

HB 660 -- Prostitution Control

Sponsor: Rizzo

This bill allows any urban city which experiences a problem with prostitution to create, maintain, and make public a list of the names of individuals who have pled guilty to or are found guilty of patronizing prostitution. Any person who has pled guilty to or been found guilty of this crime once will be on the list for a maximum of 90 days. A person found guilty a second time will be on the list for a maximum of one year and the city may notify any person living within 200 feet of the defendant's residence of the person's name and the offenses. For a third or subsequent occurrence, the person's name will be on the list for a period of three years and the city may post the defendant's name and offenses in the newspaper in the county of the person's residence. If a city chooses to utilize any of these provisions, it must do so for all persons who have pled guilty to or been found guilty of patronizing prostitution.
