit issued exceeds the amount of the taxpayer's state tax liability for the tax year for which the credit is claimed, the difference shall not be refundable but may be carried forward to any of the taxpayer's three subsequent taxable years. The tax credits authorized under this section

may be transferred, sold, assigned, or otherwise conveyed, and the new owner shall have the same rights as the original taxpayer.

3. The authority shall be responsible for the administration and issuance of the certificate of tax credits authorized by this section. The authority may impose a fee for the provision of services authorized by this section.

4. Taxpayers shall apply for the milk, swine, or cattle production tax credit by submitting an application to the authority on a form provided by the authority.

5. If, based on the calculations made by the authority, the current livestock or milk production costs exceed the current market prices of livestock or milk, any participant in the program shall be eligible to receive a tax credit if the participant has a qualifying loss for a twelve-month period.

6. The authority shall not issue more than twenty thousand dollars in tax credits per producer taxpayer per year. The authority shall not issue more tax credits in any calendar year than are allocable to this program for such calendar year as provided under section 32.115, RSMo, section 99.1205, RSMo, sections 135.484, 135.535, and 135.680, and section 208.770, RSMo.

7. The authority may promulgate rules to implement the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2009, shall be invalid and void.

8. Under section 23.253, RSMo, of the Missouri sunset act:

(1) The provisions of the new program authorized under this section shall automatically sunset on December thirty-first six years after August 28, 2009, unless reauthorized by an act of the general assembly; and

(2) If such program is reauthorized, the program authorized under this section shall automatically sunset on December thirty-first twelve years after the effective date of the reauthorization of this section; and

(3) This section shall terminate on September first of the calendar year immediately following the calendar year in which the program authorized under this section is sunset.

208.770. 1. Moneys deposited in or withdrawn pursuant to subsection 1 of section 208.760 from a family development account by an account holder are exempted from taxation pursuant to chapter 143, RSMo, excluding withholding tax imposed by sections 143.191 to 143.265, RSMo, and chapter 147, 148 or 153, RSMo, provided, however, that any money withdrawn for an unapproved use should be subject to tax as required by law.

2. Interest earned by a family development account is exempted from taxation pursuant to chapter 143, RSMo.

3. Any funds in a family development account, including accrued interest, shall be disregarded when determining eligibility to receive, or the amount of, any public assistance or benefits.

4. A program contributor shall be allowed a credit against the tax imposed by chapter 143, RSMo, excluding withholding tax imposed by sections 143.191 to 143.265, RSMo, and chapter 147, 148 or 153, RSMo, pursuant to sections 208.750 to 208.775. Contributions up to fifty thousand dollars per program contributor are eligible for the tax credit which shall not exceed fifty percent of the contribution amount.

5. The department of economic development shall verify all tax credit claims by contributors. The administrator of the community-based organization, with the cooperation of the participating financial institutions, shall submit the names of contributors and the total amount each contributor contributes to a family development account reserve fund for the calendar year. The director shall determine the date by which such information shall be submitted to the department by the local administrator. The department shall submit verification of qualified tax credits pursuant to sections 208.750 to 208.775 to the department of revenue.

6. The total tax credits authorized pursuant to sections 208.750 to 208.775 shall not exceed four million dollars in any fiscal year. **To the extent that as of the last day of April in any year, less than four million dollars in tax credits have been issued under the provisions of this section, such remaining unissued tax credits shall be made available for allocation under the provisions of section 135.704, RSMo.**; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

HCS SS SB 307, relating to health care provider assessments, was taken up by Representative Schaaf.

Representative Stream offered **House Amendment No. 1**.

House Amendment No. 1

AMEND House Committee Substitute for Senate Substitute for Senate Bill No. 307, Page 1, In the Title, Line 3, by deleting the words “ambulance service reimbursement allowance tax” and inserting in lieu thereof the following “provider assessments”; and

Further amend said bill, Page 8, Section 633.402, Line 85, by inserting after all of said section the following:

“660.425. 1. In addition to all other fees and taxes required or paid, a tax is hereby imposed upon in-home services providers for the privilege of providing in-home services under chapter 208, RSMo. The tax is imposed upon payments received by an in-home services provider for the provision of in-home services under chapter 208, RSMo.

2. For purposes of sections 660.425 to 660.465, the following terms shall mean:

(1) "Engaging in the business of providing in-home services", all payments received by an in-home services provider for the provision of in-home services under chapter 208, RSMo;

(2) "In-home services", homemaker services, personal care services, chore services, respite services, consumer-directed services, and services, when provided in the individual's home and under a plan of care created by a physician, necessary to keep children out of hospitals. In-home services shall not include home health services as defined by federal and state law;

(3) "In-home services provider", any provider or vendor, as defined in section 208.900, RSMo, of compensated in-home services under chapter 208, RSMo, and under a provider agreement or contracted with the department of social services or the department of health and senior services.

660.430. 1. Each in-home services provider in this state providing in-home services under chapter 208, RSMo, shall, in addition to all other fees and taxes now required or paid, pay an in-home services gross receipts tax, not to exceed six and one-half percent of gross receipts, for the privilege of engaging in the business of providing in-home services in this state.

2. Each in-home services provider's tax shall be based on a formula set forth in rules promulgated by the department of social services. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2009, shall be invalid and void.

3. The director of the department of social services or the director's designee may prescribe the form and contents of any forms or other documents required by sections 660.425 to 660.465.

4. Notwithstanding any other provision of law to the contrary, appeals regarding the promulgation of rules under this section shall be made to the circuit court of Cole County. The circuit court of Cole County shall hear the matter as the court of original jurisdiction.

660.435. 1. For purposes of assessing the tax under sections 660.425 to 660.465, the department of health and senior services shall make available to the department of social services a list of all providers and vendors under this section.

2. Each in-home services provider subject to sections 660.425 to 660.465 shall keep such records as may be necessary to determine the total payments received for the provision of in-home services under chapter 208, RSMo, by the in-home services provider. Every in-home services provider shall submit to the department of social services a statement that accurately reflects such information as is necessary to determine such in-home services provider's tax due.

3. The director of the department of social services may prescribe the form and contents of any forms or other documents required by this section.

4. Each in-home services provider shall report the total payments received for the provision of in-home services under chapter 208, RSMo, to the department of social services.

660.440. 1. The tax imposed by sections 660.425 to 660.465 shall become effective upon authorization by the federal Centers for Medicare & Medicaid Services for a gross receipts tax for in-home services.

2. If the federal Centers for Medicare & Medicaid Services determines that their authorization is not necessary for the tax imposed under sections 660.425 to 660.465, the tax shall become effective sixty days after the date of such determination.

660.445. 1. The determination of the amount of tax due shall be the total amount of payments reported to the department multiplied by the tax rate established by rule by the department of social services.

2. The department of social services shall notify each in-home services provider of the amount of tax due. Such amount may be paid in increments over the balance of the assessment period.

3. The department of social services may adjust the tax due quarterly on a prospective basis. The department of social services may adjust the tax due more frequently for individual providers if there is a substantial and statistically significant change in the in-home services provided or in the payments received for such services provided under chapter 208, RSMo. The department of social services may define such adjustment criteria by rule.

660.450. The director of the department of social services may offset the tax owed by an in-home services provider against any Missouri Medicaid payment due such in-home services provider, if the in-home services provider requests such an offset. The amounts to be offset shall result, so far as practicable, in withholding from the in-home services provider an amount substantially equal to the assessment due from the in-home services provider. The office of administration and the state treasurer may make any fund transfers necessary to execute the offset.

660.455. 1. The in-home services tax owed or, if an offset has been made, the balance after such offset, if any, shall be remitted by the in-home services provider to the department of social services. The remittance shall be made payable to the director of the department of social services and shall be deposited in the state treasury to the credit of the "In-home Services Gross Receipts Tax Fund" which is hereby created to provide payments for in-home services provided under chapter 208, RSMo. All investment earnings of the fund shall be credited to the fund.

2. An offset authorized by section 660.450 or a payment to the in-home services gross receipts tax fund shall be accepted as payment of the obligation set forth in section 660.425.

3. The state treasurer shall maintain records showing the amount of money in the in-home services gross receipts tax fund at any time and the amount of investment earnings on such amount.

4. Notwithstanding the provisions of section 33.080, RSMo, to the contrary, any unexpended balance in the in-home services gross receipts tax fund at the end of the biennium shall not revert to the credit of the general revenue fund.

660.460. 1. The department of social services shall notify each in-home services provider with a tax due of more than ninety days of the amount of such balance. If any in-home services provider fails to pay its in-home services tax within thirty days of such notice, the in-home services tax shall be delinquent.

2. If any tax imposed under sections 660.425 to 660.465 is unpaid and delinquent, the department of social services may proceed to enforce the state's lien against the property of the in-home services provider and compel the payment of such assessment in the circuit court having jurisdiction in the county where the in-home services provider is located. In addition, the department of social services may cancel or refuse to issue, extend, or reinstate a Medicaid provider agreement to any in-home services provider that fails to pay the tax imposed by section 660.425.

3. Failure to pay the tax imposed under section 660.425 shall be grounds for failure to renew a provider agreement for services under chapter 208, RSMo, or failure to renew a provider contract. The department of social services may revoke the provider agreement of any in-home services provider that fails to pay such tax, or notify the department of health and senior services to revoke the provider contract.

660.465. 1. The in-home services tax required by sections 660.425 to 660.465 shall expire:

(1) Ninety days after any one or more of the following conditions are met:

(a) The aggregate in-home services fee as appropriated by the general assembly paid to in-home services providers for in-home services provided under chapter 208, RSMo, is less than the fiscal year 2010 in-home services fees reimbursement amount; or

(b) The formula used to calculate the reimbursement as appropriated by the general assembly for in-home services provided is changed resulting in lower reimbursement to in-home services providers in the aggregate than provided in fiscal year 2010; or

(2) September 1, 2011. The director of the department of social services shall notify the revisor of statutes of the expiration date as provided in this subsection.

2. Sections 660.425 to 660.465 shall expire on September 1, 2011.”; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

Representative Wilson (130) assumed the Chair.

On motion of Representative Stream, **House Amendment No. 1** was adopted.

Representative Dethrow offered **House Amendment No. 2**.

House Amendment No. 2

AMEND House Committee Substitute for Senate Substitute for Senate Bill No. 307, Section 190.839, Page 5, Line 1, by inserting immediately after all of said section and line the following:

"205.202. 1. The governing body of any hospital district established under sections 205.160 to 205.379 in any county of the third classification without a township form of government and with more than thirteen thousand five hundred but fewer than thirteen thousand six hundred inhabitants may, by resolution, abolish the property tax levied in such district under this chapter and impose a sales tax on all retail sales made within the district which are subject to sales tax under chapter 144, RSMo. The tax authorized in this section shall be not more than one percent, and shall be imposed solely for the purpose of funding the hospital district. The tax authorized in this section shall be in addition to all other sales taxes imposed by law, and shall be stated separately from all other charges and taxes.

2. No such resolution adopted under this section shall become effective unless the governing body of the hospital district submits to the voters residing within the district at a state general, primary, or special election a proposal to authorize the governing body of the district to impose a tax under this section. If a majority of the votes cast on the question by the qualified voters voting thereon are in favor of the question, then the tax shall become effective on the first day of the second calendar quarter after the director of revenue receives notification of adoption of the local sales tax. If a majority of the votes cast on the question by the qualified voters voting thereon are opposed to the question, then the tax shall not become effective unless and until the question is resubmitted under this section to the qualified voters and such question is approved by a majority of the qualified voters voting on the question.

3. All revenue collected under this section by the director of the department of revenue on behalf of the hospital district, except for one percent for the cost of collection which shall be deposited in the state's general revenue fund, shall be deposited in a special trust fund, which is hereby created and shall be known as the "Hospital District Sales Tax Fund", and shall be used solely for the designated purposes. Moneys in the fund shall not be deemed to be state funds, and shall not be commingled with any funds of the state. The director may make refunds from the amounts in the fund and credited to the district for erroneous payments and overpayments made, and may redeem dishonored checks and drafts deposited to the credit of such district. Any funds in the special fund which are not needed for current expenditures shall be invested in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the fund.

4. The governing body of any hospital district that has adopted the sales tax authorized in this section may submit the question of repeal of the tax to the voters on any date available for elections for the district. If a majority of the votes cast on the question by the qualified voters voting thereon are in favor of the repeal, that repeal shall become effective on December thirty-first of the calendar year in which such repeal was approved.

If a majority of the votes cast on the question by the qualified voters voting thereon are opposed to the repeal, then the sales tax authorized in this section shall remain effective until the question is resubmitted under this section to the qualified voters and the repeal is approved by a majority of the qualified voters voting on the question.

5. Whenever the governing body of any hospital district that has adopted the sales tax authorized in this section receives a petition, signed by a number of registered voters of the district equal to at least ten percent of the number of registered voters of the district voting in the last gubernatorial election, calling for an election to repeal the sales tax imposed under this section, the governing body shall submit to the voters of the district a proposal to repeal the tax. If a majority of the votes cast on the question by the qualified voters voting thereon are in favor of the repeal, the repeal shall become effective on December thirty-first of the calendar year in which such repeal was approved. If a majority of the votes cast on the question by the qualified voters voting thereon are opposed to the repeal, then the sales tax authorized in this section shall remain effective until the question is resubmitted under this section to the qualified voters and the repeal is approved by a majority of the qualified voters voting on the question.

6. If the tax is repealed or terminated by any means, all funds remaining in the special trust fund shall continue to be used solely for the designated purposes, and the hospital district shall notify the director of the department of revenue of the action at least ninety days before the effective date of the repeal and the director may order retention in the trust fund, for a period of one year, of two percent of the amount collected after receipt of such notice to cover possible refunds or overpayment of the tax and to redeem dishonored checks and drafts deposited to the credit of such accounts. After one year has elapsed after the effective date of abolition of the tax in such district, the director shall remit the balance in the account to the district and close the account of that district. The director shall notify each district of each instance of any amount refunded or any check redeemed from receipts due the district."; and

Further amend said substitute, Section B, Page 8, Line 6, by inserting immediately after all of said section and line the following:

"Section B. Because immediate action is necessary to allow certain hospital districts to lower their property tax levies, the enactment of section 205.202 of section A of this act is deemed necessary for the immediate preservation of the public health, welfare, peace, and safety, and is hereby declared to be an emergency act within the meaning of the constitution, and the enactment of section 205.202 of section A of this act shall be in full force and effect upon its passage and approval."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

On motion of Representative Dethrow, **House Amendment No. 2** was adopted.
