

JOURNAL OF THE HOUSE

First Regular Session, 95th GENERAL ASSEMBLY

SIXTY-FOURTH DAY, WEDNESDAY, APRIL 29, 2009

The House met pursuant to adjournment.

Speaker Pro Tem Pratt in the Chair.

Prayer by Reverend James Earl Jackson.

Lord God, You are supreme over all things and all persons and all powers. We proclaim Your glory and Your authority and might. You have put all things in place and You reign in truth and majesty.

Holy God, another day is before us and we are faced with many important decisions. In this time of uncertainty, pandemics, declining markets, wars and rumors of wars, You are a God of certainty, whose directives are certain, whose ways are perfect.

As we move through this day, we know we will have great opportunity to rely solely on our own thoughts, ideas, and wisdom. But the wisdom, we need, which comes from You, is first of all pure, also peaceful, gentle, and willing to yield to others, full of mercy and good deeds, shows no favoritism and is always sincere. With that in mind, may we serve our state well and with the highest integrity.

Now may You, the source of hope, grant each of these in this Assembly joy, hope and confidence as they continue in this day.

These things I pray in the name of Your Son. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Makinley Powers, Mallory McDaniel, Matt Campbell, Jake Davis, Christian Derra, Lukas Lanter, Christopher Shinn, Kaylee Bundrick, Matt Koeller, Colleen Raftrey, Joe Anger, Kaela Young, Aaron Hooper, Austin Hooper, Joe Paine, Kelsey DeLong, Olivia Stevens, Neil Winter, Madison Goswick, Zackary Goswick, Daniel Fohey and Alex Addison.

In addition to the other powers of the secretary established in sections 347.010 to 347.187, the secretary shall, as is reasonably necessary to enable the secretary to administer sections 347.010 to 347.187 efficiently and to perform the secretary's duties, have the following powers including, but not limited to:

(1) The power to examine the books and records of any limited liability company to which sections 347.010 to 347.187 apply, and it shall be the duty of any manager, member or agent of such limited liability company having possession or control of such books and records, to produce such books and records for examination on demand of the secretary or his designated employee; except that no person shall be subject to any criminal prosecution on account of any matter or thing which may be disclosed by examination of any limited liability company books and records, which they may produce or exhibit for examination; or on account of any other matter or thing concerning which they may make any voluntary and truthful statement in writing to the secretary or his designated employee. All facts obtained in the examination of the books and records of any limited liability company, or through the voluntary sworn statement of any manager, member, agent or employee of any limited liability company, shall be treated as confidential, except insofar as official duty may require the disclosure of same, or when such facts are material to any issue in any legal proceeding in which the secretary or his designated employee may be a party or called as witness, and, if the secretary or his designated employee shall, except as provided in this subdivision, disclose any information relative to the private accounts, affairs, and transactions of any such limited liability company, he shall be guilty of a class C misdemeanor. If any manager, member or registered agent in possession or control of such books and records of any such limited liability company shall refuse a demand of the secretary or his designated employee, to exhibit the books and records of such limited liability company for examination, such person shall be guilty of a class B misdemeanor;

(2) The power to cancel or disapprove any articles of organization or other filing required under sections 347.010 to 347.187, if the limited liability company fails to comply with the provisions of sections 347.010 to 347.187 by failing to file required documents under sections 347.010 to 347.187, by failing to maintain a registered agent, by failing to pay the required filing fees, by using fraud or deception in effecting any filing, by filing a required document containing a false statement, or by violating any section or sections of the criminal laws of Missouri, the federal government or any other state of the United States. Thirty days before such cancellation shall take effect, the secretary shall notify the limited liability company with written notice, either personally or by certified mail, deposited in the United States mail in a sealed envelope addressed to such limited liability company's last registered agent in office, or to one of the limited liability company's members or managers. House Amendment No. 8

AMEND House Committee Substitute for Senate Bill No. 296, Page 54, Section 332.113, Line 35, by inserting immediately after said line the following:

"334.104. 1. A physician may enter into collaborative practice arrangements with registered professional nurses. Collaborative practice arrangements shall be in the form of written agreements, jointly agreed-upon protocols, or standing orders for the delivery of health care services. Collaborative practice arrangements, which shall be in writing, may delegate to a registered professional nurse the authority to administer or dispense drugs and provide treatment as long as the delivery of such health care services is within the scope of practice of the registered professional nurse and is consistent with that nurse's skill, training and competence.

2. Collaborative practice arrangements, which shall be in writing, may delegate to a registered professional nurse the authority to administer, dispense or prescribe drugs and provide treatment if the registered professional nurse is an advanced practice nurse as defined in subdivision (2) of section 335.016, RSMo. Collaborative practice arrangements may delegate to an advanced practice registered nurse, as defined in section 335.016, RSMo, the authority to administer, dispense, or prescribe controlled substances listed in Schedules III, IV, and V of section 195.017, RSMo; except that, the collaborative practice arrangement shall not delegate the authority to administer any controlled substances listed in schedules III, IV, and V of section 195.017, RSMo, for the purpose of inducing sedation or general anesthesia for therapeutic, diagnostic, or surgical procedures. Schedule III narcotic controlled substance prescriptions shall be limited to a one hundred twenty-hour supply without refill. Such collaborative practice arrangements shall be in the form of written agreements, jointly agreed-upon protocols or standing orders for the delivery of health care services.

3. The written collaborative practice arrangement shall contain at least the following provisions:

- (1) Complete names, home and business addresses, zip codes, and telephone numbers of the collaborating physician and the advanced practice registered nurse;
- (2) A list of all other offices or locations besides those listed in subdivision (1) of this subsection where the collaborating physician authorized the advanced practice registered nurse to prescribe;

(3) A requirement that there shall be posted at every office where the advanced practice registered nurse is authorized to prescribe, in collaboration with a physician, a prominently displayed disclosure statement informing patients that they may be seen by an advanced practice registered nurse and have the right to see the collaborating physician;

(4) All specialty or board certifications of the collaborating physician and all certifications of the advanced practice registered nurse;

(5) The manner of collaboration between the collaborating physician and the advanced practice registered nurse, including how the collaborating physician and the advanced practice registered nurse will:

(a) Engage in collaborative practice consistent with each professional's skill, training, education, and competence;

(b) Maintain geographic proximity; and

(c) Provide coverage during absence, incapacity, infirmity, or emergency by the collaborating physician;

(6) A description of the advanced practice registered nurse's controlled substance prescriptive authority in collaboration with the physician, including a list of the controlled substances the physician authorizes the nurse to prescribe and documentation that it is consistent with each professional's education, knowledge, skill, and competence;

(7) A list of all other written practice agreements of the collaborating physician and the advanced practice registered nurse;

(8) The duration of the written practice agreement between the collaborating physician and the advanced practice registered nurse; and

(9) A description of the time and manner of the collaborating physician's review of the advanced practice registered nurse's [prescribing practices] **delivery of health care services**. The description shall include provisions that the advanced practice registered nurse shall submit [documentation of] **a minimum of ten percent of the charts documenting** the advanced practice registered nurse's [prescribing practices] **delivery of health care services** to the collaborating physician [within] **for review every** fourteen days[. The documentation shall include, but not be limited to, a random sample review by the collaborating physician of at least twenty percent of the charts and medications prescribed.]; **and**

(10) The collaborating physician shall review every fourteen days a minimum of twenty percent of the charts in which the advanced practice registered nurse prescribes controlled substances. The charts reviewed under this subdivision may be counted in the number of charts required to be reviewed under subdivision (9) of this subsection.

4. The state board of registration for the healing arts pursuant to section 334.125 and the board of nursing pursuant to section 335.036, RSMo, may jointly promulgate rules regulating the use of collaborative practice arrangements. Such rules shall be limited to specifying geographic areas to be covered, the methods of treatment that may be covered by collaborative practice arrangements and the requirements for review of services provided pursuant to collaborative practice arrangements including delegating authority to prescribe controlled substances. Any rules relating to dispensing or distribution of medications or devices by prescription or prescription drug orders under this section shall be subject to the approval of the state board of pharmacy. Any rules relating to dispensing or distribution of controlled substances by prescription or prescription drug orders under this section shall be subject to the approval of the department of health and senior services and the state board of pharmacy. In order to take effect, such rules shall be approved by a majority vote of a quorum of each board. Neither the state board of registration for the healing arts nor the board of nursing may separately promulgate rules relating to collaborative practice arrangements. Such jointly promulgated rules shall be consistent with guidelines for federally funded clinics. The rulemaking authority granted in this subsection shall not extend to collaborative practice arrangements of hospital employees providing inpatient care within hospitals as defined pursuant to chapter 197, RSMo, **or population based public health services as defined by 20 CRS 2150-5.100 as of April 30, 2008.**

5. The state board of registration for the healing arts shall not deny, revoke, suspend or otherwise take disciplinary action against a physician for health care services delegated to a registered professional nurse provided the provisions of this section and the rules promulgated thereunder are satisfied. Upon the written request of a physician subject to a disciplinary action imposed as a result of an agreement between a physician and a registered professional nurse or registered physician assistant, whether written or not, prior to August 28, 1993, all records of such disciplinary licensure action and all records pertaining to the filing, investigation or review of an alleged violation of this chapter incurred as a result of such an agreement shall be removed from the records of the state board of registration for the healing arts and the division of professional registration and shall not be disclosed to any public or private entity seeking such information from the board or the division. The state board of registration for the healing arts shall take action to correct reports of alleged violations and disciplinary actions as described in this section which have been submitted to the National Practitioner Data Bank. In subsequent applications or representations relating to his medical practice, a

physician completing forms or documents shall not be required to report any actions of the state board of registration for the healing arts for which the records are subject to removal under this section.

6. Within thirty days of any change and on each renewal, the state board of registration for the healing arts shall require every physician to identify whether the physician is engaged in any collaborative practice agreement, including collaborative practice agreements delegating the authority to prescribe controlled substances, or physician assistant agreement and also report to the board the name of each licensed professional with whom the physician has entered into such agreement. The board may make this information available to the public. The board shall track the reported information and may routinely conduct random reviews of such agreements to ensure that agreements are carried out for compliance under this chapter.

7. Notwithstanding any law to the contrary, a certified registered nurse anesthetist as defined in subdivision (8) of section 335.016, RSMo, shall be permitted to provide anesthesia services without a collaborative practice arrangement provided that he or she is under the supervision of an anesthesiologist or other physician, dentist, or podiatrist who is immediately available if needed. Nothing in this subsection shall be construed to prohibit or prevent a certified registered nurse anesthetist as defined in subdivision (8) of section 335.016, RSMo, from entering into a collaborative practice arrangement under this section, except that the collaborative practice arrangement may not delegate the authority to prescribe any controlled substances listed in Schedules III, IV, and V of section 195.017, RSMo.

8. A collaborating physician shall not enter into a collaborative practice arrangement with more than three full-time equivalent advanced practice registered nurses. This limitation shall not apply to collaborative arrangements of hospital employees providing inpatient care service in hospitals as defined in chapter 197, RSMo, or population-based public health services as defined by 20 CSR 2150-5.100 as of April 30, 2008.

9. It is the responsibility of the collaborating physician to determine and document the completion of at least a one-month period of time during which the advanced practice registered nurse shall practice with the collaborating physician continuously present before practicing in a setting where the collaborating physician is not continuously present. This limitation shall not apply to collaborative arrangements of providers of population-based public health services as defined by 20 CSR 2150-5.100 as of April 30, 2008.

10. No agreement made under this section shall supersede current hospital licensing regulations governing hospital medication orders under protocols or standing orders for the purpose of delivering inpatient or emergency care within a hospital as defined in section 197.020, RSMo, if such protocols or standing orders have been approved by the hospital's medical staff and pharmaceutical therapeutics committee.

11. No contract or other agreement shall require a physician to act as a collaborating physician for an advanced practice registered nurse against the physician's will. A physician shall have the right to refuse to act as a collaborating physician, without penalty, for a particular advanced practice registered nurse. No contract or other agreement shall limit the collaborating physician's ultimate authority over any protocols or standing orders or in the delegation of the physician's authority to any advanced practice registered nurse, but this requirement shall not authorize a physician in implementing such protocols, standing orders, or delegation to violate applicable standards for safe medical practice established by hospital's medical staff.

12. No contract or other agreement shall require any advanced practice registered nurse to serve as a collaborating advanced practice registered nurse for any collaborating physician against the advanced practice registered nurse's will. An advanced practice registered nurse shall have the right to refuse to collaborate, without penalty, with a particular physician."; and

2. All vacancies which may exist at or during the meeting of the general assembly caused by death, resignation or removal shall be filled in like manner as those created by the expiration of official terms and shall be only for the unexpired term of the person whose vacancy is to be filled.]

[329.210. 1. The board shall have power to:

3. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this chapter shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2001, shall be invalid and void.]

The amount, if any, in the fund which shall lapse is that amount in the fund which exceeds the appropriate multiple of the appropriations from the board's funds for the preceding fiscal year.]; and

"376.421. 1. Except as provided in subsection 2 of this section, no policy of group health insurance shall be delivered in this state unless it conforms to one of the following descriptions:

(1) A policy issued to an employer, or to the trustees of a fund established by an employer, which employer or trustees shall be deemed the policyholder, to insure employees of the employer for the benefit of persons other than the employer, subject to the following requirements:

(a) The employees eligible for insurance under the policy shall be all of the employees of the employer, or all of any class or classes thereof. The policy may provide that the term "employees" shall include the employees of one or more subsidiary corporations, and the employees, individual proprietors, and partners of one or more affiliated corporations, proprietorships or partnerships, if the business of the employer and of such affiliated corporations, proprietorships or partnerships is under common control. The policy may provide that the term "employees" shall include the individual proprietor or partners if the employer is an individual proprietorship or partnership. The policy may provide that the term "employees" shall include retired employees, former employees and directors of a corporate employer. A policy issued to insure the employees of a public body may provide that the term "employees" shall include elected or appointed officials;

(b) The premium for the policy shall be paid either from the employer's funds or from funds contributed by the insured employees, or from both. Except as provided in paragraph (c) of this subdivision, a policy on which no part of the premium is to be derived from funds contributed by the insured employees must insure all eligible employees, except those who reject such coverage in writing; and

(c) An insurer may exclude or limit the coverage on any person as to whom evidence of individual insurability is not satisfactory to the insurer in a policy insuring fewer than ten employees and in a policy insuring ten or more employees if:

- a. Application is not made within thirty-one days after the date of eligibility for insurance; or
- b. The person voluntarily terminated the insurance while continuing to be eligible for insurance under the policy; or
- c. After the expiration of an open enrollment period during which the person could have enrolled for the insurance or could have elected another level of benefits under the policy;

(2) A policy issued to a creditor or its parent holding company or to a trustee or trustees or agent designated by two or more creditors, which creditor, holding company, affiliate, trustee, trustees or agent shall be deemed the policyholder, to insure debtors of the creditor or creditors with respect to their indebtedness subject to the following requirements:

(a) The debtors eligible for insurance under the policy shall be all of the debtors of the creditor or creditors, or all of any class or classes thereof. The policy may provide that the term "debtors" shall include:

- a. Borrowers of money or purchasers or lessees of goods, services, or property for which payment is arranged through a credit transaction;
- b. The debtors of one or more subsidiary corporations; and
- c. The debtors of one or more affiliated corporations, proprietorships or partnerships if the business of the policyholder and of such affiliated corporations, proprietorships or partnerships is under common control;

(b) The premium for the policy shall be paid either from the creditor's funds or from charges collected from the insured debtors, or from both. Except as provided in paragraph (c) of this subdivision, a policy on which no part of the premium is to be derived from funds contributed by insured debtors specifically for their insurance must insure all eligible debtors;

(c) An insurer may exclude any debtors as to whom evidence of individual insurability is not satisfactory to the insurer in a policy insuring fewer than ten debtors and in a policy insuring ten or more debtors if:

- a. Application is not made within thirty-one days after the date of eligibility for insurance; or
- b. The person voluntarily terminated the insurance while continuing to be eligible for insurance under the policy; or
- c. After the expiration of an open enrollment period during which the person could have enrolled for the insurance or could have elected another level of benefits under the policy;

(d) The total amount of insurance payable with respect to an indebtedness shall not exceed the greater of the scheduled or actual amount of unpaid indebtedness to the creditor. The insurer may exclude any payments which are delinquent on the date the debtor becomes disabled as defined in the policy;

(e) The insurance may be payable to the creditor or to any successor to the right, title, and interest of the creditor. Such payment or payments shall reduce or extinguish the unpaid indebtedness of the debtor to the extent of each such payment and any excess of insurance shall be payable to the insured or the estate of the insured;

(f) Notwithstanding the preceding provisions of this subdivision, insurance on agricultural credit transaction commitments may be written up to the amount of the loan commitment, and insurance on educational credit transaction commitments may be written up to the amount of the loan commitment less the amount of any repayments made on the loan;

(3) A policy issued to a labor union or similar employee organization, which shall be deemed to be the policyholder, to insure members of such union or organization for the benefit of persons other than the union or organization or any of its officials, representatives, or agents, subject to the following requirements:

(a) The members eligible for insurance under the policy shall be all of the members of the union or organization, or all of any class or classes thereof;

(b) The premium for the policy shall be paid either from funds of the union or organization or from funds contributed by the insured members specifically for their insurance, or from both. Except as provided in paragraph (c) of this subdivision, a policy on which no part of the premium is to be derived from funds contributed by the insured members specifically for their insurance must insure all eligible members, except those who reject such coverage in writing;

(c) An insurer may exclude or limit the coverage on any person as to whom evidence of individual insurability is not satisfactory to the insurer in a policy insuring fewer than ten members and in a policy insuring ten or more members if:

a. Application is not made within thirty-one days after the date of eligibility for insurance; or

b. The person voluntarily terminated the insurance while continuing to be eligible for insurance under the policy; or

c. After the expiration of an open enrollment period during which the person could have enrolled for the insurance or could have elected another level of benefits under the policy;

(4) A policy issued to a trust, or to the trustee of a fund, established or adopted by two or more employers, or by one or more labor unions or similar employee organizations, or by one or more employers and one or more labor unions or similar employee organizations, which trust or trustee shall be deemed the policyholder, to insure employees of the employers or members of the unions or organizations for the benefit of persons other than the employers or the unions or organizations, subject to the following requirements:

(a) The persons eligible for insurance shall be all of the employees of the employers or all of the members of the unions or organizations, or all of any class or classes thereof. The policy may provide that the term "employees" shall include the employees of one or more subsidiary corporations, and the employees, individual proprietors, and partners of one or more affiliated corporations, proprietorships or partnerships if the business of the employer and of such affiliated corporations, proprietorships or partnerships is under common control. The policy may provide that the term "employees" shall include the individual proprietor or partners if the employer is an individual proprietorship or partnership. The policy may provide that the term "employees" shall include retired employees, former employees and directors of a corporate employer. The policy may provide that the term "employees" shall include the trustees or their employees, or both, if their duties are principally connected with such trusteeship;

(b) The premium for the policy shall be paid from funds contributed by the employer or employers of the insured persons or by the union or unions or similar employee organizations, or by both, or from funds contributed by the insured persons or from both the insured persons and the employer or union or similar employee organization. Except as provided in paragraph (c) of this subdivision, a policy on which no part of the premium is to be derived from funds contributed by the insured persons specifically for their insurance, must insure all eligible persons except those who reject such coverage in writing;

(c) An insurer may exclude or limit the coverage on any person as to whom evidence of individual insurability is not satisfactory to the insurer;

(5) A policy issued to an association or to a trust or to the trustees of a fund established, created and maintained for the benefit of members of one or more associations. The association or associations shall have at the outset a minimum of fifty members; shall have been organized and maintained in good faith for purposes other than that of obtaining insurance; shall have been in active existence for at least two years; shall have a constitution and bylaws which provide that the association or associations shall hold regular meetings not less than annually to further the purposes of the members; shall, except for credit unions, collect dues or solicit contributions from members; and shall provide the members with voting privileges and representation on the governing board and committees. The policy shall be subject to the following requirements:

(a) The policy may insure members of such association or associations, employees thereof, or employees of members, or one or more of the preceding, or all of any class or classes thereof for the benefit of persons other than the employee's employer;

(b) The premium for the policy shall be paid from funds contributed by the association or associations or by employer members, or by both, or from funds contributed by the covered persons or from both the covered persons and the association, associations, or employer members;

(c) Except as provided in paragraph (d) of this subdivision, a policy on which no part of the premium is to be derived from funds contributed by the covered persons specifically for their insurance must insure all eligible persons, except those who reject such coverage in writing;

(d) An insurer may exclude or limit the coverage on any person as to whom evidence of individual insurability is not satisfactory to the insurer;

(e) If the health benefit plan, as defined in section 376.1350, is delivered, issued for delivery, continued or renewed, is providing coverage to any resident of this state, and is providing coverage to [both] **sole proprietors, self-employed persons**, small employers as defined in subsection 2 of section 379.930, RSMo, and large employers, the insurer providing the coverage to the association or trust or trustees of a fund established, created, and maintained for the benefit of members of one or more associations may be exempt from subdivision (1) of subsection 1 of section 379.936, RSMo, as it relates to the association plans established under this section. The director shall find that an exemption would be in the public interest and approved and that additional classes of business may be approved under subsection 4 of section 379.934, RSMo, if the director determines that the health benefit plan:

a. Is underwritten and rated as a single employer;

b. Has a uniform health benefit plan design option or options for all participating association members or employers;

c. Has guarantee issue to all association members and all eligible employees, as defined in subsection 2 of section 379.930, RSMo, of any participating association member company; and

d. Complies with all other federal and state insurance requirements, including but not limited to the small employer health insurance and availability act under sections 379.930 to 379.952, RSMo;

(6) A policy issued to a credit union or to a trustee or trustees or agent designated by two or more credit unions, which credit union, trustee, trustees or agent shall be deemed the policyholder, to insure members of such credit union or credit unions for the benefit of persons other than the credit union or credit unions, trustee or trustees, or agent or any of their officials, subject to the following requirements:

(a) The members eligible for insurance shall be all of the members of the credit union or credit unions, or all of any class or classes thereof;

(b) The premium for the policy shall be paid by the policyholder from the credit union's funds and, except as provided in paragraph (c) of this subdivision, must insure all eligible members;

(c) An insurer may exclude or limit the coverage on any member as to whom evidence of individual insurability is not satisfactory to the insurer;

(7) A policy issued to cover persons in a group where that group is specifically described by a law of this state as one which may be covered for group life insurance. The provisions of such law relating to eligibility and evidence of insurability shall apply.

2. Group health insurance offered to a resident of this state under a group health insurance policy issued to a group other than one described in subsection 1 of this section shall be subject to the following requirements:

(1) No such group health insurance policy shall be delivered in this state unless the director finds that:

(a) The issuance of such group policy is not contrary to the best interest of the public;

(b) The issuance of the group policy would result in economies of acquisition or administration; and

(c) The benefits are reasonable in relation to the premiums charged;

(2) No such group health insurance coverage may be offered in this state by an insurer under a policy issued in another state unless this state or another state having requirements substantially similar to those contained in subdivision (1) of this subsection has made a determination that such requirements have been met;

(3) The premium for the policy shall be paid either from the policyholder's funds, or from funds contributed by the covered persons, or from both;

(4) An insurer may exclude or limit the coverage on any person as to whom evidence of individual insurability is not satisfactory to the insurer.

as authorized under section 290.145, RSMo, and such insurer shall not be considered to be in violation of any unfair trade practice, as defined in section 379.936, RSMo, even if only some employers elect to purchase such a policy and other employers do not.”; and
