

HB 695 -- Fine Arts Education

Sponsor: Frederick

Beginning in Fiscal Year 2013, this bill allows the Division of School Improvement within the Department of Elementary and Secondary Education to ensure that each regional professional development center in the state provides professional development education assistance for fine arts. The professional development center may include working with school districts to develop fine arts staff and curriculum, coordinating services from other entities involved in fine arts education and integration, and contributing to the development and implementation of in-service training.
