

HB 1006 -- Joint Committee on Renewable Technology and Industrial Onsite Energy Generation

Sponsor: Schatz

This bill establishes the Joint Committee on Renewable Technology and Industrial Onsite Energy Generation consisting of 10 members with three appointed by the President Pro Tem of the Senate, two by the Minority Leader of the Senate, three by the Speaker of the House of Representatives, and two by the Minority Leader of the House of Representatives.

By December 31, 2012, the joint committee must present a final report with its recommendations for any legislative action to the Governor, the President Pro Tem of the Senate, and the Speaker of the House of Representatives on the development of renewable technologies and the impact of industrial onsite energy generation in the state. The topics to be examined by the joint committee are specified in the bill.
