

HB 62 -- Federal Reporting of Illegal Aliens on the Sexual
Offender Registry

Sponsor: Nolte

This bill adds citizenship to the information that must be included on a sexual offender registration form and requires the State Highway Patrol to report to the United States Immigration and Customs Enforcement or other appropriate federal agency certain information regarding any person on the sexual offender registry who is not a citizen of the United States and to request a determination as to whether the person is subject to deportation as a criminal illegal alien.
