

HB 977 -- Motor Vehicle Dealers and Wholesale Motor Vehicle Auctions

Sponsor: Johnson

This bill requires a wholesale motor vehicle auction to provide a title to the vehicle at the time of purchase.

The bill also repeals the provisions prohibiting licensed dealers, distributors, or manufacturers from operating on Sunday and allows a motor vehicle dealer to operate an established place of business for the purpose of buying, selling, bartering, or trading new or used vehicles on Sunday between 12:00 p.m. and 6:00 p.m. and to use a cellular telephone number as its official telephone number for the dealership.
