

HB 1010 -- Federal Health Care Reform Law

Sponsor: Bahr

This bill declares that the General Assembly finds the federal Patient Protection and Affordable Care Act signed by President Obama to be unauthorized by the United States Constitution and violates the true meaning and intent of its founders and ratifiers and is declared invalid in this state. It is the General Assembly's duty to enact any measure necessary to prevent its enforcement.

Any United States official, agent, or employee or any employee of a corporation providing services to the United States government that enforces the act in violation of these provisions will be guilty of a class D felony. Any public officer or employee of this state that enforces the act in violation of these provisions will be guilty of a class A misdemeanor. Any aggrieved party will also have a private cause of action against any person violating these provisions.
